Remembering Marielle Franco from a Theological Perspective Katharina Merian, 2024-08-20 In this Open Access book Katharina Merian discusses memories of Marielle Franco from the perspective of the concept of dangerous memory introduced by the political theologian Johann Baptist Metz Franco was an Afro Brazilian human rights activist and city councilor of Rio de Janeiro who was assassinated on March 14 2018 Her murder elicited worldwide protest and empathy Today she is considered an international symbol in the fight for human women and LGBTQ rights Based on the memories of people from Franco's inner circle the study explores Franco's life what it meant to the people around her and how her image was transformed following her murder By critically engaging with Metz's concept of dangerous memory which concerns memories of suffering

and unfulfilled hopes that challenge the present Merian demonstrates that the memories of Franco represent a decolonial dangerous memory that sparks individual and collective self empowerment among Black women members of the LGBTQ community and favela residents This work not only contributes to a critical reappraisal of Franco s story and the meaning of her memory in the Brazilian and international context but also proposes a differentiated understanding of dangerous memory that highlights the relationship between solidarity and self empowerment in a moment of existential danger and threat

The Color of Asylum Katherine Jensen, 2023-09-05 Congolese migrants wait in long lines in unbearable heat to see immigration officials while Syrians go through an expedited process And while Syrian migrants reported a relaxed and comfortable environment while meeting with immigration officials Congolese migrants were met with distrust and suspicion as they recounted the harrowing and traumatic stories of life in their home country As Jensen shows Syrians are treated so differently from other asylum seekers because the Brazilian state recognizes them as white This dates back to Brazilian immigration policy that followed the abolition of slavery Eager to whiten its population Brazil welcomed a first wave of Syrian and Lebanese immigrants a precedent that would affect the nation s policy toward Syrian refugees in the twenty first century On the other hand anti black racism shapes the experiences of Congolese and other African refugees and entrenches racial inequalities even among those deemed worthy of safe haven
