Habermas, 1982 **Verdict on the Shroud** Kenneth Stevenson, 1918 Verdict on the Shroud Outlet, Outlet Book Company Staff, 1984-11-01 **Verdict on the Shroud** Kenneth Stevenson, Gary R. Habermas, 1982-01-01 John Warwick Montgomery's Legal Apologetic Ross Clifford, 2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery's work It focuses on his legal historical apologetic and in the process reframes it for both the tough minded and the tender hearted It shows not only the rationality of Montgomery's work but also that his writings pave the way for an apologetic to New Age followers and to those who place experience before reason A special feature of this analysis concerns Montgomery's apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age The Shroud of Turin Chidambaram Ramesh, 2010-11-22 The Shroud of Turin is a linen cloth bearing the faded image of a man who appears to have undergone physical torture consistent with Roman crucifixion The Shroud is preserved in the St John Cathedral in Turin Italy It is widely believed to have wrapped the body of historical Jesus of Nazareth and has become one of the most perplexing enigmas for the researchers The author has attempted to explain the scientific causes of the image on the Shroud under the realm of quantum physics By drawing a plethora of evidences from the alchemical secrets of resuscitating spectral plants out of ashes the author establishes that material body of organisms even if consumed to ashes retain their selfsame form and figure Even parts of the body like blood skin etc are capable of forming the 3D geometrical structure of the host organism in its entirety which is a quantum hologram in the modern scientific terminology According to this theory the Shroud image is an imprint of the Quantum Self This is the first book on Shroud of Turin by an Indian author and proposes for the first time the quantum bio holographic idea to explain the Shroud image It also gives re birth to the forgotten science of palingenesis the resurrection of spectral images of plants out of ashes The author has attempted to explain almost all the peculiar characteristics of the Shroud image like photographic negativity spatial encryption of 3D data non directionality and other amazing aspects **Jesus' Tomb in India** Paul Constantine Pappas, 1991 This investigative work explores the Eastern legend that upon crucifixion Jesus did not in fact die on the cross but was taken secretly to India where he lived to a ripe old age and eventually died Two other important Eastern legends are also examined the shroud of Turin and the holy miracle light of Jerusalem *Faith on Trial* Pamela Binnings Ewen, 2013 A formerly agnostic lawyer uses court required standards to set forth solid archeological historic

Habermas,Michael R. Licona,Kregel Publications, A phenomenal resource that is both user friendly and up to date and will equip believers to defend this crucial issue Josh McDowell Includes an interactive CD in a game show format to test your memory of the key issues and concepts *Did Jesus Rise From the Dead?* Gary R. Habermas,Antony Flew,Terry L. Miethe,2003-12-04 This is the most important question regarding the claims of the Christian faith Certainly no question in modern religious history demands more attention or interest as witnessed by the vast body of literature dealing with the Resurrection James I Packer says it well in his response

to this debate When Christians are asked to make good their claim that this scheme is truth they point to Jesus resurrection The Easter event so they affirm demonstrated Jesus deity validated his teaching attested to the completion of his work of atonement for sin confirms his present cosmic dominion and coming reappearance as Judge assures us that his personal pardon presence and power in people s lives today is fact and guarantees each believer s own reembodiment by Resurrection in the world to come The Apostle Paul considered the Resurrection to be the cornerstone of the Christian faith If Jesus did not rise from the dead the whole structure Christianity collapses Paul tells us in 1 Corinthians 15 14 17 And if Christ has not been raised our preaching is useless and so is you faith More than that we are then found to be false witnesses about God And if Christ has not been raised your faith is futile emphasis added The Christian faith and its claim to be Truth exists only if Jesus rose from the dead The heart of Christianity is a living Christ *Interpreting Jesus* Gerald O'Collins, 2002-10-15

Interpreting Jesus draws on traditional teaching and the best scripture scholarship to construct a Christology which centers on the crucifixion and the resurrection of Jesus The aim is to explore and clarify what Christian belief in the risen Jesus as Son of God and Savior of the world originally meant and now continues to mean Special features include an excursus on the theological implications of the Shroud of Turin and a return to a theme which contemporary Christology has widely neglected the blood of Jesus and its redemptive symbolism The book ends by linking belief in Jesus with the non Christian world Father O Collins has previously written many articles and shorter works on Jesus Christ This Christology represents a mature climax of those earlier publications **Jesus Is the Way, Truth, Life** Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don t laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope

it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest *The DNA of God* Leoncio A. Garza-Valdes,2012-05-09 In 1988 radiocarbon dating showed that the Shroud of Turin long regarded as the burial cloth of Jesus of Nazareth could not be from the time of Jesus but was of a more recent origin What scientists did not know at that time but what author Dr Leoncio Garza Valdes came to discover is that bacteria produce an organic coating what he calls a bioplastic coating over time on ancient textiles textiles including the Shroud itself This coating which the author first discovered on Mayan artifacts so distorts the carbon dating process that objects on which it is found such as the Shroud are actually significantly older than the data show The scientific community has hailed Dr Garza Valdes s findings since this new knowledge is of significance for archaeologists around the world For those interested in the mysterious history of the Shroud it is again possible to regard this artifact as originating in the first century and consequently as being the burial cloth of Jesus But Dr Garza Valdes s amazing discoveries did not end with this breakthrough His examination of pieces of the Shroud under a microscope has revealed incredible clues consistent with the Scriptural accounts of the death of Jesus Bacteria that produce acetic acid vinegar were isolated from the Shroud Do they belong to the vinegar offered to Jesus before his death on the cross Could human blood remnants that contain a man s DNA be traces of the blood of Jesus Does it contain the DNA of God The DNA of God is the fascinating story of this microbiologist s journey of discovery and of the earthshaking secrets he has revealed about the Shroud of Turin *The Big Book of Christian Apologetics* Norman L. Geisler,2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue person and concept related to Christian apologetics this book clarifies difficult biblical passages clearly explains various philosophical systems and concepts examines contemporary issues and challenges and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics this resource brings leading apologist Norman L Geisler s seminal work to the masses
