This manual contains service requirements and procedures needed by an experienced service person to complete necessary service and repairs on the machine. Study and understand these requirements and procedures thoroughly before working or repairing the machine. There are also many components which are not user serviceable. Do not attempt any service which you do not fully understand, nor any service that you cannot do adequately and safely with the tools and equipment available to you. Failure to do so could result in personal injury or equipment damage. If you encounter a problem that you do not understand or cannot solve, contact your Vermeer service representative.

The instructions, illustrations and specifications in this manual are based on the latest information available at the time of publication. Your machine may have product improvements and options not yet contained in this manual.

Vermeer Manufacturing Company reserves the right to make changes at any time without notice or obligation.
