The Very Lowly A Meditation On Francis Of Assisi:

The Very Lowly Christian Bobin, Michael H. Kohn, 2006-03-14 Why have we come to revere Francis of Assisi a simple thirteenth century Italian merchant's son as a saint Why has his appeal endured over eight hundred years and even expanded beyond the world of Catholicism to make him one of the most beloved religious figures of all time This penetrating meditation on Francis's life gently but surely cuts through every pious legend to uncover what is timeless and universally true about him Christian Bobin's unexpected and thoroughly original work presents a compelling image of a man whose power is found in humility whose radical casting aside of wealth honor and even personal identity is inseparable from his overwhelming intimacy with God Poetic luminous utterly hypnotic **The Very Lowly** is a unique modern variation on the saint's life that will entrance everyone whether religious or almost especially not

Sweeney, 2007-01-01 The Middle Ages were not so very dark as the old textbooks say As you will discover in this intriguing portrait of the first Franciscans we live in dark ages whenever we become preoccupied with power In this popular history Jon Sweeney reveals the timeless temptations that come with being human greed competition ego and selfishness as well as the many ways that Francis and Clare of Assisi inspired change and brought light into darkness Discover how Francis was first found by God and then joined by Clare despite the violent objections of her family Explore a variety of issues that they faced including the treatment of lepers in medieval society corruption in the Church and attitudes toward the created world You will also learn how Clare's spirituality influenced that of other prominent women how St Francis lost control of his own movement and why Francis's body was secretly buried upon his death The examples of early Franciscan spirituality challenge any of us who would follow Christ today How would we view a young person today who rejected family for spiritual reasons Is it possible for men and women to have deep friendship and remain true to a call to chastity Is intentional poverty of any value Have we

sentimentalized family to the point of ignoring what Jesus taught his disciples on the subject *God is Subversive* Lee Griffith,2011-04-12 To Lee Griffith being a peacemaker means much more than sporting PEACE T shirts or voting for left wing political candidates Peacemaking is for him a daily practice of community formation lifestyle decisions and prayer ordinary living that is faithful to the gospel and happily out of sync with most of the world most of the time and it is a vital part of following Jesus Christ In these challenging talks Griffith a veteran anti war activist who has been arrested many times for his pro peace demonstrations sets forth a solidly biblical argument for uncompromising nonviolence Along the way he describes encounters with dumpster divers and prostitutes with bag ladies and judges with people who hear voices and see ghosts and he shares how through these encounters and more he has come to know better the subversive God of the gospel

The Loving Struggle Emmanuel Falque,2018-10-15 It has been 25 years since Dominique Janicaud derisively proclaimed the theological turn in French phenomenology due to the return of God to philosophy through the influence of religious thinkers such as L vinas Ricoeur and Marion Since then the theological turn has flowered into a fully fledged movement on both sides of the Atlantic But what will be the shape and direction of the second generation of the theological turn In this important new book Emmanuel Falque engages with all the major twentieth century French phenomenologists something heretofore unavailable in English He argues that rather than being content to argue for the return of God to philosophy something fought for and developed by the foregoing generation of the theological turn it is necessary to stage a philosophical confrontation or disputatio with them and their work in order to ensure the ongoing vitality of the unexpected contemporary relationship between philosophy and theology Drawing on the legacies of Jaspers and Heidegger who both staged their own loving struggles to arrive at defining philosophical conclusions Falque confronts interrogates and learns from his most influential philosophical forebears to steer the theological turn in a new direction Offering a novel and creative philosophy of the body Falque argues for a reorientation of philosophy of religion generally and the theological turn specifically from a philosophy of revelation from above to a philosophy of the limit from below **Wherever I Lie is Your**
