Reintegration Kathy Barnett, Carrie Daws, 2015-05-29 Deployments are inevitable in military life Short or long relatively safe or extremely dangerous time away from our men is standard issue How can the family left behind best deal with the transition before and after deployment And what should we do if he comes home different Those who deal with long separations due to a career know that the first weeks back can be trickier than when you first began living together as a couple particularly if the mission was stressful or life threatening While the Bible doesn t specifically mention reintegration God still gives us great advice on preparing our hearts and minds so that our marriage can thrive even through Reintegration

Other Military Spouses Carrie Daws, 2016-02-29 Other military spouses can be one of the biggest stressors in a wife s life From gossipers to back biters to spouse shamers the problem is reaching epidemic proportions and many don t know what to do about it What if you could find a better way Instead of attacking the problem women head on or avoiding all women entirely what if you could find women worth knowing and cherishing No matter where you are God placed around you women of great value women who strive to love Him first and women who want to love and encourage you Instead of resigning yourself to a life of loneliness let me show you who to avoid and what characteristics to look for in quality friends

Moving Carrie Daws, 2015-09 We ve got orders As many military spouses know these simple words change your life Whether you are moving just a couple of states over or around the world a flurry of activity is about to consume your calendar Where do you start How do you start to process all your emotions or prepare your children to say goodbye to their friends How do you know if you need to host a yard sale or even what your weight limit is Take a deep breath and know that help is available This book and the free moving checklist will get you started in the right direction
