The Way Of Jesus Christ Christology In Messianic Dimensions:

The Way of Jesus Christ Jürgen Moltmann, 1995-08-21 The Way of Jesus Christ discusses the following topics 1 The symbol of the way embodies the aspect of process and brings out christology's alignment towards its goal This symbol can comprehend Christ's way from his birth in the Spirit and his baptism in the Spirit to his self-surrender on Golgotha It also makes it possible to understand the path of Christ as the way leading from his resurrection to his parousia the way he takes in the Spirit to Israel to the nations and into the breadth and depth of the cosmos 2 The symbol of the way makes us aware that every human christology is historically conditioned and limited Every human christology is a christology of the way not yet a christology of the home country a christology of faith not yet a christology of sight So christology is no more than the beginning of eschatology and eschatology as the Christian faith understands it is always the consummation of christology 3 Finally but not least important every way is an invitation A way is something to be followed The way of Jesus Christ is not merely a christological category It is an ethical category too Anyone who enters upon Christ's way will discover who Jesus really is and anyone who really believes in Jesus and the Christ of God will follow him along the way he himself took Christology and christopraxis find one another in the full and completed knowledge of Christ This christology links dogmatics and ethics in closer detail than in the previous volumes **The Hermeneutics of Doctrine** Anthony C.

Thiselton, 2007-11-08 Throughout the book Thiselton shows how perspectives that arise from hermeneutics shed fresh light on theological method reshape horizons of understanding and reveal the relevance of doctrine for formation and for life

Christian Theology in the Pluralistic World Veli-Matti Kärkkäinen, 2019-06-20 Kärkkäinen's acclaimed five-volume constructive theology abridged in one accessible volume Providing a new and unique way of doing theology in our pluralistic world Veli-Matti Kärkkäinen presents historic Christian doctrines in relation to the natural sciences and four other living faiths Judaism Islam Buddhism and Hinduism This textbook covers all systematic topics along with a host of current issues such as violence colonialism inclusivity sociopolitical liberation environmental care and more Accessible and student-friendly Christian Theology in the Pluralistic World is the ideal text for exploring a theological vision at once rooted in the Christian tradition and constructive in its engagement with the complexities of our global pluralistic world **Systematic Theology**

Anthony C. Thiselton, 2015-10-21 In this concise one-volume systematic theology celebrated scholar Anthony Thiselton comprehensively covers the spectrum of Christian doctrine with an eye to practical application for Christian discipleship Written with students and busy ministers in mind this book is readable and accessible comprising fifteen chapters of relatively equal length with each chapter containing five evenly balanced subsections for teaching and learning convenience Rather than setting out an abstract system Thiselton explores theology as a living organic whole The book thus includes biblical foundations historical thought contemporary writers and practical implications Expertly incorporating biblical exegesis philosophy conceptual grammar and hermeneutics this work is the most succinct multidisciplinary systematic

theology available **On the Resurrection, Volume 3** Gary Habermas, 2025-05-15 In the third volume of his magnum opus Gary R Habermas identifies, collects and summarizes hundreds of scholarly treatments related to the resurrection. *On the Resurrection Volume 3: Scholarly Perspectives* offers a thorough lay of the land for anyone wanting to pursue an in-depth study of Jesus of Nazareth's resurrection.

African Voices Israel Oluwale Olofinjana, 2017-08-30 Introducing an emerging academic field known as African British Theologies, this publication explores the significant presence of African Christianity in Britain. Featuring contributions from twelve scholarly African pastors engaged in ministry and theology in Britain, this book is a unique expression of theology from African Christians contextualizing the gospel for a multicultural British society. Under three key areas of missiology, contextual constructive theology, and transformative practical theology, the contributors interact with topics such as reverse missiology, African pneumatology, prosperity gospel, and urban mission. This book rigorously examines new contexts of Christianity and articulates new theological perspectives that are required to understand twenty-first century ministry not only in urban Britain but also across the world.

Immense Unfathomed Unconfined Sean Winter, 2013-08-09 The essays in this volume offer a range of perspectives on the theme of grace. Drawing on the best of contemporary biblical, historical, and theological scholarship, the contributors consider the role played by the theme of grace in the Christian tradition, its importance, and some implications for today. A number of essays pay special attention to the significance of the theme of grace within Methodism. As a whole, the volume testifies to the diverse ways in which divine grace enables and shapes patterns of graceful living in the world. Topics covered include Pauline perspectives on grace, the theme of grace in Wesleyan hymnody, grace in the theology of Barth, Rahner, and de Lubac, the relationship between Christian understandings of grace, universalism, and other religious traditions, the implications of grace for understanding creation care, ministry practice, spirituality, and work. Together, the essays honour the life and ministry of Emeritus Professor Norman Young, whose own theological work has been devoted to exploring the mystery which we discern as the way of grace, and who offers an account of his own theological journey within the volume's concluding personal reflections.

On Animals David L. Clough, 2012-02-02 This volume is a project in systematic theology, a rigorous engagement with the Christian tradition in relation to animals under the doctrinal headings of creation, reconciliation, and redemption, and in dialogue with the Bible and theological voices central to the tradition. The book shows that such engagement with the tradition, with the question of the animal in mind, produces surprising answers that challenge modern anthropocentric assumptions. For the most part, therefore, the novelty of the project lies in the questions raised rather than the proposal of innovative answers to it. The transformation in our thinking about animals, for which the book argues, results in the main from looking squarely for the first time at the sum of what we are already committed to believing about other animals and their place in God's creation.

The Solidarity of Others in a Divided World Anselm Kyongsuk Min, 2004-02-03 Using the paradigm of solidarity of others as the central theme of theology, this book shows that it is possible to renew the doctrine of the Holy Spirit as the Spirit of solidarity and

recapture the potential of the body of Christ as embodiment of this solidarity *The Image of the Immanent Trinity* Fred R. Sanders, Fred Sanders, 2005 If the economic Trinity is the immanent Trinity as Karl Rahner said then what difference does it make for how we read the Bible This book takes up the discussion that has dominated the last several decades of Trinitarian theology that of Rahner's Rule and brings it into dialogue with the longer history of the doctrine particularly with the history of interpretation of scripture The history of Trinitarianism is the history of complex interpretive moves a long conversation in which the Christian church has sought to learn how to ask the right questions of scripture Surveying recent theological projects and learning from their successes and failures *The Image of the Immanent Trinity* argues that the eternally perfect fellowship of Father Son and Spirit is truly present for our salvation in Christ who as the image of the invisible God secures God's presence in the economy of salvation as the image of the immanent Trinity Faith Seeking Understanding Daniel L. Migliore, 2004-06-14 Daniel Migliore's *Faith Seeking Understanding* has been a standard introduction to Christian theology for more than a decade The book's presentation of traditional doctrine in freshly contemporary ways its concern to hear and critically engage new voices in theology and its creative and accessible style have kept it one of the most stimulating balanced and readable guides to theology available This second edition of *Faith Seeking Understanding* features improvements from cover to cover Besides updating and expanding the entire text of the book Migliore has added two completely new chapters The first *Confessing Jesus Christ in Context* explores the unique contributions to Christian theology made by recent theologians working in the African American Asian American Latin American Hispanic feminist womanist and mujerista traditions The second new chapter *The Finality of Jesus Christ and Religious Pluralism* addresses the growing interest in the relationship of Christianity to other religions and their adherents Migliore's three delightful theological dialogues are followed by a new appendix an extensive glossary of theological terms making the book even more useful to students seeking to understand the history themes and challenges of Christian belief *The Routledge Companion to Modern Christian Thought* Chad Meister, James Beilby, 2013-10-28 This Companion provides an unrivalled view of the field of modern Christian thought from the Enlightenment to the twentieth century and beyond Written by an outstanding team of theologians and philosophers of religion it covers the following topics within Christian thought Key figures and influencers Central events and movements Major theological issues and key approaches to Christian Theology Recent topics and trends in Christian thought Each entry is clear and accessible making the book the ideal resource for students of Christian thought and history and philosophy of religion and a valuable reference for professional theologians and philosophers **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an

arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Jürgen Moltmann and Evangelical Theology Sung Wook Chung, 2012-04-23 Jürgen Moltmann is now regarded as one of the most influential theologians since Karl Barth However evangelical engagement with Moltmann has been hesitant and deficient This book fills the gap Ten respected evangelical theologians engage with Moltmann's theology in a mature dynamic and critical manner seeking to appropriate from it in a discerning manner The contributors include Sung Wook Chung Kurt Anders Richardson Veli Matti Karkainen Stephen N Williams and Timothy Bradshaw This book is an excellent demonstration of intellectual confidence and respectability of robust evangelical theology

The Apostles' Creed Marcel Sarot, Archibald L.H.M. van Wieringen, 2024-07-22 What does it mean when Christians confess that Jesus was born of the Virgin Mary This volume of essays written by an international group of scholars approaches this question from various perspectives From examining the Old Testament backgrounds to exploring the Virgin Birth in various traditions and cultures each chapter offers fresh perspectives The contributors explore topics ranging from the Pre Nicene tradition to modern cinematic interpretations and from the perspectives of renowned theologians to interfaith dialogue with Islam and Hinduism Engaging and thought provoking this volume promises to illuminate the significance of the Virgin Birth across diverse religious and cultural contexts

The Anointed Church Gregory J. Liston, 2015-09-01 Over recent decades Spirit Christology has utilized a pneumatological perspective to gain significant insight into the person and life of Christ The Anointed Church extends this work providing the first constructive and systematic ecclesiology developed through the approach of a Third Article Theology Arguing that the Spirit's immanent identity is reprised on a series of expanding stages Christologically soteriologically and most pertinently here ecclesiologically Liston concludes the Church can be characterized as existing in any and all relationships where by the Spirit the love of Christ is offered and returned

Kingdom Come Jason Byassee, Jeremy Kidwell, Jonathan Wilson-Hartgrove, Leah Wilson-Hartgrove, 2022-09-19 For four decades the Rev Dr Jonathan R Wilson has cultivated an imagination for kingdom realism as a pastor teacher theologian and friend To celebrate his seventieth birthday Kingdom Come has gathered reflections from fellow theologians popular authors poets and practitioners to mark both the range of Wilson's influence on the Christian church and the consistency of his prayer and work for God's kingdom to come

here on earth as it is in heaven **Salt, Light, and a City, Second Edition** Graham Joseph Hill, 2017-06-13 Graham Hill's pioneering classic remains the seminal work on missional ecclesiology. The bestselling first edition redefined theology for the missional church. Hill builds biblical foundations in conversation with major theologians including Sarah Coakley, John Zizioulas, Stanley Hauerwas, Miroslav Volf, and Jürgen Moltmann. In this major update, he offers new insights and provides fresh examples of missional churches. In the first edition, Hill interacted with twelve major theologians to build a missional ecclesiology. In this thoroughly updated edition, he interacts with sixteen major theologians from the Western world. This edition includes five new chapters and an expanded treatment on the key convictions of global missional theology. It also offers a new study guide that has been uploaded on an innovative website linked to this book. This expanded edition now becomes volume 1 in a series on missional ecclesiology. In volume 2, Hill will turn our attention to voices from the Majority World. Known for his groundbreaking approach to theology, Hill shows how God is releasing his global church to mission across all cultures and Christian traditions. This extensive update to Hill's influential work offers pioneering theology and practices that will continue to shape the global missional church for generations.

What Has Wittenberg to Do with Azusa? David J. Courey, 2015-02-26 Global Pentecostalism is a twenty-first century phenomenon. Yet in North America, where the movement was born, it has stalled. Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism. Through the identification of parallels between Martin Luther and contemporary Pentecostals, Courey detects in Luther's Theology of the Cross a potent remedy for this tension. Utilising this insight, Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world. This work comprises of three parts. The first is historical, charting the antecedents and development of Pentecostal triumphalism. The second is an experiment in historical theology, seeking basic resonances between Luther and early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism. The final section is an effort in constructive theology, applying the theologia crucis to some of the central aspects of Pentecostalism. **God and the Mystery of Human Suffering** Robin Ryan, 2003
