Simple Weight Loss System Samuel F. Valle, In the beginning Samuel F Valle created his weight loss system to break free from being overweight To his great surprise this system also worked for his friends and family Over time he turned his passion for slimming into a mission to help other people who are overweight After getting great results more people started to use the system but Samuel was not able to help everyone at the same time That s why he decided to write this guide The Simple Weight Loss System prepared by Samuel became famous because of its high efficiency All you have to do is learn a few simple rules and implementing them comes easily

Obesity Judith S. Stern, Alexandra Kazaks, 2015-10-13 Obesity has reached epidemic proportions in countries like the United States This book provides a comprehensive summary of obesity in America and around the world discussing the causes and proposing ways to help stem the tide and to help those who are overweight A highly useful and accessible resource for high school to undergraduate students as well as post graduate level readers with an interest in health and nutrition this updated second edition of Obesity A Reference Handbook offers up to

date answers to essential questions about obesity and connected societal and health care related issues A single volume go to resource this book addresses difficult questions such as whether obesity is a disease or a moral failing what factors contribute to obesity what the economic impacts of obesity are on the health care industry if and how poverty is a contributor to obesity how our society encourages obesity and how changes can be made to improve our society s eating habits as a whole It presents citations from individuals and peer reviewed journals and review articles providing a balance of information sourced from both professionals and informed lay commentators Also included are dozens of biographies of individuals who have been important in studying preventing managing or increasing awareness about obesity such as Jared Fogle longtime Subway sandwiches spokesperson Kelly Brownell who coined the phrase toxic environment to describe unhealthy food and exercise patterns researcher Ethan Allen Sims who examined the relationship between obesity and diabetes and Oprah Winfrey well known celebrity who stated that if there were a pill to lose weight or a magic diet she would have it
