The White Bird John Berger:

The White Bird John Berger, 1985 **John Berger** Iona Heath, 2024-07-13 Iona Heath relates the importance that John Berger's work and friendship had on her working life as a GP. It includes extracts from letters that span 20 years of her correspondence with John Berger. In this book Iona Heath writes about reading John Berger's writing over more than 50 years and her friendship and correspondence with him over the best part of 20 years. Dr Heath found that both of these interacted profoundly with her work as a general practitioner in a deprived urban area in London. For Iona Heath, general practice is a quite extraordinary undertaking every working day sitting with a succession of unique individuals each worried about some aspect of their health or life circumstances many burdened by unspoken fears and each seeking some form of answer. Starting with *A Fortunate Man* when she was an ignorant but hopeful undergraduate medical student she found reading John Berger on any subject had something new to tell her about the aspirations and detail of her work clues about how to look and how to listen and much else. Later when they started to correspond Iona Heath found herself in the privileged position of being able to check her understanding directly with the writer and on each occasion found deeper levels of awareness and insight. She is convinced that reading John Berger made her a better doctor.

Selected Essays of John Berger John Berger, 2008-12-10 The writing career of Booker Prize winner John Berger poet storyteller playwright and essayist has yielded some of the most original and compelling examinations of art and life of the past half century. In this essential volume Geoff Dyer has brought together a rich selection of many of Berger's seminal essays. Berger's insights make it impossible to look at a painting watch a film or even visit a zoo in quite the same way again. The vast range of subjects he addresses the lean beauty of his prose and the keenness of his anger against injustice move us to view the world with a new lens of awareness. Whether he is discussing the singleminded intensity of Picasso's *Guernica* the parallel violence and alienation in the art of Francis Bacon and Walt Disney or the enigmatic silence of his own mother what binds these pieces throughout is the depth and fury of Berger's passion challenging us to participate to protest and above all to see.

The Ethnographer's Eye Anna Grimshaw, 2001-04-30 Grimshaw's exploration of the role of vision within modern anthropology engages with current debates about ocularcentism investigating the relationship between vision and knowledge in ethnographic enquiry. Using John Berger's notion of ways of seeing the author argues that vision operates differently as a technique and theory of knowledge within the discipline. In the first part of the book she examines contrasting visions at work in the so called classical British school reassessing the legacy of Rivers Malinowski and Radcliffe Brown through the lens of early modern art and cinema. In the second part of the book the changing relationship between vision and knowledge is explored through the anthropology of Jean Rouch David and Judith MacDougall and Melissa Llewelyn Davies. Vision is foregrounded in the work of these contemporary ethnographers focusing more general questions about technique and epistemology whether image based media are used or not in ethnographic enquiry.

A Writer of Our Time Joshua Sperling, 2018-11-20 This engaging intellectual biography traces Berger's creative evolution analyzes highlights from his vast output and situates them within his empathetic Marxism The New Yorker The first intellectual biography of the life and work of John Berger John Berger was one of the most influential thinkers and writers of postwar Europe As a novelist he won the Booker prize in 1972 donating half his prize money to the Black Panthers As a TV presenter he changed the way we looked at art with Ways of Seeing As a storyteller and political activist he defended the rights and dignity of workers migrants and the oppressed around the world Far from dragging politics into art he wrote in 1953 art has dragged me into politics He remained a revolutionary up to his death in January 2017 Built around a series of watersheds at once personal and historical A Writer of Our Time traces Berger's development from his roots as a postwar art student and polemicist in the Cold War battles of 1950s London through the heady days of the 1960s when the revolutions were not only political but sexual and artistic to Berger's reinvention as a rural storyteller and the long hangover that followed the rise and fall of the New Left Drawing on first hand unpublished interviews and archival sources only recently made available Joshua Sperling digs beneath the moments of controversy to reveal a figure of remarkable complexity and resilience The portrait that emerges is of a cultural innovator as celebrated as he was often misunderstood and a writer increasingly driven as much by what he loved as by what he opposed A Writer of Our Time brings the many faces of John Berger together repatriating one of our great minds to the intellectual dramas of his and our

vital role in tackling the challenges that visual art faces today including the biggest challenge of all how to maintain faith in art itself in a dysfunctional world **Landscapes** John Berger, 2018-11-06 Essential reading n 1 Creative and political art criticism on landscape works from the Renaissance to the present from a master storyteller Arundhati Roy author of *The God of Small Things* In this brilliant collection of diverse pieces essays short stories poems translations which spans a lifetime s engagement with art John Berger reveals how he came to his own unique way of seeing He pays homage to the writers and thinkers who influenced him such as Walter Benjamin Rosa Luxemburg and Bertolt Brecht His expansive perspective takes in artistic movements and individual artists from the Renaissance to the present while never neglecting the social and political context of their creation Berger pushes at the limits of art writing demonstrating beautifully how his artist s eye makes him a storyteller in these essays rather than a critic With landscape as an animating liberating metaphor rather than a rigid definition this collection surveys the aesthetic landscapes that have informed challenged and nourished John Berger s understanding of the world *Landscapes* alongside its companion *Portraits* completes a tour through the history of art that will be an intellectual benchmark for many years to come **Georges Braque** Alex Danchev, 2012-02-14 Together with Picasso and Matisse Georges Braque is unquestionably one of the three great pillars of twentieth century art Here is the first full length biography of this remarkable figure A pioneer of modern art and founder of Cubism Georges Braque was a creative genius and tireless innovator constantly pushing back the boundaries of the possible In this magisterial work Alex Danchev taps a wide range of new sources to reveal the heart and mind of one who helped usher in the greatest revolution in the ways of seeing since the Renaissance and changed the face of modern art **John Berger and Me** Nikos Papastergiadis, 2024-08-01 The memoir of a deep friendship between two important intellectual figures bound by their interest in art and their experience of migration In *John Berger and Me* the eminent Australian sociologist Nikos Papastergiadis recalls his relationship with the late English writer and art critic John Berger His memoir is both a portrait of their friendship and an account of the work of his former mentor one which combines Berger s abiding interest in migrants and migration with Papastergiadis reflections on his own family s experience of migration Berger was a successful author and artist who lived in England before he moved to a peasant village in the Haute Savoie Papastergiadis father was born in a peasant village in Greece and migrated to work in factories in Australia The memoir covers a period of ten years in the 1990s when the younger Nikos spent many summer months with the distinguished author living in the family house and sharing duties such as the gathering of the harvest It draws on personal memories his deep knowledge of Berger s work which was the subject of his doctoral thesis and anecdotes of life in the village and beyond The intertwining of their common experiences means that the book is both a biography and an autobiography as well as a tribute to one of the most significant cultural thinkers of recent times **The Great War** Dan Todman, 2014-03-04 The First World War with its mud and the slaughter of the trenches is often taken as the ultimate example of the futility of war Generals safe in their headquarters

behind the lines sent millions of men to their deaths to gain a few hundred yards of ground Writers notably Siegfried Sassoon and Wilfred Owen provided unforgettable images of the idiocy and tragedy of the war Yet this vision of the war is at best a partial one the war only achieving its status as the worst of wars in the last thirty years At the time the war aroused emotions of pride and patriotism Not everyone involved remembered the war only for its miseries The generals were often highly professional and indeed won the war in 1918 In this original and challenging book Dan Todman shows views of the war have changed over the last ninety years and how a distorted image of it emerged and became dominant **G. John Berger** John

Berger,2012-01-01 The 40th anniversary edition of this classic Booker Prize winning novel *John Berger* Andy Merrifield,2013-02-15 With a career in literature and art spanning more than sixty years John Berger is characterized by an independent and anti institutional approach to creativity Working in a range of media including novels painting essays and scriptwriting Berger s voice has resounded through mainstream and alternative culture alike He is perhaps best known for his seminal book of art criticism *Ways of Seeing* published in 1972 Tied directly into a four part BBC television series the book presented a radical new interpretation of Western cultural aesthetics In the same year Berger s experimental novel *G* was awarded the Man Booker Prize for Fiction cementing his reputation as a boundary pushing writer and thinker In this concise yet detailed study of Berger s life and work the first for decades Andy Merrifield sheds light on Berger the man the artist and the concerned citizen Merrifield shows Berger to be a figure who constantly strives to open up new horizons and also reveals the depth of feeling that infuses even his most intellectual work In this sense Berger is a creator who feels reality like the irrationalist Rousseau yet is also a meticulous realist probing objects critically and rationally like Spinoza John Berger stitches together art literature biography and politics into a lucid coherent whole The result is a reader friendly freewheeling narrative which gives fascinating insight into one of the most influential thinkers of our times The book is essential reading for students and scholars of art literature and twentieth century culture **Marion Milner** David

Russell,2024-08-29 This is a book about reading drawing and getting better and what they have to do with one another The British essayist artist and psychoanalyst Marion Milner 1900 1996 thought deeply about how reading drawing and getting better related to each other The guiding question of Milner s life was of how people come to feel alive in and feel creatively responsive to their own lives In pursuit of this Milner explored fields as diverse as anthropology folklore education literature art philosophy mysticism and psychology She became one of the twentieth century s most extraordinary thinkers about creativity David Russell shows that there is no writer quite like Milner and the rewards of reading her are immense Key to all her writing is her search for creative practices of attention of how we pay attention in the life we have She helped to develop a kind of psychoanalysis in Britain that focussed on the ways people relate to their own lives and the lives of others Milner was literary and artistic she took herself as her subject Her writing performs ways of responding associatively to the words and images she encountered In the process she found she was a quite different person than she had first thought In the

1930s Milner invented a form for writing about reading an original kind of diary book which is structured by the experience of going back to and rereading past diaries In her interplay of past and present selves she finds new ways of looking at and experiencing the world *Art, Imagination and Christian Hope* Gavin Hopps,2016-12-05 In hope Christian faith reconfigures the shape of what is familiar in order to pattern the contours of God s promised future In this process the present is continuously re shaped by ventures of hopeful and expectant living In art this same poetic interplay between past present and future takes specific concrete forms furnishing vital resources for sustaining an imaginative ecology of hope This volume attends to the contributions that architecture drama literature music and painting can make as artists trace patterns of promise resisting the finality of modernity s despairing visions and generating hopeful living in a present which although marked by sin and death is grasped imaginatively as already pregnant with future *Reading for Life* Philip Davis,2020-02-12 Reading for Life is an anthology of poems and of extracts from prose fiction related to a series of case histories of individuals carefully reading discussing their reading lives and thinking about the relation of literature to their existence It enables readers to gain increased imaginative access to the works in question through seeing how they have intensely affected equivalent readers a novelist a poet a doctor a teacher an anthologist but also non specialists ordinary people within shared reading groups in many different settings finding help from literary texts in times of often painful personal need It is the story of the work done by Philip Davis research unit the Centre for Research into Reading Literature and Society CRILS at the University of Liverpool in a ten year partnership with the outreach charity The Reader taking serious literature to often neglected communities and struggling individuals through the shared reading alive and aloud of literature from all ages Reading for Life is a detailed account of what reading literature can do for a wide variety of individuals in relation to a wide variety of texts it will be of interest to serious readers in the wider world as much as to scholars working within literary studies and to all those involved in thinking about the therapeutic interactions of literature and life in psychology medicine and mental health support settings **Enchanted Pedagogies** ,2023-10-30 Pedagogies of magic have their own cocooned metaphors waiting to hatch In literature and the arts magic ties its practitioners to systems of learning and methods of becoming Enchanted Pedagogies edited by Kari Adelaide Razdow is a collection of essays by artists and writers who reflect on archetypes and tropes of enchantment intertwining elements such as transformation imagination creativity and empathy These essays evoke shapeshifters witches ghosts fools fairies hags gnomes selkies and more exploring multi disciplinary artistic practices Enchanted Pedagogies presents ways to expand imagine and circumvent modes of creativity and pedagogies through personal theoretical practice based and hybrid explorations The fantastic and poetic intertwine in a space of reflexive storytelling renewing significant transformational elements of the arts and education Contributors are Jesse Bransford Vanessa Chakour Trinie Dalton Lorenzo De Los Angeles Thom Donovan Laura Forsberg Pam Grossman Amy Hale Elizabeth Insogna Candice Ivy Tiffany Jewell Alessandro Keegan Jac Lahav Ruth Lingford Maria
