The Witch With No Name:

The Witch with No Name Kim Harrison, 2014-09-09 It's Rachel Morgan's ultimate adventure and anything can happen in this final book in the New York Times bestselling Hollows series. Rachel Morgan has come a long way from her early days as an inexperienced bounty hunter. She's faced vampires and werewolves, banshees, witches, and soul-eating demons. She's crossed worlds, channeled gods, and accepted her place as a day-walking demon. She's lost friends and lovers and family, and an old enemy has unexpectedly become something much more. But power demands responsibility, and world-changers must always pay a price. Rachel has known that this day would come, and now it is here. To save Ivy's soul and the rest of the living vampires to keep the demonic ever after and our own world from destruction, Rachel Morgan will risk everything. **The**

Witch with No Name Kim Harrison, 2014 Rachel Morgan's come a long way from the clumsy runner of Dead Witch Walking. She's faced vampires and werewolves, banshees, witches, and soul-eating demons. She's crossed worlds, channeled gods, and accepted her place as a day-walking demon. She's lost friends and lovers and family, and an old enemy has become something much more. But power demands responsibility, and world-changers must always pay a price. That time is now. To save Ivy's soul and the rest of the living vampires to keep the demonic ever after and our own world from destruction, Rachel Morgan will risk everything.

American Demon Kim Harrison, 2021-04-27 A thrilling return to the #1 New York Times bestselling urban fantasy series continuing Rachel Morgan's story. RACHEL MORGAN IS BACK AND THE HOLLOWES WILL NEVER BE THE SAME. What happens after you've saved the world? Well, if you're Rachel Mariana Morgan, witch-born demon, you quickly discover that something might have gone just a little bit wrong. That the very same acts you and your friends took to forge new powers may have released something bound by the old. With a rash of zombies, some strange new murders, and an exceedingly mysterious new demon in town, it will take everything Rachel has to counter this new threat to the world, and it may demand the sacrifice of what she holds most dear.

Trouble with the Cursed Kim Harrison, 2022-06-14 Rachel Morgan must keep her friends close and her enemies closer in the next Hollows novel from #1 New York Times bestselling author Kim Harrison. Rachel Morgan, witch-born demon, has one unspoken rule: take chances, but pay for them yourself. With it, she has turned enemies into allies, found her place with her demon kin, and stepped up as the subrosa of Cincinnati, responsible for keeping the paranormal community at peace and in line. Life is good. Even better, her best friend Ivy Tamwood is returning home. Nothing's simple, though, and Ivy's not coming alone. The vampires' ruling council insists she escort one of the long undead hell-bent on proving that Rachel killed Cincy's master vampire to take over the city. Which, of course, Rachel totally did not do. She only transformed her a little. With Rachel's friends distracted by their own lives and problems, she reaches out to a new ally for help: the demon Hodin. But this trickster has his own agenda. In the end, the only way for Rachel to save herself and the city may be to forge a new understanding with her estranged demon teacher, Al. There's just one problem: Al would sell his own soul to be rid of her.

Hollows series with The Turn the official prequel to the series that will introduce you to a whole new side of Rachel Morgan s world as they ve never seen it before Can science save us when all else fails Trisk and her hated rival Kal have the same goal save their species from extinction But death comes in the guise of hope when a genetically modified tomato created to feed the world combines with the government s new tactical virus giving it an unexpected host and a mode of transport Plague rises giving the paranormal species the choice to stay hidden and allow humanity to die or to show themselves in a bid to

save them Under accusations of scientific misconduct Trisk and Kal flee across a plague torn United States to convince leaders of the major paranormal species to save their supposedly weaker kin but not everyone thinks humanity should be saved and Trisk fights the prejudices of two societies to prove that not only does humanity have something to offer but that long accepted beliefs against women dark magic and humanity itself can turn to understanding that when people are at their worst that the best show their true strength and that love can hold the world together as a new balance is found White Witch, Black Curse Kim Harrison,2010-04-15 The 7th stirring instalment of the urban fantasy thriller series starring Rachel Morgan A pacey and addictive novel of sexy bounty hunting witches cunning demons and vicious vampires Genreflecting Diana Tixier Herald,Samuel Stavole-Carter,2019-05-24 Librarians who work with readers will find this well loved guide to be a treasure trove of information With descriptive annotations of thousands of genre titles mapped by genre and subgenre this is the readers advisor s go to reference Next to author genre is the characteristic that readers use most to select reading material and the most trustworthy consideration for finding books readers will enjoy With its detailed classification and pithy descriptions of titles this book gives users valuable insights into what makes genre fiction appeal to readers It is an invaluable aid for helping readers find books that they will enjoy reading Providing a handy roadmap to popular genre literature this guide helps librarians answer the perennial and often confounding question What can I read next Herald and Stavole Carter briefly describe thousands of popular fiction titles classifying them into standard genres such as science fiction fantasy romance historical fiction and mystery Within each genre titles are broken down into more specific subgenres and themes Detailed author title and subject indexes provide further access As in previous editions the focus of the guide is on recent releases and perennial reader favorites In addition to covering new titles this edition focuses more narrowly on the core genres and includes basic readers advisory principles and techniques **Totality** Kim Harrison,2024-07-09 After a solar eclipse opens a way between our world and a paranormal realm and the dark side of first contact emerges one woman s loyalties will be tested in this gripping serialized adventure from the 1 New York Times bestselling author of the Hollows series Dr Renee Caisson never expected that her scientific expertise would lead to a role playing interpreter between humans and the demonic looking Neighbors When the door between their worlds opened she was drafted by the government to study the otherworldly beings and was able to prove her theory the Neighbors had been to Earth before and now they simply wanted to save their dying planet At least that s the story and everyone both human and Neighbor is sticking to it The Neighbor in charge of the new portal s operation Noel isn t that sure anymore Having succeeded in finding a new planet to inhabit the leaders of her world have made the dark truth of their existence clear to her the Neighbors forcibly tried to make a foothold on Earth in the past and they can t afford to fail again But the Neighbors ability to magically teleport from place to place has convinced Major Jackson that the only way to keep control of the situation is to embrace it and tell the world of the Neighbors existence Unfortunately not everyone agrees First Contact Kim Harrison,2024-07-02 In the wake of the solar

eclipse a portal between our world and a paranormal realm opens and a scientist's life will never be the same in this thrilling serialized adventure from the New York Times bestselling author of *The Hollows* Dr Renee Caisson knows there are worse things than an attractive man in uniform drafting her into a secret government project especially when Major Jackson makes it clear that he isn't bothered by her questionable past But when her labs come back with decidedly odd results the Major is forced to come clean over who the government is actually studying Renee is shocked to learn her subjects are demonic looking beings who call themselves Neighbors refugees from a dying world who arrived during the nation wide solar eclipse The Neighbors technology is unlike anything Renee's ever encountered At first she dismisses an injury that inexplicably heals as just one of those things And surely August the most gregarious Neighbor begins to speak English overnight because of the team linguist's skills Not until August begins evolving in real time to withstand Earth's brighter dryer atmosphere does she admit that the Neighbors tech feels less like science and more like magic the same magic that brought them here in the first place and the same they're trying to rekindle with a mysterious labyrinth in order to return home and save their world At least that's what August claims they came for

Three Kinds of Lucky Kim Harrison, 2025-02-04 Luck is its own kind of magic in this first book in an electrifying new contemporary fantasy series from the author of the 1 New York Times bestselling *Hollows* novels Petra Grady has known since adolescence that she has no talent for magic and that's never going to change But as a sweeper first class she's parlayed her rare ability to handle dross the damaging magical waste generated by her more talented kin's spells into a decent life working at the mages university Except Grady's relatively predictable existence is about to be upended When the oblivious sexy and oh so out of reach Benedict Strom needs someone with her abilities for a research project studying dross and how to render it harmless she's stuck working on his team whether she wants to or not But Benedict doesn't understand the characteristics of dross like Grady does After an unthinkable accident she and Benedict are forced to go on the run to seek out the one person who might be able to help an outcast exiled ten years ago for the crime of using dross to cast spells Now Grady must decide if she will stick with the magical status quo or embrace her own hidden talents and risk shattering their entire world
