The top half shows the city as it appears in reality, with a dark, stormy sky. The bottom half is an inverted version of the city, appearing to be upside down, with a bright, hazy sky. The title 'THE UPSIDE-DOWN' is written in a simple, white, sans-serif font across the middle. Below it, the word 'KINGDOM' is written in large, stylized, block letters that are colored in a gradient from orange to yellow.

DONALD B. KRAYBILL, 2003 **Pilgrim Practices** Kristopher Norris, 2012-03-19 Despite a wealth of literature on the missional church and missional living few resources help Christians and churches think through what it means to be disciples of Jesus Christ and what specific practices help cultivate lives of discipleship Written from with and for the church **Pilgrim Practices** Discipleship for a Missional Church introduces Christian practices from the Letter of James to help guide Christians and churches in their journey of discipleship This book frames discipleship in a way that has been largely abandoned in modern congregational literature as fundamentally an issue of identity an identity that is necessarily formed and practiced in and with the church community It is a lifestyle that cannot be lived on one's own Discipleship ultimately means engaging with others on a journey of faith sustained and cultivated through certain practices pilgrim practices The practices examined in this book develop and direct the risky pilgrim journey of Christians transforming pilgrims into disciples as the Body of Christ who participate with God in God's mission in the world In this time of transient identities individualist impulses and fleeting commitments this book offers specific practices to help Christians form their identity as disciples and to help Christian communities live their calling as the pilgrim Body of Christ in the world Creative Intelligence Franc Ponti Roca, Lucía Langa García, 2013-12-05 Many people consider themselves intelligent but not many do the same concerning creativity Those who think themselves creative are very few Why This book discovers the relationship between intelligence and creativity but mostly it presents several practical ways to develop our creativity so we may reinvent ourselves in difficult times You will find 7 strategies to develop your creative intelligence Take time to think Challenge conventionalisms Connect with others Work creatively Understand emotions and transform them into creations Do what you like Learn to collaborate The book also includes a method to manage creativity using the body emotions and language *Subversive Jesus* Craig Warren Greenfield, 2016-04-26 When Jesus left the most exclusive gated community in the universe to come live with the people he loved and gave his life for he turned everything we know and believe about life on its head Jesus said that he came to bring good news to the poor but most Western Christians remain disconnected and isolated from the poor and their contexts of injustice Even our churches echo society's pressure to isolate ourselves from the margins e.g. by moving to a better suburb and instead teach us how to be nice people who worship a nice Jesus and don't disrupt the status quo Convinced that Jesus places love for the poor and the pursuit of justice central Craig Greenfield has sought to follow in Christ's footsteps by living among people at the edges of society for the last fourteen years His quest to follow this Subversive Jesus has taken Craig and his young family from the slums of Asia to inner city Canada and back again This is the story of how Jesus led them to the margins initiating the Pirates of Justice flash mobs sharing their home with detoxing crackheads welcoming homeless panhandlers and prostitutes to the dinner table and ultimately sparking a movement to reach the world's most vulnerable children This book is a strong and potentially controversial critique of the status quo too often found in our

churches but it offers an inspirational and hopeful vision of another way While readers may not relocate to a slum they will certainly come to view their lives and ministry through a fresh lens reconsidering how they are uniquely called by Jesus to subversively love the poor and break down systems of injustice in their sphere of influence **Kingdom First** Robert Roxburgh,2025-03-27 We live in difficult times for both the culture and the church Believers can find fulfillment and assurance by endeavoring to follow the call of Jesus in Matt 6 33 to seek first God s Kingdom and His righteousness This book is full of stories that indicate ways in which believers can be helped to live as Jesus proposes Such a life is not easy and everyone faces struggles but it is worthwhile In God s kingdom believers experience new values caring community vibrant worship and leadership in various forms which grow out of Christian character Whatever the chaos of the present world believers can live truthfully hopefully compassionately and with a listening ear to the needs of the world around us *The Invisible King and His Kingdom* John Eckhardt,2011-07-05 The Kingdom of God Is Near During His ministry on earth Jesus repeatedly talked about explained and defined the kingdom of God When He announced that the kingdom was at hand it was the turning point in human history But what did He mean And how does it apply to our families and our communities today In *The Invisible King and His Kingdom* John Eckhardt presents the good news about God s promises for our world and how to obtain them Challenging the negative worldview of many Christians he explains the realities of the kingdom of God that is here now and gives answers to important questions such as What are the signs of the kingdom of God How do we walk in and access this kingdom How do we live in this kingdom How do we operate in the power and the authority of this kingdom The kingdom of God has been forcefully advancing since the days of John the Baptist and it is still advancing today Discover how to seize the kingdom for healing deliverance and faith and how to demonstrate authority over the powers of darkness

What on Earth? Barney Wiget,2022-04-28 In his most famous Sermon Jesus announces a Kingdom so counterintuitive that it appears upside down in contrast to conventional wisdom By prescribing both a revolutionary personal piety and a radical social possibility he teaches us how to become better people who in turn make the world better His vision for a countercultural Kingdom challenges our engagement with contemporary culture morally socially and even politically The impact of this Kingdom on the earth as it is in heaven with a view to partnering with Jesus in his venture to nudge the world toward its intended design is the focus of this compelling treatment of the Sermon By a lifestyle of holy nonconformity shaped by the Blessed Attitudes Beatitudes Jesus commissions his prophetic community to embody a social alternative that the world cannot imagine on its own and to foment a humble and loving cultural shift where the privileged and powerless flourish together in peace and justice As previews of the coming attractions when Christ will return and reign as King over a new heaven and earth Kingdom citizens work toward initiating such a world on earth as it is in heaven today *The Ridiculously Wacky Adventures of Princess Penelope* Evelyn Wrenwood,2023-08-12 Join Princess Penelope on a whimsical journey through a kingdom filled with enchanting adventures In this delightful collection of 20 magical chapters young

Organic Leadership Neil Cole, 2010-02-01. Is it possible that the division between the clergy and the laity is unnecessary and in fact harmful to the church? In *Organic Leadership*, Neil Cole fervently says yes and shows how this causes great harm to all. But rather than doing away with the clergy, Cole argues that the answer is to raise up organically grown leaders from ordinary Christians and make everyone a priest. Using examples from modern cinema, personal experience, and the Bible, Cole sets out to change our view of what a leader is and how one is formed. This fresh and revolutionary alternative will transform readers and equip them to challenge themselves and others to find the vision God has for them. Now available in trade paper.
