American Mythmaker Mark J. Dworkin, 2015-02-27 Billy the Kid Wyatt Earp and Joaquin Murrieta are fixed in the American imagination as towering legends of the Old West But that has not always been the case There was a time when these men were largely forgotten relics of a bygone era Then in the early twentieth century an obscure Chicago newspaperman changed all that Walter Noble Burns 1872-1932 served with the First Kentucky Infantry during the Spanish American War and covered General John J Pershing's pursuit of Pancho Villa in Mexico as a correspondent for the Chicago Tribune However history making these forays may seem they were only the beginning In the last six years of his life Burns wrote three books that propelled New Mexico outlaw Billy the Kid Tombstone marshal Wyatt Earp and California bandit Joaquin Murrieta into the realm of legend Despite Burns's remarkable command of his subjects based on exhaustive research and interviews he has been largely ignored by scholars because of the popular even occasionally fictional approach he employed In *American Mythmaker* the first literary biography of Burns Mark J Dworkin brings Burns out of the shadows Through careful analysis of *The Saga of Billy the Kid* 1926 *Tombstone An Iliad of the Southwest* 1927 and *The Robin Hood of Eldorado The Saga of Joaquin Murrieta* 1932 and their reception Dworkin shows how Burns used his journalistic training to introduce the history of the American West to his era's general readership In the process Burns made his subjects household names Are Burns's books fact or fiction Was he a historian or a novelist Dworkin considers these questions as he uncovers the story behind Burns's mythmaking works A long overdue biography of a writer who shaped our idea of western history *American Mythmaker* documents in fascinating detail the fashioning of some of the greatest American legends
