## **The Vineyard Of The Nietzschean Priest:**

*The Vineyard of the Nietzschean Priest* Eamon Kiernan, 2010-09-01 He was Michael Cremin Priest of himself A story of power mistrust and darkness of soul A young theology student follows his own singular path in a career with the Church Dubbed Michael the Cruel he strides up through the ranks to become almost all powerful But is one ever truly master of his own destiny A stunning expose of the male dominated priesthood an elegant tale of deception blood and regret with surprising moments of gentility Kiernan writes in an elegant style disclosing the most poignant life dramas with cool honesty

*Body and Identity* Angela Franks, 2025-08-15 Angela Franks provides a sweeping intellectual history of identity particularly in terms of how identity relates to the body with an emphasis on the importance of Christianity to this understanding Modern questions about our bodies and how we see ourselves are often complex and problematic To better answer these contemporary questions and navigate identity politics Angela Franks seeks to provide a better understanding of identity She begins by giving three basic meanings of the term identity through time the true or authentic self and our awareness of ourselves She engages with thinkers from antiquity to present day and investigates the decisive developments that Christianity provided Within Christianity came a new awareness of the distinctive individuality of each person the true self called by God in a way that often breaks away from the solid or fixed structures of identity formation such as family class and nation This more liquid idea of identity continues to evolve in modern times though without its theistic emphasis on God's call The result is a purely liquid self that consists of consciousness and activity but without a grounded self that is either the object or the subject of consciousness This is the empty self we have today one that is given much more to do and less to be A comprehensive history of identity *Body and Identity* brings the theological history of the self to the forefront in order to address the empty self and how identity is defined today

**Jesus or Nietzsche** Raymond Angelo Belliotti, 2013 This book reconstructs the cornerstones of Jesus's moral teachings about how to lead a good even exemplary human life It does so in a way that is compatible with the most prominent competing versions of the historical Jesus The work also contrast Jesus understanding of the best way to lead our lives with that of Friedrich Nietzsche Both Jesus and Nietzsche were self consciously moral revolutionaries Jesus refashioned the imperatives of Jewish law to conform to what he was firmly convinced was the divine will Nietzsche aspired to transvalue the dominant values of his time which themselves were influenced greatly by Christianity in service of what he took to be a higher vision The interplay of these radical versions of the good human life seasoned with critical commentary emerging from modern findings in the sciences and humanities opens possibilities and lines of inquiry that can inform our choices in answering that enduring paramount question How should we live our lives

**Nietzsche** Lucas Murrey, 2015-03-25 In this book author Lucas Murrey argues that the thinking of the modern German philosopher Friedrich Nietzsche 1844 1900 is not only more grounded in antiquity than previously understood but is also based on the Dionysian spirit of Greece which scholars have still to confront This book demonstrates that Nietzsche's philosophy is unique within Western thought as it retrieves the politics of a Dionysiac model and language to challenge the alienation of humans from nature and one another Murrey develops here a new picture of Greece reminding readers how money emerged and rapidly developed in Greece during the sixth century B C E The event of monetization created the new art form of tragedy money tyrants struggling against the forces of earth and communities who consequently suffered isolation blindness and death As Murrey points out Nietzsche unconsciously retrieves the battle among money nature and community and adapts its lessons to our time Additionally Nietzsche's philosophy not only adapts the wisdom of Dionysus to question the unlimited glow and fuel of a ponderous herd of money tyrants today but it also draws attention to Greece's warnings about the lethal danger of the eyes in myth cult and theatre This work introduces a much needed vision of Nietzschean thought and it emphasizes the relevance of an interdisciplinary approach combining philosophy with literary studies and psychology with religious and visual media studies When applied to our present circumstance the approach of

Will Humanity Survive Religion? W. Royce Clark, 2020-06-22 When the human sciences in the West followed the physical sciences in the 18th and 19th centuries with new measurements methods and language the metaphysics of infinity lost its credibility

The response of Western religions was to retrench in a stronger authoritarianism especially by the last half of the 19th century While the new human sciences were being extended even to study the history and philosophy of religions those religions themselves placed more emphasis on their understanding of the Absolute or Unquestionable That split became a burden both to those who were religious and to those who were not Here W Royce Clark argues that humanity s survival may depend on the development of a universal or inclusive ethic in which religions move beyond their Absolutes Clark poses the sharp challenge Are religious communities ready to abandon the foundations that until now they have insisted were the only adequate foundation for ethics
