seek His face and listen If God were trying to speak to you right now what would He say Do you know how much I love you Do you trust Me Come to Me come back Come quickly and follow Me Do not look to the right or to the left Keep your eyes on Me I believe God in one way or another speaks to us daily if we learn how to communicate with Him You want to just dismiss it right I can hear you saying God only spoke to people in the Bible I don t believe God uses a burning bush or angel every time He wants to convey a message God is everywhere He can communicate in in any way and as often as He chooses However who says God spoke to them these days They are either lying or crazy Well I say to you okay have it your way and don t believe Then don t be surprised when you dream about something totally odd one night and can t help but wonder if it was just a dream or a message from God trying to talk to you If he can t get your attention one way He will get it another Do yourself a favor and pay attention the first time Why is He speaking to us Freedom All The Way Up Christian J.

Barrigar,2017-05-19 Freedom All The Way Up proposes four intertwined elements that make up the meaning of life self worth purpose identity and hope Materialism atheism claim the universe has no meaning so there is no larger purposeful story into which we can place ourselves we are left on our own to construct meaning for our lives Barrigar argues though that the universe possess God s meaning and purpose to provide the space and conditions by which to bring about the existence of agape capable beings in agape loving relationships with God and with others In effect the universe is a great freedom system designed by God with freedom built in all the way up from the Big Bang to the emergence of big brains and free will Barrigar describes the emergence of this system through his novel agape probability account of God s design for the universe which integrates such disciplines as quantum physics statistical mechanics probability theory evolutionary psychology neuroscience and game theory This system sets up the conditions for a fundamental choice between autonomous freedom which focuses principally on self and agapic freedom which focuses principally on God and on others Materialism chooses autonomous freedom but thereby introduces nihilism into each of the elements of meaning In turns out that nihilism is a much greater problem for Materialism than suffering is for Theism In contrast agapic freedom infuses self worth purpose identity and hope with God s agape love dispelling Materialism s inherent nihilism Freedom All The Way Up provides a dramatic new proposal for God and the meaning of life in our scientific and humanist age A Place for Every... One Rose Gardunio,2018-07-24 Have you ever felt like you do not belong here Like this world is not your home If so you will identify with the author as she shares deep questions she pondered from childhood After a series of tragic events followed by years of grief Rose finds answers given by the Lord that are both comforting and encouraging The Lord imparts these insights using the analogy of each of our lives to our heavenly home Although all homes have similar rooms with similar purposes their design and furnishings are different In the same way many lessons are universal yet we are still each unique and in need of the Lord s words spoken to us individually Throughout this book Rose shares universal lessons while encouraging others to seek God s words to them alone The good news given to all of us is that in God s kingdom there is a place for every one

The Transforming Fire of Divine Love John H. Armstrong, 2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe *Be Ye Transformed* Chuck Missler, Nancy Missler, 1996-05 *Be Ye Transformed* is a must read for anyone who wants to see a positive change in their Christian walk it not only teaches us how to make every thought captive renew our minds and put on the Mind of Christ it also contains an expansion of Nancy's original model of the human personality i e the hidden chambers which she meticulously crafted from the scriptural pattern of Solomon's Temple Practical field tested examples from years of ministry makes *Be Ye Transformed* a classic Christian work William P Welty M DIV **Knowing God's Will** Gary Alan Burch, 2016-12 The Christians I come in contact with almost unanimously want to know God's will for their lives They often struggle sometimes heart wrenchingly to grab on to what God wants them to do The questions of how to know God's will continually come up in Bible studies in Sunday school in pastor's messages to the congregation and in various other ways People seem to be continually searching for God's will but not really finding it So the question begs to be asked why is it so hard to know God's will Why is there such a struggle In actuality God has made it easier for us than you probably realize God has given us such a golden opportunity to know him more personally than any other generation before Christ God does not want us to struggle to know Him and His will Find how to strengthen your relationship with God understand what He says His will is and find where God is leading **Visions of Agapé** Craig A. Boyd, 2008 This book brings together philosophical and theological perspectives on agapistic love The aim of the text is to illuminate the nature of unlimited love by distinct and integrative approaches to the intersection of the divine and the human Various scientific approaches to human forms of love seem to shed light on our nature as social beings But to what extent are the natural desires for affection sexual love and friendship augmented revised perfected or replaced by the gift of grace In other words we can ask how is it that agap modifies or shapes the natural loves To date there is no text available that brings scholars from various theological and philosophical backgrounds together to engage in interdisciplinary dialogue on this important and much neglected aspect of research into the human and divine loves This book offers a significant attempt to remedy the situation *Loving Through*

The Nature of Love Thomas Jay Oord, 2010-04-01 God is love Consequently shouldn't love exist at the center of Christian theology When love is at the center theology is understood differently than it has typically been understood Some theologians have placed faith at the center others God's sovereignty still others the Church but Dr Oord places the emphasis on love God's love for us revealed in Christ in the Church and in creation and our love for God and others as ourselves must be afforded its rightful place Beginning with the foundation of love is what differentiates the Christian faith from others a loving God Dr Oord defines love as To love is to act intentionally in sympathetic empathetic response to God and others to promote overall well being Is this not what has defined Christians throughout history
