Sufism and Zen in the West

Saeko Yazaki,Michael Conway,2025-02-20 Historically and culturally Sufism and Zen may not seem to have anything in common However in the West their spiritual messages are often perceived as strikingly similar In this book scholars analyse the ways in which Sufism and Zen were introduced to and developed in the West The collection shows that the popularity of these religions arose not because of the substantive shared elements within the two traditions but because their promoters in the West employed similar strategies to respond to the interests of a modern Western audience The first book to make a close comparison of Sufism and Zen this study is an important contribution to understanding Western religious life and processes of easternisation It sheds new light on how Sufism and Zen came to represent a spirituality that is both countercultural and in touch with modern sensitivities

The Way of

Illumination Inayat Khan,1960 The Sufi Message of Hazrat Inayat Khan Inayat Khan,1960 The Sufi Message Volume 9 Hazrat Inayat Khan,2009-01-01 The Unity of Religious Ideals may lead you straight on the path to your ideal discover for you the religion in whatever form it may appear waken in yourself the longing for the Light and the Goal and thus you may find the Self like a pearl hidden in the shell of your heart In six parts the whole field of religion is covered from the point of view of the mystic the philosophy of religion the concept of God and the God ideal the spirit of guidance and the spiritual hierarchy

then various religions and messengers are discussed followed by a presentation of some religious symbols and their explanation Finally the concept of the divine message is presented followed by an exposition of the role of universal Sufism and what contribution it can give to the development of the individual and of humanity at large All Religions are essentially one since there is only one God and one truth it cannot be otherwise This is one of the principal tenets of Sufism and is one of the most important elements of Hazrat Inayat Khan s message Luzac's Oriental List and Book Review ,1923 The Theosophist ,1927 *The Sufi Message of Hazrat Inayat Khan: The Way of Illumination* Hazrat Inayat Khan,2020-09-28 The Sufi understands that although God is the source of all knowledge inspiration and guidance yet man is the medium through which God chooses to impart His knowledge to the world He imparts it through one who is a man in the eyes of the world but God in his consciousness It is the mature soul that draws blessings from the heavens and God speaks through that soul Although the tongue of God is busy speaking through all things yet in order to speak to the deaf ears of many among us it is necessary for Him to speak through the lips of man He has done this all through the history of man every great teacher of the past having been this Guiding Spirit living the life of God in human guise In other words their human guise consists of various coats worn by the same person who appeared to be different in each Shiva Buddha Rama Krishna on the one side Abraham Moses Jesus Muhammad on the other and many more known or unknown to history always one and the same person Those who saw the person and knew Him recognized Him in whatever form or guise those who could only see the coat went astray To the Sufi therefore there is only one Teacher however differently He may be named at different periods of history and He comes constantly to awaken humanity from the slumber of this life of illusion and to guide man onwards towards divine perfection As the Sufi progresses in this view he recognizes his Master not only in the holy ones but in the wise in the foolish in the saint and in the sinner and has never allowed the Master who is One alone and the only One who can be and who ever will be to disappear from his sight The Persian word for Master is Murshid The Sufi recognizes the Murshid in all beings of the world and is ready to learn from young and old educated and uneducated rich and poor without questioning from whom he learns Then he begins to see the light of Risalat the torch of truth which shines before him in every being and thing in the universe thus he sees Rasul his Divine Message Bearer a living identity before him Thus the Sufi sees the vision of God the worshipped deity in His immanence manifest in nature and life now becomes for him a perfect revelation both within and without **Contemporary Sufism** Meena Sharify-Funk,William Dickson,Merin Shobhana Xavier,2017-12-22 What is Sufism Contemporary views vary tremendously even among Sufis themselves Contemporary Sufism Piety Politics and Popular Culture brings to light the religious frameworks that shape the views of Sufism s friends adversaries admirers and detractors and in the process helps readers better understand the diversity of contemporary Sufism the pressures and cultural openings to which it responds and the many divergent opinions about contemporary Sufism s relationship to Islam The three main themes piety politics and popular culture are explored in relation to the Islamic and

Western contexts that shape them as well as to the historical conditions that frame contemporary debates This book is split into three parts Sufism and anti Sufism in contemporary contexts Contemporary Sufism in the West Poetic influences and popular manifestations Gendering Sufism Tradition and transformation This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam gender and the West It offers an ideal starting point from which undergraduate and postgraduate students teachers and lecturers can explore Sufism today *Subject Guide to Books in Print* ,1996 *The Muslim World Book Review* ,1992 **Herald of the Star** ,1922 *Luzac & Co.'s Oriental List* ,1921 UNE TERRE D'ÉMERAUDE Felicia Norton,Charles Smith,2020-09-28 Une Terre d'éméraude c'est une spiritualité naturelle enracinée dans la vie quotidienne Puisant dans les enseignements universels du maître soufi Hazrat Inayat Khan sur le moi naturel cet ouvrage nous invite à nettoyer le miroir du cœur et restaurer la connexion profonde avec toute la création Il compare le développement de notre terre au processus de la culture d'un champ ou d'un jardin pour y produire de la nourriture Notre état naturel résonne avec la Nature il est réceptif à la beauté et à la créativité de l'expression en perpétuelle quête d'harmonie dans nos vies Incorporation des pratiques de méditation de riches histoires édifiantes et de la poésie des traditions mystiques soufies bouddhiques et autres Une Terre d'éméraude affirme le pouvoir infini du cœur montrant la voie vers un monde meilleur et une spiritualité fondée sur le service toute la vie
