The Word Became Flesh A Contemporary Incarnational Christology

Timothy George, David S. Dockery

The Word Became Flesh A Contemporary Incarnational Christology:

The Word Became Flesh Millard J. Erickson, 1991 A respected author offers this detailed well documented exploration of the person of Christ that is accessible for laypersons and stimulating for academics Top notch reading **The Word Made Flesh** Ian A. McFarland, 2019-09-03 Most theologians believe that in the human life of Jesus of Nazareth we encounter God Yet how the divine and human come together in the life of Jesus still remains a question needing exploring The Council of Chalcedon sought to answer the question by speaking of one and the same Son our Lord Jesus Christ the same perfect in divinity and also perfect in humanity the same truly God and truly a human being But ever since Chalcedon the theological conversation on Christology has implicitly put Christs divinity and humanity in competition While ancient and not so ancient Christologies from above focus on Christs divinity at the expense of his humanity modern Christologies from below subsume his divinity into his humanity What is needed says Ian A McFarland is a Chalcedonianism without reserve which not only affirms the humanity and divinity of Christ but also treats them as equal in theological significance To do so he draws on the ancient christological language that points to Christs nature on the one hand and his hypostasis or personhood on the other And with this McFarland begins one of the most creative and groundbreaking theological explorations into the mystery of the incarnation undertaken in recent memory **Infinite Risk Theology** Stefano Salemi, 2025-03-19 Could God s Son incarnate sin Could the tomb have remained closed Could the story have gone differently More precisely could God s Son be eternally separated from the Father s communion and eventually die and go out of existence Mainstream theology often argued for Christ s impossibility to change immutability be separated from the triune God indivisibility and sin impeccability Consequently there was no potential risk to his life his death on the cross could not affect in any form his divine life Would the cross not need instead a risk to be a sacrifice Here is where the question finds its raison d tre Could God s Son risk his eternal existence losing himself forever with all humankind This question is rarely considered or often neglected in Christological debates Ellen G White a woman among the most prolific nineteenth century authors and a prominent Adventist theologian delves into what she calls the infinite risk the potential reality of the death of God the Son Drawing on her extensive writings this book analyses White s Christology Incarnational model and views of the Godhead and of what could have happened at the cross cutting new paths in the comprehension of God s love while challenging conventional theological paradigms **Revisiting Jesus Christ's Continuing Humanity** Patrick Nasongo Ph.D., 2022-09-12 Most readers are familiar with Jesus deity and His humanity while He was here on the earth but they seldom consider the fact of His continuing humanity Dr Nasongo investigates the insufficient treatment of this subject from the time of the Apostolic Fathers to the present and then he presents the biblical evidence for Christ s continuing humanity In the process he demonstrates its relationship to apologetics hermeneutics and systematic theology with a special emphasis on eschatology *Systematic Theology, Second Edition* Wayne A. Grudem, 2020-12-08 This new edition of Systematic Theology by Wayne Grudem is one of

the most important resources for helping you understand Scripture and grow as a Christian The most widely used resource of the last 25 years in its area Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field clear explanations an emphasis on each doctrine s scriptural basis and practical applications to daily life With nearly 250 pages of new content and revisions this new edition now includes the following distinctive features Updated analysis of recent controversies within evangelical theology including the eternal relationship between the Father and the Son in the Trinity the role of women in the church miraculous gifts of the Holy Spirit and contemporary worship music New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology such as open theism the new perspective on Paul Molinism or middle knowledge Free Grace theology and the preterist view of Christ s second coming Completely revised chapter on the clarity of Scripture Completely revised chapter on creation and evolution including a longer critique of theistic evolution and an extensive discussion on the age of the earth New discussion of how biblical inerrancy applies to some specific problem verses in the Gospels Additional material explaining evangelical Protestant differences with Roman Catholicism Protestant liberalism and Mormonism Completely updated bibliographies All Scripture quotations updated from RSV to ESV Updated section on contemporary worship music Numerous other updates and corrections Part of the brilliance of Systematic Theology has been its simplicity and ease of use Each chapter follows the same structure discussion of the doctrine being considered an explanation of that doctrine s biblical support and possible objections followed by personal application and key terms to know for personal growth Chapters also include a Scripture memory passage references to other literature on the topic and suggested hymns and worship songs If you think theology is hard to understand or boring then this new edition of Systematic Theology will change your mind

Theologians of the Baptist Tradition Timothy George, David S. Dockery, 2001-05-15 A resource for pastors students and teachers to discover Baptist contributions to Christianity s theological heritage

Son of God by Divine Hereditary Methodology George Natar, 2022-10-01 This book proposes a methodology for the conception of Jesus by a human mother and a divine father The method makes use of scientific genetic processes which operate in the conception of any human being but with a divine contribution Various currently held theories of methods by which Jesus appeared on earth are shown to lack evidence Arising from this method Jesus sonship from God is proposed to have been literal and not metaphorical as is suggested by current theology Therefore Jesus is presented in this writing as the literal son of God being both human and divine As such he was the unique and suitable offering to God to make atonement for the obvious wrong doing of human beings If this methodology is correct the way a trinity of divine persons may be perceived is suggested

Lord Jesus Christ Daniel Treier, 2023-10-31 A study of the doctrine of Christ that is biblical and historical evangelical and ecumenical conceptually clear and contextually relevant Lord Jesus Christ expounds the doctrine of Christ by focusing upon theological interpretation of Scripture regarding Jesus s identity The book s structure traces a Christological arc from

the eternal communion of the Triune God through creation covenants Incarnation passion and exaltation all the way to the consummation of redemptive history This arc identifies Jesus as the divine Lord who assumed human flesh for our salvation The book expounds and defends a classically Reformed Christology in relation to contemporary contexts and challenges engaging both philosophical and global concerns Each chapter begins with the theological interpretation of a key Scripture text before expounding key concepts of orthodox Protestant Christology Lord Jesus Christ is a unique example of writing dogmatic theology by way of theological exegesis The result is a volume that engages the numerous scholarly volumes on Christology that have appeared within the last couple of decades but provides a contemporary account of a traditional view About the Series New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer s Studies in Dogmatics this series will provide thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church s historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers

Christian Theology and African Traditions Matthew Michael, 2013-05-21 Christian theology is increasingly recognized to be now a non western enterprise since the high concentrations of Christians in the world are no longer found in the Western societies Christian Theology and African Traditions takes seriously this present recognition of the southward movement of Christianity from the western world to a non western setting It seeks to reposition Christian theology and faith to engage the African traditions in classical category of theology proper bibliology anthropology Christology pneumatology soteriology ecclesiology and eschatology and provides unique insights and problems that these classical and systematic categories poses to African Christianity Similarly it provides theological blueprint for non Africans who are interested in knowing the nature and shape of the Christian theology in non western settings Consequently Christian Theology and African Traditions goes beyond the mere criticism of Western misrepresentation of African traditions to seeing how the Christian theology in its systematic character engages the African traditions With this methodological template the work describes in the space of twelve chapters the different classical teachings of the Christian faith on God scriptures spirits and demons the nature of the human person the persons of Christ salvation the Holy Spirit the church and the future life in dialogue with some specific traditions of the African people

Historical Theology Gregg Allison, 2011-04-19 Historical Theology presents the key pillars of the contemporary church and the development of those doctrines as they evolved from the history of Christian thought Most historical theology texts follow Christian beliefs in a strict chronological manner with the classic theological loci scattered throughout various time periods movements and controversies making for good history but confusing theology This companion to the classic bestseller Systematic Theology is unique among historical theologies Gregg

Allison sets out the history of Christian doctrine according to a topical chronological arrangement one theological element at a time instead of committing to a discussion of theological thought according to its historical appearance alone This method allows you to Contemplate one tenet of Christianity at a time along with its formulation in the early church through the Middle Ages Reformation and post Reformation era and into the modern period Become familiar with the primary source material of Christian history s most important contributors such as Cyprian Augustine Aquinas Luther Calvin Barth and others Understand the development of evangelical doctrine with a focus on the centrality of the gospel Discern a sense of urgent need for greater doctrinal understanding in the whole church Historical Theology is an easy to read textbook for any Christian who wants to know how the church has come to believe what it believes today Gregg Allison s clear and concise structure make this resource an ideal introduction to Christian doctrine

Evidence That Demands a Verdict Josh McDowell, Sean McDowell, 2017-10-03 Everything you need to effectively defend the truths of the Bible and the beliefs of the Christian faith Winner of the 2018 ECPA Christian Book award for Bible Reference Works The truth of the Bible doesn t change but its critics do Now with his son Sean McDowell speaker and author Josh McDowell has updated and expanded the modern apologetics classic for a new generation Evidence That Demands a Verdict provides an expansive defense of Christianity s core truths rebuttals to some recent and popular forms of skepticism and insightful responses to the Bible s most difficult and misused passages It invites readers to bring their doubts and doesn t shy away from the tough questions Topics and questions are covered in four main parts Evidence for the Bible Evidence for Jesus Evidence for the Old Testament Evidence for Truth Also included you ll find An introduction about the biblical mandate to defend one s faith and why our faith is built on facts A prologue describing why we live in a theistic universe A closing response to the specific challenges of atheist New Testament scholar Bart Ehrman Two reflections How to Know God Personally and He Changed My Life Serving as a go to reference for even the toughest questions Evidence that Demands a Verdict continues to encourage and strengthen millions by providing Christians the answers they need to defend their faith against the harshest critics and skeptics Here s a treasure trove of apologetic gems This is an indispensable book that all Christians should keep within reach

Lee Strobel bestselling author of The Case for Christ

Impeccability and Temptation Johannes Grössl, Klaus von Stosch, 2021-04-13 In Christian theology the teaching that Christ possessed both a human and divine will is central to the doctrine of two natures but it also represents a logical paradox raising questions about how a person can be both impeccable and subject to temptation This volume explores these questions through an analytic theology approach bringing together 15 original papers that explore the implications of a strong libertarian concept of free will for Christology With perspectives from systematic theologians philosophers and biblical scholars several chapters also offer a comparative theology approach examining the concept of impeccability in the Muslim tradition Therefore this volume will be of interest to scholars and graduate students working in analytic theology biblical scholarship systematic theology and Christian Islamic dialogue

Christian Theology Millard J. Erickson, 2013-08-15 Leading evangelical scholar Millard Erickson offers a new edition of his bestselling textbook now substantially updated and revised throughout This edition takes into account feedback from professors and students and reflects current theological conversations with added material on the atonement justification and divine foreknowledge Erickson's comprehensive introduction is biblical contemporary moderate and fair to various positions and it applies doctrine to Christian life and ministry

Worldviews and Christian Education W. Shipton, 2013-08-14 Christ's instruction to his disciples was to witness to others about his plan of salvation This may be relatively easy when it involves our contemporaries and peers But when we are working with people from a different cultural background or belief system it can be difficult or seemingly impossible In *Worldviews and Christian Education* editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism The emphasis is on educational settings but the sensitivities highlighted and lessons learned are applicable to situations outside this area Leaders pastors teachers and laypersons will find valuable conceptual models practical ideas and bibliographic references presented here *Worldviews and Christian Education* challenges all readers to be faithful to the biblical worldview and to approach everyone with sensitivity so that like the apostle Paul they may reach some

Ephesians Benjamin L Merkle, 2016-08-01 The Exegetical Guide to the Greek New Testament EGGNT closes the gap between the Greek text and the available lexical and grammatical tools providing all the necessary information for greater understanding of the text The series makes interpreting any given New Testament book easier especially for those who are hard pressed for time but want to preach or teach with accuracy and authority Each volume begins with a brief introduction to the particular New Testament book a basic outline and a list of recommended commentaries The body is devoted to paragraph by paragraph exegesis of the Greek text and includes homiletical helps and suggestions for further study A comprehensive exegetical outline of the New Testament book completes each EGGNT volume

Perichoretic Salvation James D. Gifford, 2011-09-15 For two thousand years Christian theologians have struggled to explain the believer's union with Christ What sort of union is it How can it be fully described This book is an attempt to join the conversation to explore exactly what it means to be in union with Christ This book will argue that the believer's union with Christ can rightly be presented as a third type of perichoresis Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other In short the doctrine of perichoresis preserves the unity and diversity within the Godhead It is also used to describe the hypostatic union of the divine and human in Christ In *Perichoretic Salvation* James Gifford argues that the union of the believer and Christ is a relationship of the same kind

though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century

Exegetical Essays, 3rd Edition Don Garlington,2003-10-13 Exegetical Essays is a collection of thirteen biblical studies The purpose of each is to fill a gap in New Testament research or to offer alternate understandings of familiar passages The second edition of these Essays incorporates corrections and updated documentation and presents three new studies The order of the articles follows as closely as possible the canonical biblical text The book commences with a consideration of the biblical theological method followed by an Old Testament essay and then proceeds through the Gospels Paul and Revelation and concludes with review articles of two recent notable books

A Handbook of Theology Dr. Daniel L. Akin,David S. Dockery,Nathan A. Finn,Christopher W. Morgan,2023-04-01 In *A Handbook of Theology* editors Daniel Akin David Dockery and Nathan Finn select nearly fifty contributors in the Baptist and evangelical heritage to lay a biblically informed foundation of a Christian theology for students pastors and church leaders This volume surveys six parts of theology foundations Part 1 types of theology Part 2 history and geography Part 3 Christian doctrine Part 4 the Christian life Part 5 and theology and culture Part 6 Each author centers their theological topics in the Scriptures while also being Trinitarian Christ centered Spirit enabled and mission focused The *Theology for the People of God* series is edited by David S Dockery Nathan A Finn and Christopher W Morgan

A Personal God and a Good World David J. Baggett,Ronnie P. Campbell,2024-11-15 How people understand God has significant implications for their worldview Unlike traditional apologetic approaches that seek to establish God s existence through purely abductive reasoning *A Personal God and A Good World* adopts a more nuanced approach delving into the intricacies of modified classical theism a form of theism that emphasizes God s personal nature Ronnie Campbell and David Baggett a philosopher and a theologian seamlessly blend their expertise to present a comprehensive and engaging examination of this theological framework The book is structured into three distinct parts intended to unravel the complexities of theistic personalism and its implications for morality Part One provides a comprehensive defense of Anselmian theism and its alignment with the concept of moral truths Part Two delves deeper into modified classical theism defending its validity and highlighting its strengths Finally Part Three showcases the relevance of the Triune God of Christian theism in illuminating the moral landscape of our universe Through a series of compelling arguments the authors demonstrate how the Christian understanding of God provides a profound and meaningful explanation for the existence of moral truths and values *A Personal God and A Good World* is an invaluable resource for anyone seeking a deeper understanding of the connection between the Christian view of God and morality Through its rigorous philosophical and theological analysis the book challenges readers to reexamine their own beliefs and consider the profound implications of God s existence in shaping a moral and just world

A Basic Guide to Eschatology Millard J. Erickson,1998-12-01 A

leading evangelical theologian provides a comprehensive examination of the various evangelical views of the millennium and other eschatological subjects
