Traces Of The Jews In The Pardubice Region:

Stopy Židů v Pardubickém kraji Alžběta Langová, Renáta Růžičková, 2018 **The Jews of Bohemia and Moravia**

Livia Rothkirchen, 2006-01-01 Published by the University of Nebraska Press Lincoln and Yad Vashem Jerusalem We were both small nations whose existence could never be taken for granted Vaclav Havel said of the Czechs and the Jews of Israel in 1990 and indeed the complex and intimate link between the fortunes of these two peoples is unique in European history This book by one of the world s leading authorities on the history of Czech and Slovak Jewry during the Nazi period is the first to thoroughly document this singular relationship and to trace its impact both practical and profound on the fate of the Jews of Bohemia and Moravia during the Holocaust Livia Rothkirchen provides a detailed and comprehensive history of how Nazi rule in the Czech lands was shaped as much by local culture and circumstances as by military policy The extraordinary nature of the Czech Jews experience emerges clearly in chapters on the role of the Jewish minority in Czech life the crises of the Munich agreement and the German occupation the reaction of the local population to the persecution of the Jews the policies of the London based government in exile the question of Jewish resistance and the special case of the Terezin Theresienstadt ghetto The Jews of Bohemia and Moravia is based on a wealth of primary documents many uncovered only after the 1989 November Revolution With an epilogue on the post 1945 period this richly woven historical narrative supplies information essential to an understanding of the history of the Jews in Europe *History of the Jews in the Bohemian Lands* Martin Wein, 2015-10-05 In *History of the Jews in the Bohemian Lands* Martin Wein traces the interaction of Czechs and Jews but also of Christian German speakers Slovaks and other groups in the Bohemian lands and in Czechoslovakia throughout the first half of the twentieth century This period saw accelerated nation building and nation cleansing in the context of hegemony exercised by a changing cast of great powers namely Austria Hungary France Nazi Germany and the Soviet Union The author examines Christian Jewish and inner Jewish relations in various periods and provinces including in Subcarpathian Ruthenia emphasizing interreligious alliances of Jews with Protestants such as T G Masaryk and political parties for example a number of Social Democratic ones The writings of Prague s Czech German Jewish founders of theories of nationalism Hans Kohn Karl W Deutsch and Ernest Gellner help to interpret this history *Jewish monuments in Bohemia* Blanka Rozkošná, Pavel Jakubec, 2004 *Prague and Beyond* Kateřina Čapková, Hillel J. Kieval, 2021-08-06 A comprehensive history of the Jews of the Bohemian Lands whose goal is to narrate and analyze the Jewish experience in the Bohemian Lands as an integral and inseparable part of the development of Central Europe and its peoples from the sixteenth century to the present day **Jewish Soldiers in the Collective Memory of Central Europe** Gerald Lamprecht, Eleonore Lappin-Eppel, Ulrich Wyrwa, 2019-04-15 World War I marks a huge break in Central European Jewish history Not only had the violent wartime events destroyed Jewish life and especially the living space of Eastern European Jews but the impacts of war the geopolitical change and a radicalization of anti-Semitism also led to a crisis of Jewish identity Furthermore during the process of national

self discovery and the establishing of new states the societal position of the Jews and their relationship to the state had to be redefined These partially violent processes which were always accompanied by anti Semitism evoked Jewish and Gentile debates in which questions about Jewish loyalty to the old and or new states as well as concepts of Jewish identity under the new political circumstances were negotiated This volume collects articles dealing with these Jewish and gentile debates about military service and war memory in Central Europe **Czech and Czechoslovak History, 1918-1999** Věra Břeňová, Slavěna Rohlíková, 2000 *Intermarriage from Central Europe to Central Asia* Adrienne Edgar, Benjamin Frommer, 2020-06-01 Intermarriage from Central Europe to Central Asia examines the practice and experience of interethnic marriage in a range of countries and eras from imperial Germany to present day Tajikistan In this interdisciplinary volume Adrienne Edgar and Benjamin Frommer have drawn contributions from anthropologists and historians The contributors explore the phenomenon of intermarriage both from the top down in the form of state policies and official categories and from the bottom up through an intimate look at the experience and agency of mixed families in modern states determined to control the lives and identities of their citizens to an unprecedented degree Contributors address the tensions between state ethnic categories and the subjective identities of individuals the status of mixed individuals and families in a region characterized by continual changes in national borders and regimes and the role of intermarried couples and their descendants in imagining supranational communities The first of its kind Intermarriage from Central Europe to Central Asia is a foundational text for the study of intermarriage and ethnic mixing in Eastern Europe and Eurasia A History of Czechs and Jews Martin Wein, 2015-02-11 Was Israel founded by Czechoslovakia A History of Czechs and Jews examines this question and the resulting findings are complex Czechoslovakia did provide critical secret military sponsorship to Israel around 1948 but this alliance was short lived and terminated with the Prague Trial of 1952 Israel s Czech guns were German as much as Czech and the Soviet Union strongly encouraged Czechoslovakia s help for Israel Most importantly however the Czechoslovak Israeli military cooperation was only part of a much larger picture Since the mid 1800s Czechs and Jews have been systematically comparing themselves to each other in literature music politics diplomacy media and historiography A shared perception of similar fates of two small nations trapped between East and West in constant existential danger helped forge a Czech Jewish national friendship amid periods of estrangement Yet this Czech Jewish national friendship an idea that can be traced from Masaryk and Kafka via Weizman and Ben Gurion to Havel and Netanyahu was more myth than reality Relations were often mixed and highly dependent on larger historical developments affecting Central Europe and the Middle East As the Czech Republic emerges as Israel s main EU ally this book provides a timely analysis of this old new alliance and is essential reading for students and scholars with an interest in History and Jewish Studies Jews and Protestants Irene Aue-Ben David, Aya Elyada, Moshe Sluhovsky, Christian Wiese, 2020-08-24 The book sheds light on various chapters in the long history of Protestant Jewish relations from the Reformation to the present Going beyond questions of antisemitism and

religious animosity it aims to disentangle some of the intricate perceptions interpretations and emotions that have characterized contacts between Protestantism and Judaism and between Jews and Protestants While some papers in the book address Luther s antisemitism and the NS Zeit most papers broaden the scope of the investigation Protestant Jewish theological encounters shaped not only antisemitism but also the Jewish Reform movement and Protestant philosemitic post Holocaust theology interactions between Jews and Protestants took place not only in the German lands but also in the wider Protestant universe theology was crucial for the articulation of attitudes toward Jews but music and philosophy were additional spheres of creativity that enabled the process of thinking through the relations between Judaism and Protestantism By bringing together various contributions on these and other aspects the book opens up directions for future research on this intricate topic which bears both historical significance and evident relevance to our own time
