Trains And Lovers A Novel:

Trains and Lovers Alexander McCall Smith, 2013-06-11 A wonderful new stand alone novel from the internationally beloved and bestselling Alexander McCall Smith a story that explores the nature of love and trains through a series of intertwined romantic tales The rocking of the train car the sound of its wheels on the rails there s something special about this form of travel that makes for easy conversation Which is just what happens to the 4 strangers who meet in *Trains and Lovers* As they travel by rail from Edinburgh to London they entertain one another with tales of how trains have changed their lives A young keen eyed Scotsman recounts how he turned a friendship with a young woman co worker into a romance by spotting an anachronistic train in an 18th century painting An Australian woman shares how her parents fell in love and spent their life together running a railroad siding in the remote Australian Outback A middle aged American arts patron sees 2 young men saying goodbye in the station and recalls his youthful crush on another man And a young Englishman describes how exiting his train at the wrong station allowed him to meet an intriguing woman whom he impulsively invited to dinner and into his life Here is Alexander McCall Smith at his most enchanting

Trains and Lovers Alexander McCall Smith, 2013-12-31 As they journey by rail from Edinburgh to London four strangers pass the time by sharing tales of trains that have changed their lives A keen eyed Scotsman recounts how he turned a friendship with a coworker into a romance by spotting an anachronistic train in an eighteenth century painting An Australian woman shares how her parents fell in love and spent their life together running a railroad siding in the remote Outback A middle aged American patron of the arts sees two young men saying goodbye in a train station and recalls his own youthful crush on another man And a young Englishman describes how exiting his train at the wrong station allowed him to meet an intriguing woman whom he impulsively invited to dinner and into his life Here is Alexander McCall Smith at his most subtle and enchanting exploring the nature of love and trains in this utterly captivating story

Trains and Lovers Alexander McCall Smith, 2012 In the words of Alexander McCall Smith You feel the rocking of the train you hear the sound of its wheels on the rails you are in the world rather than suspended somewhere above it And sometimes there are conversations to be had which is what the overarching story in this collection is all about It is a simple device people brought together entertain one another with tales of what happened to them on trains It takes place on a journey I frequently make myself and know well the journey between Edinburgh and London It is best read on a train preferably that one

The Railway and Modernity Matthew Beaumont, Michael J. Freeman, 2007 Most research and writing on railway history has been undertaken in a way that disconnects it from the wider cultural milieu Authors have been very effective at constructing specialist histories of transport but have failed to register the railway s central importance in the representation and understanding of modernity This book brings together contributions from a range of established scholars in a variety of disciplines with the central purpose of exploring the railway less as a transport technology than as a key signifier of capitalist modernity It examines the complex social relations in which the

railway became historically embedded identifying it as a central problematic in the cultural experience of modernity It avoids the limitations of both the close sighted empiricism typical of many transport historians and the long sighted generalizations of cultural commentators who view the railway merely as a shorthand for the concept of progress over the nineteenth and twentieth centuries The book draws on a diverse range of materials including literary and historical forms of representation It is also informed by a creative application of various critical theories Macfadden Fiction-lovers Magazine ,1905

Night Train: A Novel Donald O'Donovan,2010-01-25 Fast furious unforgettable and set against the backdrop of a crumbling civilization NIGHT TRAIN follows arch outsider Jerzy Mulvaney in an audacious account of what it means to be homeless on the streets of Los Angeles *Isherwood's Fiction* Lisa M. Schwerdt,2016-01-03 An examination of the changing relationship between the writer and his protagonists exploring how Isherwood s fiction achieves artistic integration and literary significance only when it reflects his personal concerns through theme and technique as he experiments with new narrative strategies **The Book Lover** ,1903 *Train Travel as Embodied Space-Time in Narrative Theory* Atsuko Sakaki,2023-11-01 Train Travel as Embodied Space Time in Narrative Theory argues that the train is a loaded trope for reconfiguring narrative theories past their spatial turn Atsuko Sakaki s method exploits intensive and rigorous close reading of literary and cinematic narratives on one hand and on the other hand interdisciplinary perspectives that draw out larger connections to narrative theory The book utilizes not only narratological frameworks but also concepts of space focused humanity oriented social sciences such as human geography mobility studies tourism studies and qualitative experience based ethnography in their post narrative turn On this interface of narrative studies and spatial studies this book pays concerted attention to the formation of affordances or relations in which the human subject uses a space time and things in it in terms of passenger experience of the train carriage and its extension Affiliation Atsuko Sakaki University of Toronto Toronto Canada **A Quaker Scout [a Story]** Nicholas Patterson Runyan,1900
