Saint Assassin - Box Set 1-3 Ethan Jones, 2025-03-27 He's no Saint Assassin. Xavier Saint has done many things, but never killed an innocent person. Now he has uncovered a network of assassins eliminating innocents for profit, and he is being framed as the fall guy. With more to lose than just his life, Saint must bring down the entire network. But how? He never claimed to be a saint, but he's no demon either. In a world full of sworn enemies, how will Saint strike back, destroy the network, and save the innocent lives he swore to protect?

Meet Saint Assassin's Call Book One. On a supposed clean hit in Montenegro, Saint discovers his target has two kids and a woman with him. Why didn't his client tell him? What's worse, the woman is Saint's former girlfriend. While Saint processes this strange turn of events, shots are fired. He watches the target and his ex-girlfriend fall. Rushing in to assess the damage, Saint's ex reveals he's a father. Not only that, he discovers he's been set up. In a race across Europe, Saint can barely stay a step ahead of those hunting him. How will he get out alive and see the daughter he never knew he had?

Assassin's Vow Book Two. An impossible vow. Assassin Xavier Saint is doing all he can to discover more about a network of assassins who are killing innocents while trying to stay one step ahead in Austria. But that is proving to be very costly. At the same time, to find and protect his daughter, Saint must pay back favors which were steep and many. Now his friends have come for their pound of flesh. Forced into a deadly assignment in Brazil to save his new found family, Saint vows to end the network and be the father he never knew he was. But how can he? During all of this, he obtains suspicious intelligence that his ex-girlfriend might still be alive. With the network hellbent on eliminating him, no true friends, and the trap closing all around him, will Saint be able to get some answers and keep his promise before it's too late?

It's time to take off the gloves. Assassin's Revenge Book Three. Revenge is a dish best served well done. Assassin Xavier Saint has uncovered one of the main layers of the assassins' network, out to frame him while in Vietnam. At the same time, he's getting close to finding out the fate of his ex-girlfriend. He feels like he's finally getting somewhere. But just to shake him harder, now they're after his daughter. They don't know who they're dealing with. Willing to call in a favor, knowing it will cost him more in the end, Saint is willing to try a Hail Mary and give it all he has. What has he got to lose? Everything. How will Saint protect his daughter, find his ex-girlfriend, and make sure innocent lives are saved as he executes his revenge?
