Veda: Assembly Required Samuel Teer, 2015-08-18 Beneath the factory floor lives an orphaned girl named Veda. Watched over by the diligent Assembly, a robot that works the production line, Veda discovers a unique power she can speak to machines. But it's the unspoken secret fourth law, avoid the Gremlin, that sparks young Veda's interest and leads her down a dangerous and compromising path on her journey of self-discovery.

Latino/a Children's and Young Adult Writers on the Art of Storytelling Frederick Luis Aldama, 2018-10-26 Children's and young adult literature has become an essential medium for identity formation in contemporary Latino culture in the United States. This book is an original collection of more than thirty interviews led by Frederick Luis Aldama with Latino authors working in the genre. The conversations revolve around the conveyance of young Latino experience and what that means for the authors as they overcome societal obstacles and aesthetic complexity. The authors also speak extensively about their experiences within the publishing industry and with their audiences. As such, Aldama's collection presents an open forum to contemporary Latino writers working in a vital literary category and sheds new light on the myriad formats, distinctive nature, and cultural impact it offers.
