No Woman's Land? Women's Writings and Historical Representation in World War I Denise Borille de Abreu,2012-02-28 Women s participation in wars either directly or indirectly has been the study object of war narratives since the Classical Age This book aims to analyze women s significant role to the construction of cultural memory and how women s representations have evolved from myth since Homer until the early twentieth century when the First War was declared to the assumption of silent victims in wartime and finally to the condition of proactive members of a much dreamed society with equal opportunities for everyone This book also addresses more specifically how women war narratives of the First World War reflect upon the war trauma which brought equally disastrous consequences for women men and children and how the War contributed to the reconfiguration of women s social roles *The Vision* Catriona P.F. McCaleb,Emerson College,1998

British Identity in World War I Mary K. Laurents,2020-12-10 This book analyzes the development of the Lost Generation narrative following the First World War The author examines narratives that illustrate the fracture of upper class identity including well known examples of the Lost Generation Robert Graves Siegfried Sassoon and Vera Brittain as well as other less typical cases George Mallory and JRR Tolkien to demonstrate the effects of the First World War on British society culture and politics Vera Brittain Paul Berry,Mark Bostridge,1995 The definitive biography of this controversial writer pacifist and feminist British Feminism in the Twentieth Century Harold L. Smith,1990 The essays in this thought provoking volume help illuminate both the continuities and conflicts in twentieth century feminism **German Literature and the First World War: The Anti-War Tradition** Brian Murdoch,2016-03-09 The period immediately following the end of the

First World War witnessed an outpouring of artistic and literary creativity as those that had lived through the war years sought to communicate their experiences and opinions In Germany this manifested itself broadly into two camps one condemning the war outright the other condemning the defeat Of the former Erich Maria Remarque's *All Quiet on the Western Front* remains the archetypal example of an anti war novel and one that has become synonymous with the Great War Yet the tremendous and enduring popularity of Remarque's work has to some extent eclipsed a plethora of other German anti war writers such as Hans Chlumberg Ernst Johannsen and Adrienne Thomas In order to provide a more rounded view of German anti war literature this volume offers a selection of essays published by Brian Murdoch over the past twenty years Beginning with a newly written introduction providing the context for the volume and surveying recent developments in the subject the essays that follow range broadly over the German anti war literary tradition telling us much about the shifting and contested nature of the war The volume also touches upon subjects such as responsibility victimhood the problem of historical hiatus in the production and reception of novels drama poetry film and other literature written during the war in the Weimar Republic and in the Third Reich The collection also underlines the potential dangers of using novels as historical sources even when they look like diaries One essay was previously unpublished two have been augmented and three are translated into English for the first time Taken together they offer a fascinating insight into the cultural memory and literary legacy of the First World War and German anti war texts

Modern British Women Writers Vicki K. Janik, Del Ivan Janik, 2002-11-30 The 20th century witnessed several major cultural movements including modernism anti modernism and postmodernism These and other means of understanding and perceiving the world shaped the literature of that era and with the rise of feminism resulted in a particularly rich body of literature by women writers This reference includes alphabetically arranged entries on 58 British women writers of the 20th century Some of these writers were born in England while others such as Katherine Mansfield and Doris Lessing came from countries of the former Empire or Commonwealth The volume also includes entries for women of color such as Kamala Markandaya and Buchi Emecheta Each entry is written by an expert contributor and includes an overview of the writer's background an analysis of her works an assessment of her achievements and lists of primary and secondary sources The volume closes with a selected general bibliography

Winifred Holtby, "A Woman In Her Time" Lisa Regan, 2009-12-14 Winifred Holtby *A Woman In Her Time* Critical Essays brings together for the first time a range of scholarly perspectives on one of Britain's best loved regional authors Remembered for her vivid portrayal of 1930s rural Yorkshire in her final novel *South Riding* 1936 and for her friendship with Vera Brittain Winifred Holtby 1898 1935 has become a key figure for those interested in British literature politics and culture between the wars Epitomising the professional independence and political passion which we have come to associate with the newly emancipated women of her era Holtby's was a life devoted to myriad causes and directed to the pressing issues of her day With fresh perspectives on Holtby's better known novels alongside new critical forays into her short stories drama journalism

and historical writing Winifred Holtby *A Woman In Her Time* sheds new light on a woman who not only spoke out in support of feminism peace and racial equality at a time when fascism and war loomed but who also shared with us her views on a wide spectrum of topical concerns from Virginia Woolf D H Lawrence H G Wells psychology spinsters mothers and the B B C to her delight in clothes films and village gossip
