selling language author Richard Lederer passionately and humorously explores the history and mystery of everyday language. Richard Lederer is the author of more than fifty books about language history and humor including his best selling *Anguished English* series and his current books *Richard Lederer's Ultimate Book of Literary Trivia* and *So That's What It Means*. He is a founding co host of *A Way With Words* broadcast on Public Radio. Dr Lederer's syndicated column *Lederer on Language* appears in newspapers and magazines throughout the United States. He has been named International Punster of the Year and Toastmasters International's Golden Gavel winner. He lives in San Diego with his wife Simone van Egeren. [The Complete Pleasury of Word and Phrase Origins](#) Richard Lederer, 2025-03-27 To the man or woman who knows its origin each word presents a picture no matter how ordinary it may appear. Best selling language author Richard Lederer passionately and humorously presents illuminating stories about the histories and mysteries of everyday words and phrases. In this hardcover book Dr Lederer illuminates the history and mystery of everyday words and expressions organizing these etymologies into thirteen thematic clusters including body parts wild kingdom entertainment land sea air and beyond politics sports science and religion. Typical of Richard Lederer's brand of language dressed up to have fun be prepared to laugh as you learn. **Word & Phrase Origins** Robert Hendrickson, 2005 *Morris Dictionary of Word and Phrase Origins* William Morris, Mary Davis Morris, 1971 *The Lost Words* Pete May, 2012-10-15 Philip Howard's legendary *Lost Words* column has been appearing weekly in *The Times* for many years wittily illuminating a raft of the most obscure esoteric words the English language has to offer. At the same time his *Word Watching* puzzles have provided readers with the chance to pit their lexicographical skill against his tongue in cheek multiple choice conundrums. This unique collection bringing together the very best of all these is a feast for word lovers. Here we can lament the disappearance of words like *accismus* an insincere and feigned refusal of something that is earnestly desired and wonder why we ever thought we could do without *zoilus* a censorious malignant or envious critic. And once we have completed our journey through the dictionary entries time has forgotten there's more fun to be had as we ponder whether having a *tirit* means one is in possession of a trumpet throwing a fit or the proud owner of a type of bird and if the charge of being *spissid* is a comment on one's girth sobriety or resemblance to a javelin either literal or metaphorical. Endlessly fascinating *Lost Words* continues Philip Howard's amusing and informative tour of words that enrich the English language and would otherwise have been lost forever. *Phrases and Names, Their Origins and Meanings* Trench H. Johnson, 2019-11-22 In *Phrases and Names Their Origins and Meanings* Trench H Johnson embarks on an insightful exploration of the etymology behind phrases and names that have shaped cultural and linguistic landscapes. Employing a narrative style that marries scholarly rigor with accessible prose Johnson delves into the historical and contextual significance of various terms revealing not only their origins but also the sociocultural forces that have influenced their evolution. The book serves as a vital resource for linguists historians and anyone intrigued by the intricate tapestry of language providing a vivid illustration of how language reflects societal changes.

over time Trench H Johnson a noted linguist and cultural historian draws on his extensive background in philology to illuminate the intricate connections between language and society His lifelong fascination with the nuances of language and its power to shape thought and culture found a voice in this comprehensive work Johnson s previous academic pursuits and publications on linguistic anthropology further enrich the insights presented in this book showcasing his meticulous research and passion for revealing the stories embedded within words This book is highly recommended for readers who seek not just to understand language but to appreciate the historical narratives and societal reflections it carries Whether you are a language enthusiast a student of history or simply a curious mind Johnson s elegant prose and insightful analysis will undoubtedly deepen your appreciation for the phrases and names that color our everyday communication Dictionary of Word and Phrase Origins. V. II William Morris,1967 **Dictionary of Word and Phrase Origins. By William and Mary Morris** William Morris,1962 **The Facts on File Encyclopedia of Word and Phrase Origins** Robert Hendrickson,2004 This volume traces the sometimes bizarre and fascinating origins and developments of more than 9 000 words and phrases including slang proverbs animal and plant names place names nicknames historical expressions foreign language expressions and more The emphasis throughout is on words and expressions with origins that are not adequately explained or not addressed at all in standard dictionaries Each entry provides details on the etymological origin of a word or a phrase retells stories about where it may first have been spoken and explains its evolution over time **Dictionary of Word and Phrase Origins.
