Goings on in Northern Territory politics from 2012

2016 may read like satire but it is all true

These are stories you couldn t make up

This book is an instruction manual on how NOT to run a government

In the Top End politics is not a numbers game it is a blood sport

In comparison to Rudd Gillard Abbott and Turnbull the goings on in the Northern Territory parliament are like watching a troop of clowns throwing knives into each other s backs

CROCS IN THE CABINET is partly a serious political book partly a riotous look at the characters the scandals and the incompetence of Northern Territory politics

It will make you laugh cry wince and shake your head as you read of a minister with a hostess club bill a masturbating minister and the lewd videos he sent someone other than his wife why a minister shouted we are in love on the floor of the parliament how the Chief Minister stared down a coup how an MP forced the evacuation of a hotel why an MP went fishing instead of dealing with leadership matters exactly how bonkers the NT parliament really is

Written by two of the NT NEWS s best journalists Walkley Award winning Ben Smee and award winning Christopher A Walsh this is
