Tree Dedication Speeches:

The Freedom of Speech Miles Ogborn, 2019-10-14 The institution of slavery has always depended on enforcing the boundaries between slaveholders and the enslaved As historical geographer Miles Ogborn reveals in *The Freedom of Speech* across the Anglo Caribbean world the fundamental distinction between freedom and bondage relied upon the violent policing of the spoken word Offering a compelling new lens on transatlantic slavery this book gathers rich historical data from Barbados Jamaica and Britain to delve into the complex relationships between voice slavery and empire From the most quotidian encounters to formal rules of what counted as evidence in court the battleground of slavery lay in who could speak and under what conditions But as Ogborn shows through keen attention to both the traces of talk and the silences in the archives if enslavement as a legal status could be made by words it could be unmade by them as well A deft interrogation of the duality of domination *The Freedom of Speech* offers a rich interpretation of oral cultures that both supported and constantly threatened to undermine the slave system

Cox, 2018-03-15 Once upon a time it was impossible to drive through the South without coming across signs to See Rock City or similar tourist attractions From battlegrounds to birthplaces and sites in between heritage tourism has always been part of how the South attracts visitors and defines itself yet such sites are often understudied in the scholarly literature As the contributors to this volume make clear the narrative of

southern history told at these sites is often complicated by race influenced by local politics and shaped by competing memories Included are essays on the meanings of New Orleans cemeteries Stone Mountain Georgia historic Charleston South Carolina Yorktown National Battlefield Selma Alabama as locus of the civil rights movement and the homes of Mark Twain Margaret Mitchell and other notables Destination Dixie reveals that heritage tourism in the South is about more than just marketing destinations and filling hotel rooms it cuts to the heart of how southerners seek to shape their identity and image for a broader touring public now often made up of northerners and southerners alike **Familiar Lectures on**

Black Spartacus Sudhir Hazareesingh, 2020-09-01 Winner of the 2021 Wolfson History Prize *Black Spartacus* is a tour de force by far the most complete authoritative and persuasive biography of Toussaint that we are likely to have for a long time An extraordinarily gripping read David A Bell *The Guardian* A new interpretation of the life of the Haitian revolutionary Toussaint Louverture Among the defining figures of the Age of Revolution Toussaint Louverture is the most enigmatic Though the Haitian revolutionary's image has multiplied across the globe appearing on banknotes and in bronze on T-shirts and in film the only definitive portrait executed in his lifetime has been lost Well versed in the work of everyone from Machiavelli to Rousseau he was nonetheless dismissed by Thomas Jefferson as a cannibal A Caribbean acolyte of the European Enlightenment Toussaint nurtured a class of black Catholic clergymen who became one of the pillars of his rule while his supporters also believed he communicated with vodou spirits And for a leader who once summed up his modus operandi with the phrase Say little but do as much as possible he was a prolific and indefatigable correspondent famous for exhausting the five secretaries he maintained simultaneously at the height of his power in the 1790s Employing groundbreaking archival research and a keen interpretive lens Sudhir Hazareesingh restores Toussaint to his full complexity in *Black Spartacus* At a time when his subject has variously been reduced to little more than a one dimensional icon of liberation or criticized for his personal failings his white mistresses his early ownership of slaves his authoritarianism

Hazareesingh proposes a new conception of Toussaint's understanding of himself and his role in the Atlantic world of the late eighteenth century. *Black Spartacus* is a work of both biography and intellectual history rich with insights into Toussaint's fundamental hybridity, his ability to unite European, African, and Caribbean traditions in the service of his revolutionary aims. Hazareesingh offers a new and resonant interpretation of Toussaint's racial politics, showing how he used Enlightenment ideas to argue for the equal dignity of all human beings while simultaneously insisting on his own world historical importance and the universal pertinence of blackness, a message which chimed particularly powerfully among African Americans. Ultimately, *Black Spartacus* offers a vigorous argument in favor of getting back to Toussaint, a call to take Haiti's founding father seriously on his own terms and to honor his role in shaping the postcolonial world to come. Shortlisted for the Baillie Gifford Prize, Finalist for the PEN Jacqueline Bograd Weld Award for Biography. Named a best book of the year by the *The Economist*, *Times Literary Supplement*, *New Statesman*. **West Dickens Avenue** John Corbett, 2007-12-18 In January 1968 John Corbett and his fellow leathernecks of the 26th Marine Regiment fortified a remote outpost at a place in South Vietnam called Khe Sanh. Within days of their arrival, twenty thousand North Vietnamese soldiers surrounded the base. What followed over the next seventy-seven days became one of the deadliest fights of the Vietnam War and one of the greatest battles in military history. Private First Class Corbett made do with little or no sleep for days on end. The enemy bombarded the base incessantly. Extremes of heat, cold, and fog added to the misery, as did all manner of wounds and injuries too minor to justify evacuation from frontline positions. The emotional toll was tremendous as the Marines saw their friends suffer and die every day of the siege. Corbett relates these experiences through the eyes of a twenty-year-old but with the mind and maturity of a man now in his fifties. His story of life, death, and growing up on the front lines at Khe Sanh speaks for all of the Marines caught up in the epic siege of the Vietnam War.
