Marks of the Beast Glenn W. Shuck, 2005 The Left Behind series by Tim LaHaye and Jerry B. Jenkins has become a popular culture phenomenon selling an astonishing 40 million copies to date These novels written by two well known evangelical Christians depict the experiences of those left behind in the aftermath of the Rapture when Christ removes true believers leaving everyone else to suffer seven years of Tribulation under Satan's proxy Antichrist In Marks of the Beast Shuck uncovers the reasons behind the books unprecedented appeal assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey's 1970 blockbuster The Late Great Planet Earth It also explores what we can learn from them about evangelical Christianity in America Shuck finds that ironically the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers especially evangelicals to embrace solutions that enact rather than engage their fears Most strikingly he shows how the ultimate vision put forth by the series authors inadvertently undermines itself as the series unfolds **Critical Digital Studies** Arthur Kroker, Marilouise

Kroker, 2008-01-01 Since its initial publication Critical Digital Studies has proven an indispensable guide to understanding digitally mediated culture Bringing together the leading scholars in this growing field internationally renowned scholars Arthur and Marilouise Kroker present an innovative and interdisciplinary survey of the relationship between humanity and technology The reader offers a study of our digital future a means of understanding the world with new analytic tools and

means of communication that are defining the twenty first century The second edition includes new essays on the impact of social networking technologies and new media A new section New Digital Media presents important new articles on topics including hacktivism in the age of digital power and the relationship between gaming and capitalism The extraordinary range and depth of the first edition has been maintained in this new edition Critical Digital Studies will continue to provide the leading edge to readers wanting to understand the complex intersection of digital culture and human knowledge

Tribulation Force Tim LaHaye, Brian Augustyn, Jerry B. Jenkins, 2002 The Left Behind adventures continues with the graphic novel series for readers ages 12 and older In this series the goal of the Tribulation Force is nothing less than standing against the enemies of God during the seven most chaotic years the planet has ever seen Illustrated in full color July

Plotting Apocalypse Jennie Chapman, 2013-09-13 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics

ARROGANT GOD OF PILLS CHAPTER 74 Dam Vien Tich, 2025-07-28 ARROGANT GOD OF PILLS CHAPTER 74 Hard to say This place is called the Primordial Land it can be said that the Heavenly Dao World and the Heavenly Evil World were in their original state but they didn t expect that they would be sealed away and preserved The reason for this is because they were worried that after the Heavenly Dao World and the Heavenly Evil World were destroyed this world would be able to continue to exist Yuan Feng said So how long will this world last Shen Xiang felt that it wouldn t be long because Ji Yuelan had said that she was still very young Hard to say there are no time laws here even though people inside sometimes pass by in a daze or die one generation at a time In general the situation inside is very hard to explain clearly It s best to quickly leave this place Yuan Feng said I heard that there is a situation of world destruction inside here That is to say once

the people inside this type evolve to a certain level it will be relatively easy to activate a great destruction formation

ARROGANT GOD OF PILLS CHAPTER 37 Dam Vien Tich ,2025-07-27 ARROGANT GOD OF PILLS CHAPTER 37 That Immortal Lord only knew that someone was attacking this place but went out to take a look and discovered that more than half of the Fire God Temple disciples were lying on the ground their bodies exploding one after another turning into blood water He immediately became furious and waved his hand and it was a move of Fire Cloud Divine Palm and a huge flame palm covered a large area carrying a raging flame fiercely pressing down Everyone present felt this terrifying pressure at the same time and a fierce killing aura appeared from nowhere Bai Zhan also made a move turning into a white shadow and immediately went up and punched that huge flame palm The White Tiger War Clan s berserk force erupted like a white tiger roaring causing this underground square to tremble slightly *End of Days* Carolyn Kinane,Michael A. Ryan,2014-01-10 The idea of the complete annihilation of all life is a powerful and culturally universal concept As human societies around the globe have produced creation myths so too have they created narratives concerning the apocalyptic destruction of their worlds This book explores the idea of the apocalypse and its reception within culture and society bringing together 17 essays that explore both the influence and innovation of apocalyptic ideas from classical Greek and Roman writings to the foreign policies of today s United States **ARROGANT GOD OF PILLS CHAPTER 29** Dam Vien Tich,2025-07-27 ARROGANT GOD OF PILLS CHAPTER 29 The number of people inside the Heavenly Thunder Purgatory was increasing Shen Xiang had previously let Long Xueyi release the news it had already spread throughout the entire human realm those great powers even if they wanted to hide it was difficult let alone when entering it was still very safe unless very unlucky they would be struck by lightning Therefore those great powers would find it difficult to enslave those loose cultivators to do things for them also because Shen Xiang rescued a group those ancient powers evil deeds were known by everyone as long as these people left the Heavenly Thunder Purgatory those ancient powers would all have bad reputations Although the loose cultivators did not have any power they were also the largest group now being bullied by these ancient powers they would definitely unite if those powerful blood like loose cultivators found out they might even be punished The Truth Behind Left Behind Mark Hitchcock,Thomas Ice,2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind s biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event Story Behind the Book With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the

impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series

Sacrifice and Modern Thought Julia Meszaros, Johannes Zachhuber, 2013-10-03 Sacrifice has always been central to the study of religion yet attempts to understand and assess the concept have usually been controversial The present book which is the result of several years of interdisciplinary collaboration suggests that in many ways the fascination with sacrifice has its roots in modernity itself Theological developments following the Reformation the rediscovery of Greek tragedies and the encounter with the practice of human sacrifice in the Americas triggered a complex and passionate debate in the sixteenth century which has never since abated Contributors to this volume leading experts from theology anthropology and literary and cultural studies describe and discuss how this modern fascination for the topic of sacrifice has evolved how it has shaped theological debate the literary imagination and anthropological theory Individual chapters discuss in depth major theological trajectories theories of sacrifice including those of Marcel Mauss and Ren Girard and current feminist criticism They engage with sacrifice in the context of religious and philosophical thought works of literature and film They explore different yet overlapping aspects of modernity's obsession with sacrifice The book does not intend to impose a single narrative over all these diverse contributions but brings them into a conversation around a common centre

The Sky Is Falling Peter Biskind, 2018-09-11 A Sunday Times London Best Book of 2018 A thoughtful entertaining and occasionally profound critical study of the texts that entertain move and sometimes shape us The Spectator London A bold witty and brilliantly argued analysis of the role pop culture has played in the rise of American extremism Ruth Reichl You'll never look at your favorite movies and TV shows the same way again And you shouldn't Steven Soderbergh A bestselling cultural journalist shows how pop culture prepared Americans to embrace extreme politics Almost everything has been invoked to account for Trump's victory and the rise of the alt right from job loss to racism to demography everything that is except popular culture In *The Sky Is Falling* bestselling cultural journalist Peter Biskind dives headlong into two decades of popular culture from superhero franchises such as the Dark Knight X Men and the Avengers and series like The Walking Dead and Game of Thrones to thrillers like Homeland and 24 and emerges to argue that these shows are saturated with the values that are currently animating our extreme politics Where once centrist institutions and their agents cops and docs soldiers and scientists as well as educators politicians and experts of every stripe were glorified by mainstream Hollywood the heroes of

today's movies and TV whether far right or far left have overthrown this quaint ideological consensus. Many of our shows dramatize extreme circumstances: an apocalypse of one sort or another that require extreme behavior to deal with behavior such as revenge, torture, lying, and even the vigilante violence traditionally discouraged in mainstream entertainment. In this bold, provocative, and witty investigation, Biskind shows how extreme culture now calls the shots. It has become, in effect, the new mainstream.
