What Matters Most When No Is Better Than Yes:

What Matters Most Doug Fields, 2009-08-30 This small book will call to you on days that the janitor reads you the riot act the church secretary jumps down your throat and those home school parents just won't leave you alone In this book Doug Fields shares the wisdom that has helped him survive over 25 years in ministry Just say No That two letter word that often feels like a four letter word to some people has the power to help you stay in ministry for the long haul and keep your family intact and thriving From the book Jesus said no to good things no to significant things no to important people He was 100% God 100% human and he had limits He needed solitude He needed time to reflect and pray and nourish his spiritual life and time away from those bonehead disciples He needed space And Jesus had a lot to do You try being the Savior of the world He had a short window to accomplish his life mission and yet he seemed to prioritize and live so different than we do To say no in ministry is to be radical to be radical is to be counter cultural to be counter cultural is to be like Jesus to be like Jesus should become our goal The Youth Ministry Survival Guide Len Kageler, 2008 Youth pastors often burn out bail out and are pushed out of ministry In this book you'll be given practical insights and action steps to help you build fences against failure *What Matters Most and Why* Jim Manney, 2022-11-08 Makes a five hundred year old wisdom tradition accessible to contemporary readers seeking daily guidance on life and how to live it How can I find meaning and joy How can I think clearly What's valuable in life and what's irrelevant How do we manage anger What can we do about envy laziness resentment How do I know what matters most What do I really want These are the questions that lie at the heart of Ignatian spirituality the five hundred year old wisdom tradition that has shown leaders seekers and doers the way to live a better life The daily readings in this book emphasize answers to pressing questions about satisfaction in work and relationships St Ignatius and his friends believed that God is found in all things and love is best expressed in deeds rather than words The Ignatian way is profoundly practical It guides us through the great challenge of life finding God and finding our place in God's work to save and heal the world Speaking to Teenagers Doug Fields, Duffy Robbins, 2008-11-04 Get ready for a crash course in effective communication More than just a book on how to do talks Speaking to Teenagers combines the experience and wisdom of two veteran youth ministry speakers along with insightful research and practical tools to help you develop messages that engage students with the love of Christ and the power of his Word Whether you're crafting a five minute devotional or a 30 minute sermon Speaking to Teenagers is essential to understanding and preparing great messages Together Doug Fields and Duffy Robbins show you how they craft their own messages and give you the tools to do it yourself They'll guide you step by step through the process of preparing and delivering meaningful messages that effectively communicate to your students Fields and Robbins walk you through three dimensions of a message the speaker the listener and the message itself and introduce you to the concept and principles of inductive communication You'll also get helpful tips on finding illustrations for your talk and using them for maximum impact as well as insights on reading your audience

and effective body language As Speaking to Teenagers guides you toward becoming a more effective communicator you will find that this book's practical principles will positively impact the way you view and communicate to teenagers
