Growing in Grace and the Knowledge of God Norman Wilson,2019-04-17 Time for the human race is a parenthesis on the line of eternity in which the individual has the opportunity to make decisions that affect where he will spend eternity There are innumerable religions in the world each of which insists that their doctrines are the true means of acquiring a relationship with a superior being and a place in eternity Large masses of people embrace the tenets of the religion to which they are exposed during their formative years and never questioning the validity of its claims Many others have no religious models to follow Therefore they form their own religious belief systems However there are multitudes from all types of religious affiliations that are searching for answers regarding the reality of God and on what happens after physical death They have a genuine desire to know the truth about God and the way to attain eternal life There are others that desire more knowledge about the God of the Bible they love and serve I have written this book to assist these groups I have tried to provide biblical answers to questions that true searchers have regarding God I have also attempted to furnish believers with a format to help broaden their biblical knowledge I encourage the reader to seek guidance and revelation from the Holy Spirit

**Growing Up In Grace** Murray Brett,2009-01-01 Christianity as possession is not simply an experience of salvation in the past nor simply a status once for all bestowed It is a high and holy vocation to be fulfilled in all who name Christ s name We dare not rest until we attain to the prize of the high calling of God in Christ Jesus This book addresses our consciences about the character of our Christian way Is there credible godliness Is there a deepening growing relationship with our Lord Is the Love of Jesus Christ constraining our behavior love so amazing so divine demanding our souls our lives and our all and are we giving the Lord affectionate obedience in return

Hyde,2015-03-20 Today the church seems to have forgotten about the spiritual discipline of fasting Most of us have never heard a sermon about it and few of us have ever practiced it We think of fasting as an antiquated relic of the past So why should we fast in an age of fast food Pastor Daniel R Hyde argues that fasting is actually a basic biblical teaching and practice one that is vital to cultivating godly living in an ungodly generation Fasting is a means to the end of abiding deep and personal communion with the triune God through prayer The author explains what fasting is provides biblical examples of it reminds us of what Jesus taught regarding it and tells us how to go about it     *Christian Biography* ,1830     *Northfield Echoes* Delavan Leonard Pierson,1894     **Evangelical Study Bible: Christ-centered.
