Crusie, 2002-10-13 Fall 2002 **Crazy for You** Jennifer Crusie, 1999 ON A gloomy March afternoon sitting in the same high school classroom she d been sitting in for thirteen years gritting her teeth as she told her significant other for the seventy second time since they d met that she d be home at six because it was Wednesday and she was always home at six on Wednesdays Quinn McKenzie lifted her eyes from the watercolor assignments on the desk in front of her and met her destiny Her destiny was a small black dog with desperate eyes so she missed the significance at first She didn t miss anything else The dog that her favorite art student held out to her was the canine equivalent of an exposed nerve wiry black body skinny white legs narrow black head all of it held together with so much tension that the poor baby shuddered with it It looked cold and scared and hungry and anxious as it struggled in Thea s arms and Quinn s heart broke No animal should ever look like that Oh Quinn rose on the word and went toward Thea while Bill groaned and said Not another one I found it in the parking lot Thea put the dog down on the floor in front of Quinn I knew you d know what to do Come on baby Quinn crouched in front of it not too near not too far and patted the floor Come here sweetie Don t be scared It s all right now I ll take care of you The dog trembled even harder jerking its head from side to side Then it made a dash for the nearest door which unfortunately for

it was the storeroom Well that ll make it easier to trap and catch Bill said his tone as cheerful and sure as always It was always a beautiful day in the neighborhood for Bill a man who d taken the Tibbett High football team to five consecutive championships and the baseball team to four fifth one coming right up almost solely Quinn believed by never considering the possibility of defeat Know where you want to be and go there he d tell the boys and they would Quinn decided she wanted to be someplace else with a pizza but she had to comfort this dog and get rid of Bill before she could go there She crawled on her hands and knees to the door trying to look nonthreatening Now look dogs like me she said in her best come to mama voice as the dog cowered against a carton of oaktag at the back of the narrow storeroom You re missing a good deal here Really I m famous for this Come on She moved a little closer still on her hands and knees and the dog peeled its eyes back I suppose you had to do this Bill said to Thea goodnaturedly and Quinn felt equally annoyed with him and guilty about misleading him No more dogs he d said the last time she d rescued a stray You don t have to save them all And she d nodded at him to acknowledge that she d heard him and he d taken it as agreement and she d let him take it that way because it was easier no point in creating a problem she d just have to turn around and fix And now here she was cheating on him with a mixed breed She looked into the dog s eyes again It s going to be all right Ignore what the big blond guy says The dog relaxed away from the box a little and looked at her with caution instead of terror in its worried little eyes Progress If she had another ten hours and a ham sandwich it might even come to her on its own You re not bringing it home with you right Bill loomed behind her cutting off the afternoon light that came dimly through the wall of windows and casting a shadow over her so that the dog shrank back again anxious at the darkness It wasn t Bill s fault that he was huge but he could at least notice that he cast considerable shade wherever he went Because we re not allowed to have dogs in our apartment Bill s voice was patient as he went on a teacher s voice telling her what she already knew guiding her to form the correct conclusion My conclusion is that you re patronizing me Somebody has to rescue strays and find them homes Quinn said without looking behind her Exactly Bil *What the Lady Wants* ,2014 Jennifer Crusie Bundle Jennifer Crusie,2007-08-01 Wonderful fresh funny tender outrageous says Booklist of Jennifer Crusie whose wry witty romantic comedies have made her a New York Times bestseller This bundle includes four ferociously funny sexy romances Getting Rid of Bradley Strange Bedpersons What the Lady Wants and Charlie All Night Tell Me Lies Jennifer Crusie,2004-07-11 If you think small town life can be boring think again There are complex social rules there are certain people with whom you fraternize and those you don t and of course there is the all powerful gossip Everyone knows everything about everyone else Don t they That s what Maddie Farraday thinks until she finds a pair of black crotchless panties in her husband s car that don t belong to her That s it Maddie s had it She s ready for change and the first thing she s going to do is divorce her no good philandering husband Brent But then everything goes haywire Brent turns up dead Maddie s daughter wants a dog her best friend is suddenly acting very strange and Maddie s secret boyhood crush bad boy C L Sturgis arrives in town after a 20 year hiatus and he s as
