What Makes This So Great:

What Makes This Book So Great Jo Walton, 2014-01-21 A remarkable guided tour through the field a kind of nonfiction companion to *Among Others* It's very good It's great Cory Doctorow Boing Boing As any reader of Jo Walton's *Among Others* might guess Walton is both an inveterate reader of SF and fantasy and a chronic re-reader of books In 2008 then new science fiction mega site Tor.com asked Walton to blog regularly about her re-reading about all kinds of older fantasy and SF ranging from acknowledged classics to guilty pleasures to forgotten oddities and gems These posts have consistently been among the most popular features of Tor.com Now this volume presents a selection of the best of them ranging from short essays to long reassessments of some of the field's most ambitious series Among Walton's many subjects here are the Zones of Thought novels of Vernor Vinge the question of what genre readers mean by mainstream the underappreciated SF adventures of C J Cherryh the field's many approaches to time travel the masterful science fiction of Samuel R Delany Salman Rushdie's *Midnight's Children* the early Hainish novels of Ursula K Le Guin and a Robert A Heinlein novel you have most certainly never read Over 130 essays in all *What Makes This Book So Great* is an immensely readable engaging collection of provocative opinionated thoughts about past and present day fantasy and science fiction from one of our best writers For readers unschooled in the history of SF F this book is a treasure trove Publishers Weekly starred review [What Makes Heirloom Plants So Great?](#) , **What'S so Great About God?** Darrell R. Ferguson, 2011-09-26 Nothing in life is more

important than delighting in God The greatest commandment is to love the Lord our God with all our heart soul mind and strength And this is only possible through ever increasing understanding and appreciation of what God is like *Whats So Great About God* is a series of meditations taken from the personal devotional studies and prayers of pastor Darrell Ferguson designed to assist in opening the readers eyes to the wonders of the goodness of the glory of God A good understanding of Gods character and nature is so important for every follower of Christ Get ready for a revived growing faith in God as you seek His heart daily through this book Darrell wonderfully leads us on a daily devotional adventure through the depths of who God is Encouraging and maturing faith await you Jump in today Ed Taylor Pastor Calvary Chapel Aurora CO Darrell Ferguson accomplishes three things that are rare in the world of Christian books he astonishes with outside the box insights he maintains a practical rather than theoretical focus and he is thorough and steeped in biblical images of Gods nature and deeds that most people never comment on If you want a deep exploration of living life with God to see him behind the veil and know he is there Fergusons book is unique and worthy of being this years spiritual project for anyone fortunate enough to pick it up Derek Leman M T S Hebrew Bible Emory University *What's So Great about Christianity* Dinesh D'Souza, 2008 Examines the assumptions of Christianity and atheism and argues among other issues that Christianity explains what modern science tells us about the universe and our origins better than atheism **What's So Great about God** Dinesh D'Souza, 2013-09-13 For a lot of people the biggest question about God is not surprisingly enough whether He

exists Instead it is about whether God is truly good Dinesh D Souza in his debates with leading atheists quickly realized that many of those debates revolved around the question of evil in this world how God could create a world that allowed such suffering and evil In What s So Great about God Dinesh D Souza takes these questions head on Does God act like a tyrant Is God really responsible for the evil in this world Why is there suffering in the world For the first time ever Dinesh D Souza approaches this apologetic topic with historical and scientific proof and presents to the reader why God is truly worthy of our worship and love Previously published as Godforsaken *So Great a Salvation* Jon C. Laansma, George H. Guthrie, Cynthia Long Westfall, 2019-06-27 This volume presents a dialogue between historians exegetes and theologians on the background and key themes of the atonement in Hebrews Presenting a range of differing perspectives and contributing to the renewed conversation between biblical and theological scholarship the argument is structured in two parts contexts and themes within Hebrews Focusing on atonement not only in the Old Testament but also in the Greco Roman world and touching on themes such as sacrifice plight and solution and faith these contributions shed light on the concept of the atonement in a directly scriptural way The whole is a definitive collection of studies on the atonement in Hebrews that will be of service well beyond the confines of Hebrews specialists a collection as important for what it says about the atonement and the 21st century church as for what it says about Hebrews *The Anglican Pulpit Library* ,1900 *The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney* William Dwight Whitney, Benjamin Eli Smith, 1903 **The Complete Works of John Bunyan** John P.
