Nerds, Goths, Geeks, and Freaks Trevor Boffone, Cristina Herrera, 2020-03-18 Winner of the Children's Literature Association's 2022 Edited Book Award. Contributions by Carolina Alonso, Elena Avil, Trevor Boffone, Christi Cook, Ella Diaz, Amanda Ellis, Cristina Herrera, Guadalupe Garcia McCall, Domino Perez, Adrianna M. Santos, Roxanne Schroeder, Arce Lettycia Terrones, and Tim Wadham. In *Nerds, Goths, Geeks, and Freaks*, *Outsiders in Chicana and Latina Young Adult Literature*, the outsider intersects with discussions of race, ethnicity, gender, and sexuality. The essays in this volume address questions of outsider identities and how these identities are shaped by mainstream myths around Chicana and Latina young people, particularly with the common stereotype of the struggling, underachieving inner city teens. Contributors also grapple with how young adults reclaim what it means to be an outsider, weirdo, nerd, or goth, and how the reclamation of these marginalized identities expands conversations around authenticity and narrow understandings of what constitutes cultural identity. Included are analyses of such texts as *I Am Not Your Perfect Mexican Daughter*, *Shadowshaper*, *Swimming While Drowning*, and others. Addressed in the essays are themes of outsiders in Chicana, Latina, children's, and young adult literature, and the contributors insist that to understand Latina youth identities, it is necessary to shed light on outsiders within an already marginalized ethnic group: nerds, goths, geeks, freaks, and others who might not fit within such Latina popular cultural paradigms as the chola and cholo identities that are ever present in films, television, and the internet.

Contemporary Chicana Literature: (Re)Writing the Maternal Script Cristina Herrera, 2014-03-28 Despite the growing literary scholarship on Chicana writers, few, if any, studies have exhaustively explored themes of motherhood, maternity, and mother-daughter relationships in their novels. When discussions of motherhood and mother-daughter relationships do occur in literary scholarship, they tend to mostly be a backdrop to a larger conversation on themes such as identity, space, and sexuality, for example. Mother-daughter relationships have been ignored in much literary criticism, but this book reveals that maternal relationships are crucial to the study of Chicana literature. More precisely, examining maternal relationships provides insight into Chicana writers' rejection of intersecting power structures that otherwise silence Chicanas and women of color. This book advances the field of Chicana literary scholarship through a discussion of Chicana writers' efforts to re-write the script of maternity outside of existing discourses that situate Chicana mothers as silent and passive and the subsequent mother-daughter relationship as a source of tension and angst. Chicana writers are actively engaged in the process of re-writing motherhood that resists the image of the static, disempowered Chicana mother. On the other hand, these same writers engage in broad representations of Chicana mother-daughter relationships that are not merely a source of conflict but also a means in which both mothers and daughters

may achieve subjectivity While some of the texts studied do present often conflicted relationships between mothers and their daughters the novels do not comfortably accept this script as the rule rather the writers included in this study are highly invested in re writing Chicana motherhood as a source of empowerment even as their works present strained maternal relationships Chicana writers have challenged the pervasiveness of the problematic virgin whore binary which has been the motif on which Chicana womanhood motherhood has been defined and they resist the construction of maternity on such narrow terms Many of the novels included in this study actively foreground a conscious resistance to the limiting binaries of motherhood symbolized in the virgin whore split The writers critically call for a rethinking of motherhood beyond this scope as a means to explore the empowering possibilities of maternal relationships This book is an important contribution to the fields of Chicana Latina and American literary scholarship
