What To Remember When Waking The Disciplines Of Everyday Life:

Say Yes Scott Erickson, 2022-01-25 Say Yes gives you the mental and spiritual practices you need to enjoy your life again and bring greater fullness than you could imagine before My life doesn't look anything like I wanted it to How do I even keep going When the dreams for our life die our vision of who we hoped to become often dies too That's when The Voice of Giving Up appears Visual artist and spiritual director Scott Erickson has had long midnight conversations with The Voice of Giving Up and he knows how anxiety and depression make The Voice especially loud But he's discovered that our darkest moments are sometimes doorways to a deeper more joy filled journey of recovering who we are why we're here and why the future bursts with possibilities if we are willing to say yes to life's brightest gifts In Say Yes Scott helps you learn how to reawaken your deepest desires disempower your greatest fears and identify the destructive narratives holding you back Combined with Scott's beautiful thought provoking illustrations this is a profound exploration of beginning again after Disappointment at how life is turning out Suspecting we are not prepared or smart enough Losing hope that change is possible and that pain can have a purpose Take the first step to gain the gentle yet powerful tools you need and say yes to what lies ahead today

Leaving God Behind David Arthur Auten, 2020-09-18 With warmth wisdom and compassion David Arthur Auten invites us to reclaim the secretive intuitive nature of authentic becoming In a time when many are increasingly disenchanted with traditional demarcations between belief and unbelief the sacred and secular Auten offers a refreshing account of what faith can look like beyond the bounds of religion Those thirsting for reacquaintance with true selfhood and the ability to heed the gift of their own inner voice will find consolation and inspiration in the author's story of leaving behind the church ministry and also God not in exchange for an atheist or even humanist outlook but as an act of faith itself Transgressive insightful and candid Leaving God Behind is a memoir of following God beyond God to a place of self compassion surrender and homecoming
