 at Athens, 445-403 B.C Evelyn Abbott, 1900 **Rescue of Business in Europe** Bob Wessels, Stephan Madaus, European
 Law Institute, 2020-01-30 This edited volume is based on the European Law Institute's project The Rescue of Business in
 Insolvency Law which ran from 2013 to 2016 The project sought to investigate and articulate the essential features of well
 functioning procedures for the rescue of distressed but viable businesses Although the focus was primarily on the design and
 implementation of formal procedures that is those provided by law the project also required consideration of the interaction
 between such procedures and informal solutions to distress given the obvious cost advantages of the latter The ELI project
 was not confined exclusively to restructurings since these are only one possible route to maximising the value of a distressed
 but viable business an auction procedure in which the business is sold on a going concern basis to a new owner is one
 obvious alternative The ELI project encompasses various aspects of both public constitutional law and insolvency law that
 may have a bearing on the functionality of formal restructuring procedures
