Sample Insights: 1 Women are emotional creatures and they test men to see how they respond to their emotions. If you get angry and yell back, walk away or blubber apologies, you fail the test. 2 A man can take only so much emotional abuse from a woman before he eventually breaks down or loses it altogether. That breaking point may come ten to twenty years into a marriage or it may come a few months into a new relationship.

Alpha Masculinity Eric Louis Russell, 2021-04-15 This book examines the linguistic and discursive mechanisms that realize the mythological American Alpha Male. Providing an in-depth dissection of corpora from an online socio-commercial community, a pop psychology guru, and fictional gay erotica, it unravels the ways language, gender, and hegemony play out in this ideological figure of neopositive essentialist masculinity. Through a detailed multi-level analysis, Russell shows how the Alpha figure combines elements of dominance, normativity, and androcentrism, and how these forces intersect with neoliberal and pseudoscientific discourses to establish a uniquely hybridized male hegemony, one that is familiar to most but whose internal mechanisms remain largely unquestioned and unexamined. This book will be of interest to academic scholars in sociolinguistics, discourse analysis, cultural studies, and gender and sexualities studies.
