Whats Wrong With Terrorism Paperback 2006 Author Robert E Goodin:

What's Wrong With Terrorism? Robert E. Goodin, 2013-04-23 Terrorists perform terrible acts They maim mutilate and kill in pursuit of their goals The horrifying events of 9 11 and the regular suicide bombings around the world have made terrorism one of the central preoccupations of the twenty first century But what is the distinctive wrong of terrorism Criminal acts such as murder and hijacking are already on the moral statute books so why is it that we regard terrorists as different from and morally worse than ordinary killers and kidnappers Some see terrorism is an ideology others claim it is a deep seated social or psychological failing others that it is a form of fighting unfairly judged by just war standards In this provocative new book Robert Goodin puts forward the view that terrorism is in fact a deliberate tactic of frightening people for socio political gain Fear affects peoples ability to reason clearly and undermines their capacity for autonomous self government In this way Goodin contends that terror is not only the weapon of organizations such as al Qaeda it also benefits democratic politicians who profit from the climate of insecurity induced by terrorist threats and violence Political figures conducting a campaign of fear as part of their war on terrorism may therefore be committing wrongs akin to those of terrorists themselves This Goodin argues is what is distinctively wrong with terrorism in the contemporary world The Book Review Digest ,2007 **Great Decisions 2008** Foreign Policy Association,2008 The Essence of Islamist Extremism Irm Haleem,2011-11-23 This book provides a conceptual analysis of Islamist extremism and examines radical Islamist rhetoric and various extremist groups Engaging in a conceptual analysis of Islamist extremism that focuses on the what is and not the why of Islamist extremism the book extends the traditional parameters of analysis from context specific and temporally confined causal analyses to a broader conceptual analysis relevant to the many different temporal and geo political contexts of Islamist extremist groups International Relations and World Politics Kahlil Newton,2019-09-01 The world in which we are living in is passing through a great period of transition The human history is undergoing new experiences and experiments It is also to be noted in the study of international relations and world politics While one must duly recognise the uniqueness of certain events and developments we are more concerned with the processes and patterns of behaviour found in the world politics The importance of the study of international relations is more significant and urgent because the world is getting increasingly interdependent Relations among states have an ever widening and deepening impact on the economic intellectual and social conditions of our existence The study of international relations as an academic discipline would solve all over internal and international problems You can analyse and explain contemporary international phenomena including identifying and assessing the positions and interests of key international subjects What's Wrong With Terrorism? Robert E. Goodin,2006-04-05 This book discusses the possibility that terrorism is a deliberate tactic of frightening people for socio political gain The author contends that terror is not only the weapon of organizations like Al Qaeda but it also benefits democratic politicians who profit from the climate of insecurity induced by terrorist threats and
