What's Wrong with Protestant Theology?

Tradition Vs. Biblical Emphasis Jon Mark Ruthven,2013-02-01 What Does the Bible Say vs What the Bible Emphasizes Grateful for the Reformation s break with errant beliefs and practices of the medieval church What s Wrong with Protestant Theology argues that Protestant theology nevertheless came up short Influenced by its quarrels with the Catholic Church it continued the long standing practice of using scripture mainly to support previously formulated answers to opponents Protestant theology asked primarily What does the Bible say about our theology while the better question is What message does the Bible clearly emphasize Asking this question relentlessly What s Wrong with Protestant Theology reveals the radical biblical message It moves far beyond a Protestant theology of preparation to the call to fulfill the purpose of Jesus mission throughout this present age of the Spirit Traditionalists may accuse the author of proposing another gospel but another from whose perspective that of traditional theology or of the Bible What s Wrong with Protestant Theology shows what the Bible emphasizes helping you discover the answer Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory Experience Tania M. Harris,2023-09-25

The revelatory experience or in common parlance hearing God s voice is prized by Pentecostal Charismatic Christians for its contribution to spirituality yet remains one of the most problematic areas of church life Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament Drawing on the tools of practical theology this book presents the findings of a unique and ground breaking study among Australian Pentecostals With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose

The Truth About Grace Vinson Synan,2018-04-03 Often the modern grace message gives people a license to disregard the clear moral teachings of Jesus and the apostles Churches around the globe teach a lawless grace and direct many to make choices of convenience and compromise Consequently Christianity loses public credibility as so called leaders of faith fall into adultery child abuse alcoholism financial corruption and many other sins This is the great crisis of the twenty first century church and respected theologian Vinson Synan says it s time to bring it to light Featuring perspectives of leaders from a range of cultural pastoral and theological backgrounds The Truth About Grace opens the discussion to more than a dozen scholarly contributors tackling topics such as grace and the security of the believer grace versus works and tongues as a manifestation of grace Synan brings you the key voices on this hot topic from hyper grace critic Michael Brown to Singaporean pastor Joseph Prince whom some consider a leading voice in the hyper grace movement The Truth About Grace will help you discern the unbiblical excesses in the modern grace message while growing in understanding of the true nature and purpose of grace

Thrailkill,2022-10-17 Two questions are braided together in Luke s Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke s Gospel is dense with story after story about Jesus s stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus s original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me **Training Spirit-Filled Local Church Leaders for the Twenty-First**

The Coptic Orthodox Church Today Nelly van Doorn-Harder,Kari Vogt,2012-02-01 The Coptic Orthodox Church in Egypt represents the largest Christian community in the Middle East today but few works have appeared that discuss the situation of the contemporary Church The Coptic Church has preserved ancient Christian traditions in a unique way Not only has it survived centuries of living in a predominantly Muslim environment but it has also managed to renew itself continuously during its long history This book covers for the first time the most important aspects of the contemporary Coptic Orthodox Church in Egypt and in the diaspora bringing together new knowledge which would otherwise remain largely inaccessible except to a small number of specialists **The Judeo-Christian Thought of Franz Rosenzweig** Daniel M

Herskowitz,2025-10-14 The Judeo Christian Thought of Franz Rosenzweig offers a new interpretation of Franz Rosenzweig s magnum opus The Star of Redemption commonly treated as one of the high points of modern Jewish thought and demonstrates its profound immersion in the Protestant conceptuality of its time It argues that appreciating the decisive mark

of Protestant thought on *The Star* solves many of its puzzles challenges some entrenched hagiographic orthodoxies about Rosenzweig and provides a unique perspective onto one of the most influential cases of the Protestantisation of Judaism The book shows that Rosenzweig's inventiveness resides in his weaving of Jewish and Christian motifs that result in an original scheme that is remarkably inclusive toward Judaism from a Christian perspective and remarkably inclusive toward Christianity from a Jewish perspective *The Star* thus emerges anew not simply as a work of Jewish thought that is influenced by Christian theology but as a work that is more accurately characterised as Judeo Christian

McKim, 2001-01-01 Compact yet comprehensive entries on theological terms as understood from a Reformed perspective are contained in this book With pieces written by esteemed Reformed scholars this book gives easy access to a wealth of theological information and summarizes the most significant aspects of Reformed theology

The Routledge Companion to the Practice of Christian Theology Mike Higton, Jim Fodor, 2015-03-24 This Companion introduces readers to the practice of Christian theology covering what theologians do why they do it and what steps readers can take in order to become theological practitioners themselves The volume aims to capture the variety of practices involved in doing theology highlighting the virtues that guide them and the responsibilities that shape them It also shows that the description of these practices virtues and responsibilities is itself theological what Christian theologians do is shaped by the wider practices and beliefs of Christianity Written by a team of leading theologians the Companion provides a unique resource for students and scholars of theology alike
