When Christians Act Like Christians:

When Christians Act Like Christians - Study Guide (Leader's Edition) Jeff Rosenau, 2014-09-02 Leader's Edition of Study Guide that goes with the book *When Christians Act Like Christians* for small group study *When Christians Get it Wrong* Adam Hamilton, 2013 Following Jesus can be more about serving others rather than judging them **As Pilgrims Progress - Learning how Christians can walk hand in hand when they don't see eye to eye** Stephen John March, David E. Bjork, 2015-05-29 This book is for Roman Catholic and Evangelical Protestant lay people who wonder what relationship if any they might have with their friends who come from a different Christian faith tradition than their own. The authors aim to address that question in a practical way. They believe that while disagreements remain, it is possible to preserve the integrity of the faith while relating positively to Christians who cherish other beliefs. The opinions expressed in this book grew out of nearly thirty years of experience as evangelical protestant missionaries ministering in catholic parish communities in France. The goal of the book is to move the readers beyond simply understanding each other to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship. We know of no other book which targets ecumenical lay relations in this way *Jewish-Christian 2000 Years War Against Jesus Christ* Mohammad Fawzi, 2014-12-12 Noticing how the world today is sinking into darkness as it did many times before through its history, seeing how the Muslims are working hard against the message that Allah sent, how Christians created their own preaching and faith, how the Jews worked all of their lives against the LORD and the men that the LORD sent, Mohammad Fawzi saw the need to do something and this book is the first of many he is working on in hope he may be able to correct the mistakes done today from all the beliefs, he will also deal with the darkness of the Atheists. In a world full with darkness and evil done against the LORD, the need for those who have the truth is increasing, not the false truth some claim to have but the genuine truth that is supported with solid proofs and convincing evidence. It is time for those who can do something to step up *Domesticated Glory* Gale Heide, 2010-09-01 *Domesticated Glory* critically examines the marriage between Evangelicalism and American politics. The study begins by engaging popular political pundits who wish to transform Christianity into an arm of the state. It then moves to examine some of the theological foundations proposed as support for the church's propping up of American political ideology. Finally, the study provides a more robust politics of the church by outlining how the church might act as a politics in itself. Thus, the church may gain a political voice as church in such a way as to make the world know it stands in need of redemption. This is a far cry from the liberal attempt of the Social Gospel and many modern evangelicals to transform the world into a pseudo church by cultural or social control. Unlike attempts to engage culture on its own terms in the political arena or to escape politics by avoiding any public testimony to the Gospel, this study lays out a way for the church to act as church in the public square, witnessing to a Gospel concerned primarily about the universe's King and His future Kingdom *The Baptist Missionary Magazine* Anonymous, 2025-08-05 Reprint of the
