Terry C. Jones

When Its Too Late To Tell When Its 1:

Under Their Thumb Bill German, 2009-02-24 *Under Their Thumb* is an up close and extremely personal dispatch from the amazing exclusive world of the Rolling Stones by someone who was lucky enough to live it and sober enough to remember it all The epic tale of an obsessive teenager who launched a Rolling Stones fanzine and spent the next two decades capturing the band s whirlwind metamorphosis from behind the scenes First rate firsthand account of the world s greatest rock n roll band and a disenchanted chronicle of its increasingly crass commercialization Kirkus Reviews As a teenager Bill German knew exactly what he wanted to do with his life chronicle the career and adventures of his favorite rock band the Rolling Stones And in 1978 on his sixteenth birthday he set out to make his dream a reality Feverishly typed in his Brooklyn bedroom and surreptitiously printed in his high school s mimeograph room German s Stones only newsletter Beggars Banquet was born His teachers discouraged it his parents dismissed it as a phase and his disco loving classmates preferred the Bee Gees but for German this primitive pre Internet fanzine was a labor of love And a fateful encounter with his idols on the streets of New York soon proved his efforts weren t in vain Impressed with Beggars Banquet the Stones gave the zine instant cred on the rock scene by singing its praises and by inviting German to hang with the band At first a fish out of water in the company of rock royalty German found himself spilling orange juice on a priceless rug in Mick Jagger s house and getting pegged as a narc by pals of Keith Richards and Ron Wood But before long he became a familiar fixture in the inner sanctum not just reporting Stones stories but living them He was a player in the Mick versus Keith feud and was an eyewitness to Keith s midlife crisis and Ron s overindulgences He even had a reluctant role in covering up Mick s peccadilloes In the span of a few months German recalls I d gone from wanting to know everything about my favorite rock stars to knowing too much In this warts and all book which includes many never before seen photographs German takes us to the Stones homes recording sessions and concerts around the world He charts the band s rocky path from the unthinkable depths of a near breakup to the obscenely lucrative heights of their blockbuster tours And ultimately German reveals why his childhood dream come true became a passion he finally had to part with **Comprehensive Curriculum of Basic Skills, Grade 4**, 2016-03-07

At the present time there are 5.3 million people in the U S living with Alzheimers and by 2010 nearly half a million new cases will be added each year Data indicate that 70% of Alzheimers patients are cared for at home Current studies of Alzheimers raise the possibility that early life traumas may be influential in the development of the disease There is evidence that chronic psychological stress is associated with a nearly three fold increased risk of the illness Family members and caregivers of Alzheimers patients health professionals and all who are concerned about the dramatic increase of the illness are interested in information which brings a greater depth to

understanding those afflicted with Alzheimers This book is autobiographical and thus becomes an Alzheimers story It is the story of an emotionally isolated childhood an unproductive education and an unhappy first marriage My deliverance came in the sustaining love of a second marriage and a rewarding life with my psychiatrist husband But now I have an illness that threatens the life restored and attempts to pummel me back into the depths of those earlier years Since the onset of Alzheimers six years ago the memories of my early years now return not just as thoughts but as feelings and they leave a defining imprint on the symptoms of my Alzheimers These symptoms include unreasoned resentment desperate feelings of isolation periods of profound embarrassment and humiliation inexplicable and uncontrollable anger recurring perceptions of personal guilt and inadequacy All of these currently darken my days and threaten my desire to live These are the same emotions that colored the earlier years of my life Now the raging emotions return and the emotional incontinence of Alzheimers puts my peace my love indeed my life once again in jeopardy
