How to Think Impossibly Jeffrey J. Kripal, 2024-07-26 A mind bending invitation to experience the impossible as fundamentally human From precognitive dreams and telepathic visions to near death experiences UFO encounters and beyond so called impossible phenomena are not supposed to happen But they do happen all the time Jeffrey J Kripal asserts that the impossible is a function not of reality but of our everchanging assumptions about what is real How to

Think Impossibly invites us to think about these fantastic yet commonplace experiences as an essential part of being human expressive of a deeply shared reality that is neither mental nor material but gives rise to both Thinking with specific individuals and their extraordinary experiences in vulnerable open and often humorous ways Kripal interweaves humanistic and scientific inquiry to foster an awareness that the fantastic is real the supernatural is super natural and the impossible is possible

Mystery School in Hyperspace Graham St John, 2015-11-24 Since the mid 1950s the psychoactive compound DMT has attracted the attention of experimentalists and prohibitionists scientists and artists alchemists and hyperspace emissaries While most known as a crucial component of the jungle alchemy that is ayahuasca DMT is a unique story unto itself Until now this story has remained untold *Mystery School in Hyperspace* is the first book to delve into the history of this substance the discovery of its properties and the impact it has had on poets artists and musicians DMT has appeared at crucial junctures in countercultural history William Burroughs was jacking the spice in Tangier at the turn of the 1960s It was present at the meeting between Ken Kesey s Merry Pranksters and Tim Leary s associates It guided the inception of the Grateful Dead in 1965 It showed up in Berkeley in the same year falling into the hands of Terence McKenna who would eventually become its champion in the post rave neo psychedelic movement of the 1990s Its indole vapor drifted through Portugal s Boom Festival and has been evident at Nevada s Burning Man where DMT has been adopted as spiritual technology supplying shape color and depth to a visionary art movement The growing prevalence of use is evident in a vast networked independent research culture and in its impact on fiction film music and metaphysics As this book traces the effect of DMT s release into the cultural bloodstream the results should be of great interest to contemporary readers The book permits a broad reading audience to join ongoing debates in studies in consciousness and theology where the brain is held to be either a generator or a receiver of consciousness The implications of the spirit molecule or the brain s own psychedelic among other theories illustrate that DMT may lift the lid on the Pandora s Box of consciousness Features a foreword by Dennis McKenna cover art by Beau Deeley and thirty color illustrations by various artists including Alex Grey Android Jones Martina Hoffmann Luke Brown Carey Thompson Adam Scott Miller Randal Roberts along with Jay Bryan Cyb Orryelle Defenestrade Bascule Art Van D lay Stuart Griggs Jay Lincoln Gwyllm Llwydd Shiptu Shaboo Marianna Stelmach and Mister Strange Regarded as the nightmare hallucinogen or celebrated as the spirit molecule labelled psychotogenic or entheogenic considered a dangerous drug or the suspected X factor in the evolution of consciousness DMT is a powerful enigma Documenting the scientists and artists drawn into its sphere of influence navigating the liminal aesthetics of the breakthrough experience tracing the novum of hyperspace in esoteric and science fiction currents *Mystery School in Hyperspace* excavates the significance of this enigmatic phenomenon in the modern world Exposing a great many myths this cultural history reveals how DMT has had a beneficial influence on the lives of those belonging to a vast underground network whose reports and initiatives expose drug war propaganda and shine a light in the shadows This conversation is

highly relevant at a time when significant advances are being made to lift the moratorium on human research with psychedelics

Harner,2013-04-09 The pioneering author of The Way of the Shaman continues his exploration of universal shamanism in this wonderful fascinating guide Carlos Castaneda In 1980 Michael Harner blazed the trail for the worldwide revival of shamanism with his seminal classic The Way of the Shaman In this long awaited sequel he provides new evidence of the reality of heavens Drawing from a lifetime of personal shamanic experiences and more than 2 500 reports of Westerners experiences during shamanic ascension Harner highlights the striking similarities between their discoveries indicating that the heavens and spirits they ve encountered do indeed exist He also provides instructions on his innovative core shamanism techniques so that readers too can ascend to heavenly realms seek spirit teachers and return later at will for additional healing and advice Written by the leading authority on shamanism Cave and Cosmos is a must read not only for those interested in shamanism but also for those interested in spirituality comparative religion near death experiences healing consciousness anthropology and the nature of reality **Meet Your Soul** Elisa Romeo,2015-03-03 In this groundbreaking book therapist and intuitive Elisa Romeo takes Soul beyond an intellectual concept and into a direct and personal relationship Pulling from depth psychology years of practical experience and touching stories from clients Elisa brings substance and gravitas and some levity to the topic of how to live a Soulful life This comprehensive straightforward program contains effective meditations visualizations and inquiries to support you on the often messy winding and yet amusing path of discovering your Soul in modern times Meet Your Soul not only tells you how to access your Soul connection but also preps you for some of the common obstacles you re likely to encounter on your journey With her kind and informed direction you ll learn to Understand the crucial distinction between ego Spirit and Soul Create and cultivate a strong spiritual practice Distinguish your Soul Truth from the beliefs of family friends and society Clearly access the voice of your Soul Gain

awareness of the key Soul contracts in your life and discover your Divine purpose This book helps you meet the oldest wisest and most loving part of yourself the part that gives meaning and purpose to your life Elisa shows that each of us has the capacity to hear this personal unique guidance directly You needn't look outside yourself to a guru program or system rather you can simply look within

Tryptamine Palace James Oroc, 2009-05-21 A journey from Burning Man to the Akashic Field that suggests how 5 MeO DMT triggers the human capacity for higher knowledge through direct contact with the zero point field Examines Bufo alvarius toad venom which contains the potent natural psychedelic 5 MeO DMT and explores its entheogenic use Proposes a new connection between the findings of modern physics and the knowledge held by shamans and religious sages for millennia The venom from Bufo alvarius an unusual toad found in the Sonoran desert contains 5 MeO DMT a potent natural chemical similar in effect to the more common entheogen DMT The venom can be dried into a powder which some researchers speculate was used ceremonially by Amerindian shamans When smoked it prompts an instantaneous break with the physical world that causes out of body experiences completely removed from the conventional dimensions of reality In *Tryptamine Palace* James Oroc shares his personal experiences with 5 MeODMT which led to a complete transformation of his understanding of himself and of the very fabric of reality Driven to comprehend the transformational properties of this substance Oroc combined extensive studies of physics and philosophy with the epiphanies he gained from his time at Burning Man He discovered that ingesting tryptamines unlocked a fundamental human capacity for higher knowledge through direct contact with the zero point field of modern physics known to the ancients as the Akashic Field In the quantum world of nonlocal interactions the line between the physical and the mental dissolves 5 MeO DMT Oroc argues can act as a means to awaken the remarkable capacities of the human soul as well as restore experiential mystical spirituality to Western civilization

Liquid Light G. William Barnard, 2022-06-07 The Santo Daime is a syncretic religion that arose in the Amazon region of Brazil in the middle of the twentieth century and now has churches throughout the world Its spiritual practice is based around the sacramental use of ayahuasca a psychedelic brew consumed only within regular ceremonies In *Liquid Light* G. William Barnard an initiate of the religion and a scholar of religious studies considers the religious practice and transformative inner experiences of the Santo Daime community Immersing readers in his own journeys into nonordinary states of consciousness Barnard provides a vivid as well as introspective depiction of the dramatic ritual and visionary worlds that a practitioner of this tradition encounters He combines striking first person accounts of the ritual life of the Santo Daime with accessible examinations of the psychological and philosophical significance of mystical states and mediumship Bridging insider and outsider perspectives on religious experience Barnard demonstrates how the Santo Daime offers its practitioners a transformative and profoundly illuminating spiritual path *Liquid Light* also reflects on the broader implications of psychedelics arguing that entheogenic religions can shed light on a wide range of key philosophical questions concerning consciousness selfhood and reality

Human Ground, Spiritual Ground Kess Frey, 2012-08 Our biography is our most

precious intimate possession yet how much do we really know about ourselves With a little work we can discover in the unfolding of our biography the traces of a marvelous cosmic patterning the cycles of our life The seven year cycle converts experience into psychological faculties the twelve year cycle marks the way changing self awareness of the personality is translated into our life s work the thirty year cycle marks a major turning point in life The Veiled Pulse of Time explores these cycles as well as the questions of freedom and destiny transformation reincarnation and karma Bryant writes with force and beauty His deep insights into the elements of rhythm the time body and the cycles in human life combined with examples from biographies as diverse as Nehru Marilyn Monroe and Leo Tolstoy make for a book that cannot be put down until finished An invaluable work for counselors educators and those who wonder about their destiny Robert Sardello PhD author of Facing the World with Soul Miracles, Mystics, Mathematicians Sasho Kalajdzievski, 2023-11-30 Miracles Mystics Mathematicians Searching for Deep Reality focuses on the lives and writings of some of history s most influential mathematicians and the impact that their mystical beliefs had on their lives and on their mathematical work Modern biographers often cleanse the lives of renowned scientists of any hint of mysticism or occultism Such threads are sometimes regarded as relics of the superstitious past flaws that need to be hushed up marginalized or reinterpreted This book represents a minor attempt to push back against this tendency and to examine these aspects of the history of mathematics with seriousness and intellectual curiosity Features A breadth of scope covering many centuries Suitable for anyone interested in mathematics history philosophy paranormal phenomena psi research mysticism or in any combination of the above An almost unique account of known histories examined from a new vantage point Sasho Kalajdzievski is a Senior Scholar in the Department of Mathematics at the University of Manitoba *The Accidental Immigrant* Kyriacos C. Markides, 2021-04-28 The Accidental Immigrant is the capstone work of world renown author Professor Kyriacos C Markides based on his over fifty year quest for an authentic understanding of the true nature of Reality As a teenager he arrived at the docks of New York in 1960 with the purported aim of earning a business degree and returning to his native Cyprus Thanks to a string of uncanny coincidences he soon realized that the real meaning and purpose of his Atlantic crossing was not the acquisition of practical skills but the development of his social awareness and spiritual consciousness This is the story among other things of his valiant struggles to assimilate within American society and culture of his peace activism to help heal the wounds of ethnic strife in his native Island and of his relentless quest for spiritual fulfillment within the challenging confines of the secular and agnostic world of modern academia As a sociologist and a field researcher he shares with us his encounters with a variety of remarkable people that include colorful Christian shamans and healers possessors of paranormal gifts as well as charismatic monks and ascetics who exposed him to the magnificent spiritual wisdom of Eastern mystical Christianity It is among other things these kinds of experiences that step by step led him to realize that there is a deeper Truth over and beyond our physical and sensate universe that is the foundation and wellspring of everything that happens in

our lives within the three dimensional world And it is this awareness that could eventually lead towards the integration of the best of science with the best of religion for the long term survival of the human race **The New Psychedelic Revolution**

James Oroc,2018-01-16 A bold exploration of modern psychedelic culture its history and future Examines 3 modern psy culture architects chemist Alexander Sasha Shulgin mycologist philosopher Terence McKenna and visionary artist Alex Grey Investigates the use of microdosing in extreme sports the psy trance festival experience and the relationship between the ego entheogens and toxicity Presents a History of Visionary Art from its roots in prehistory to Ernst Fuchs and the Vienna School of the Fantastic to contemporary psychedelic art After the dismantling of a major acid laboratory in 2001 dramatically reduced the world supply of LSD the psychedelic revolution of the 1960s appeared to have finally run its course But the opposite has actually proven to be true and a psychedelic renaissance is rapidly emerging with the rise in popularity of transformational festivals like Burning Man and BOOM the return to positive media coverage of the potential benefits of entheogens and the growing number of celebrities willing to admit the benefits of their own personal use Along with the return of university research the revival of psychedelic philosophy and the increasing popularity of visionary art these new developments signify the beginning of a worldwide psychedelic cultural revolution more integrated into the mainstream than the counterculture uprising of the 1960s In his latest book James Oroc defines the borders of 21st century psychedelic culture through the influence of its three main architects chemist Alexander Shulgin mycologist Terence McKenna and visionary artist Alex Grey before illustrating a number of facets of this Second Psychedelic Revolution including the use of microdosing in extreme sports the tech savvy psychedelic community that has arisen around transformational festivals and the relationship between the ego entheogens and toxicity This volume also presents for the first time a History of Visionary Art that explains its importance to the emergence of visionary culture Exploring the practical role of entheogens in our selfish and fast paced modern world the author explains how psychedelics are powerful tools to examine the ego and the shadow via the transpersonal experience Asserting that a cultural adoption of the entheogenic perspective is the best chance that our society has to survive he then proposes that our ongoing psychedelic revolution now a century old since the first synthesis of a psychedelic in 1918 offers the potential for the birth of a new Visionary Age **The Big Anxiety** Jill

Bennett,2022-05-19 This book takes a creative approach in examining one of the biggest crises of our time that of mental suffering distress and anxiety By bringing together essays and dialogues from thinkers and artists across a range of disciplines it re imagines approaches to crisis support and care Amid growing recognition that mental health is not only the province of psychiatry and the health sector but a concern for the whole community the book opens up critical new ways of thinking about our internal lives and the forces that affect them The book significantly advances the way we think about cultural responses to mental health and the understanding of the struggles of inner life Featuring both theoretical and practical examples of the value of using imagination in response to trauma anxiety and depression The Big Anxiety shows
