When Chores Were Done Boyhood Stories:

When Chores Were Done Jerry Apps, 2006 The Midwest in the 1930s 1940s and 1950s was a special place a place where parents and children worked side by side to eke out a living from the land and neighbors stuck by each other through good times and bad In this affectionate insightful collection of stories Jerry Apps takes us to that world He relives the toughness of farm life plowing the soil with horses milking cows by hand putting in long days with heavy dangerous machinery He shows us the lighter side too as he peddles his father's massive rutabaga harvest and gets to know the neighbor boys and their personal dictionary of cuss words We meet Frank Pinky and Harry three farmers whose love of music could transform an entire community Morty the odd loner whom only a few wild animals could understand and Fanny the extraordinary collie whose role on the farm was as important as that of any human being Withing each story we see just how warm loving and supremely educational growing up on a farm could be for it is here that a young child learns not only how to take the head off a chicken and drive a tractor like a grown up but to deal with illness disability and death Resonating with poignancy and humor *When Chores Were Done* contains stories you'll want to read over and over again Jerry Apps is a master storyteller who writes through the eyes of a child and with the wisdom of a man Through the tales are personal their lessons are universal 100 Years of Vintage Farm Tractors Michael Dregni, This tribute to 100 years of vintage farm tractors is for all those who get it those who appreciate the lines of a recently restored tractor glistening in the sun those who get goosebumps at the distinctive sounds of the famous Poppin Johnnies those who plan their budgets and days around the careful restoration of that Minne Mo or Farmall *Great Lakes and Midwest Catalog* Partners Book Distributing, 2007
