When In Doubt Add Butter:

When in Doubt, Add Butter Beth Harbison, 2024-06-04 A delicious novel about a private chef's search for all the right ingredients to true love by the New York Times bestselling author of *The Cookbook Club*. As far as Gemma is concerned her days of dating are over. In fact it's her job to cater other people's dates and that's just fine by her. At thirty-seven she has her own business working as a private chef and her life feels full and secure. She's got six steady clients that keep her hands full. There's Lex the fussy but fabulous department store owner who loves Oysters Rockefeller and 1950s comfort food. Willa who needs to lose weight under doctor's orders but still believes butter makes everything better. A colorful family who may or may not be part of the Russian mob. An uberwealthy Georgetown family the picture perfect Van Houghtens whose matriarch is allergic to everything and finally a man she calls Mr. Tuesday whom she has never met but who she is strangely drawn to. For Gemma cooking is predictable. Recipes are certain. Use good ingredients follow the directions and you are assured success. Life on the other hand is full of variables. So when Gemma's life takes an unexpected turn on a road she always thought was straight and narrow she must face her past and move on in ways she never would have imagined. Because sometimes in life all you need is a little hope a lot of courage and oh yes butter. Praise for *When In Doubt Add Butter* Harbison dazzles in her latest a perfect blend of chick lit and women's fiction. Absolutely first rate. Publishers Weekly starred review. A loveable heroine and an engaging cast of eccentrics make for a cheerful summer read. Kirkus Reviews Delicious just like dessert.
