When Rabbit Howls Truddi Chase, 2002-02-05 A woman diagnosed with dissociative identity disorder reveals her harrowing journey from abuse to recovery in this 1 New York Times bestselling autobiography written by her own multiple personalities Successful happily married Truddi Chase began therapy hoping to find the reasons behind her extreme anxiety mood swings and periodic blackouts What emerged from her sessions was terrifying Truddi's mind and body were inhabited by the Troops ninety two individual voices that emerged to shield her from her traumatizing childhood For years the Troops created a world where she could hide from the pain of the ritualized sexual abuse she suffered at the hands of her own stepfather abuse that began when she was only two years old It was a past that Truddi didn't even know existed until she and her therapist took a journey to where the nightmare began Written by the Troops themselves When Rabbit Howls is told by the very alter egos who stayed with Truddi Chase watched over her and protected her What they reveal is a spellbinding descent into a personal hell and an ultimate triumphant deliverance for the woman they became When Rabbit Howls Truddi Chase, 1990 When Rabbit Howls Truddi Chase, 1990-04-01 A woman diagnosed with dissociative identity disorder reveals her harrowing journey from abuse to recovery in this 1 New York Times bestselling autobiography written by her own multiple personalities Successful happily married Truddi Chase began therapy hoping to find the reasons behind her extreme anxiety mood swings and periodic blackouts What emerged from her sessions was terrifying Truddi's mind and body were inhabited by the Troops ninety two individual voices that emerged to shield her from her traumatizing childhood For years the Troops created a world where she could hide from the pain of the ritualized sexual abuse she suffered at the hands of her own stepfather abuse that began when she was only two years old It was a past that Truddi didn't even know existed until she and her therapist took a journey to where the nightmare began Written by the Troops themselves When Rabbit Howls is told by the very alter egos who stayed with Truddi Chase watched over her and protected her What they reveal is a spellbinding descent into a personal hell and an ultimate triumphant deliverance for the woman they became **New York Magazine**, 1990-05-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Your Symphony of Selves* James Fadiman, Jordan Gruber, 2020-08-04 Why you are a different you at different times and how that's both normal and healthy Reveals that each of us is made up of multiple selves any of which can come to the forefront in different situations Offers examples of healthy multiple selves from psychology neuroscience pop culture literature and ancient cultures and traditions Explores how to harmonize our selves and learn to access whichever one is best for a given situation Offering groundbreaking insight into the dynamic nature of personality James Fadiman and Jordan

Gruber show that each of us is comprised of distinct autonomous and inherently valuable selves They also show that honoring each of these selves is a key to improved ways of living loving and working Explaining that it is normal to have multiple selves the authors offer insights into why we all are inconsistent at times allowing us to become more accepting of the different parts of who we and other people are They explore through extensive reviews how the concept of healthy multiple selves has been supported in science popular culture spirituality philosophy art literature and ancient traditions and cite well known people including David Bowie and Beyonc who describe accessing another self at a pivotal point in their lives to resolve a pressing challenge Instead of seeing the existence of many selves as a flaw or pathology the authors reveal that the healthiest people mentally and emotionally are those that have naturally learned to appreciate and work in harmony with their own symphony of selves They identify the Single Self Assumption as the prime reason why the benefits of having multiple selves has been ignored This assumption holds that we each are or ought to be a single consistent self yet we all recognize in reality that we are different in different situations Offering a pragmatic approach the authors show how you can prepare for situations by shifting to the appropriate self rather than being switched or triggered into a sub optimal part of who you are They also show how recognizing your selves provides increased access to skills talent and creativity enhanced energy and improved healing and pain management Appreciating your diverse selves will give you more empathy toward yourself and others By harmonizing your symphony of selves you can learn to be in the right mind at the right time more often
