When The Grey Beetles Took Over Baghdad:

When the Grey Beetles Took Over Baghdad Mona Yahia, 2011-10-10 In Baghdad Lina is trying to lead a normal life but politics keep intruding Violent government coups are almost annual events and it's difficult for a child to understand what's going on or who to believe The need for secrecy means Lina cannot tell her best friend that they are just waiting for the right moment to flee It is the 1960s and Lina is part of the dwindling Jewish community Mona Yahia was born in Baghdad in 1954 and escaped with her family to Israel in 1970 In 1985 she moved to Germany to study fine arts and has remained there ever since Winner of the Jewish Quarterly Wingate Prize for Fiction 2001 Yahia rolls Baghdad around her tongue savouring its suks smells and sweetmeats reading her makes one hungry This is a truly exotic novel but it's also a coming of age work in which the almost imperceptible transformation from childhood to adolescence is saltily observed and never sentimentalised Yahia's prose courses with insight and wit Her deftness of touch means that despite its subject matter this novel never becomes a bleak tale of religious persecution but remains a fresh story about adolescent experience in adversity with parallels in the most unlikely places Anne Karpf The Guardian The novel powerfully conveys the author's outrage as well as her nostalgia for her native land The Times Yahia's writing evokes both the sensuality of domestic intimacy alongside the horror of public hangings When the Grey Beetles Took Over Baghdad is most politically sophisticated and also most poignant when it explores questions of language and identity Alev Adil Times Literary Supplement

Last Days in Babylon Marina Benjamin, 2006-10-31 Marina Benjamin grew up in London feeling estranged from her family's exotic Middle Eastern ways She refused to speak the Arabic her mother and grandmother spoke at home She rejected the peculiar food they ate in favor of hamburgers and beer But when Benjamin had her own child a few years ago she realized that she was losing her link to the past In Last Days in Babylon Benjamin delves into the story of her family's life among the Jews of Iraq in the first half of the twentieth century When Iraq gained independence in 1932 Jews were the largest and most prosperous ethnic group in Baghdad They dominated trade and finance hobnobbed with Iraqi dignitaries and lived in grandiose villas on the banks of the Tigris Just twenty years later the community had been utterly ravaged its members effectively expelled from the country by a hostile Iraqi government Benjamin's grandmother Regina Sehayek lived through it all Born in 1905 when Baghdad was still under Ottoman control her childhood was a virtual idyll This privileged existence was barely touched when the British marched into Iraq But with the rise of Arab nationalism and the first stirrings of anti Zionism Regina then a young mother began to have dark premonitions of what was to come By the time Iraq was galvanized by war revolution and regicide Regina was already gone her hair raising escape a tragic exodus from a land she loved and a permanent departure from the husband whose gentle guiding hand had made her the woman she was Benjamin's keen ear and fluid writing bring to life Regina's Baghdad both good and bad More than a stirring story of survival Last Days in Babylon is a bittersweet portrait of Old World Baghdad and its colorful Jewish community whose roots predate the birth of Islam by a thousand years and whose culture did

much to make Iraq the peaceful desert paradise that has since become a distant memory In 2004 Benjamin visited Baghdad for the first time searching for the remains of its once vital Jewish community What she discovered will haunt anyone who seeks to understand a country that continues to command the world's attention just as it did when Regina Sehayek proudly walked through Baghdad's streets By turns moving and funny Last Days in Babylon is an adventure story a riveting history and a timely reminder that behind today's headlines are real people whose lives are caught too often tragically in the crossfire of misunderstanding age old prejudice and geopolitical ambition Global Jewish Foodways Hasia R. Diner, Simone Cinotto, 2018-01-01 The history of the Jewish people has been a history of migration Although Jews invariably brought with them their traditional ideas about food during these migrations just as invariably they engaged with the foods they encountered in their new environments Their culinary habits changed as a result of both these migrations and the new political and social realities they encountered The stories in this volume examine the sometimes bewildering kaleidoscope of food experiences generated by new social contacts trade political revolutions wars and migrations both voluntary and compelled This panoramic history of Jewish food highlights its breadth and depth on a global scale from Renaissance Italy to the post World War II era in Israel Argentina and the United States and critically examines the impact of food on Jewish lives and on the complex set of laws practices and procedures that constitutes the Jewish dietary system and regulates what can be eaten when how and with whom Global Jewish Foodways offers a fresh perspective on how historical changes through migration settlement and accommodation transformed Jewish food and customs **Reading on Location** Luisa Moncada, 2016-12-01 From the charming city of Bath featured in Jane Austen's Persuasion to the Amazon of Mario Vargas Llosa's La Casa Verde this unique travel guide brings you to the places you've only read about Whether you want to learn more about a destination or follow in the footsteps of a favorite character Reading on Location helps you make the most of your trip **Longing and Belonging** Nancy E. Berg, Dina Danon, 2025-02-25 This volume explores the history of Jewish life and experience in the modern Islamic world Longing and Belonging investigates the lives of Jews among Muslims in the modern age both inside and outside the Ottoman Empire and after its demise Here modern Jewish protagonists are revealed as active participants in an expansive Islamic civilization reflecting a mutuality and cross fertilization in the region that raises new lines of inquiry and which offers enduring lessons for the world today This collection both foregrounds the experiences of Jewish communities that have long been relegated to the margins of historical and literary studies and critically uses these experiences to complicate prevailing narratives from both Jewish and Middle Eastern Studies By following communities from the coffeeshops of Cairo to the villages of Yemen from the local marriage market in Izmir to the global commerce of the Sassoons readers gain intimate insight into a world that resists a simple understanding of the modern Islamic world and of the place of Jews within it Just as much as the Sephardi and Mizrahi experience complicates prevailing paradigms in the study of Jewish modernity so too does it enrich understandings of modernity across Muslim societies The volume tells a story

of longing belonging and longing to belong of multiple affinities in a world that no longer exists Contributors Esra Almas Nancy E Berg Dina Danon Keren Dotan Annie Greene Alma Rachel Heckman Hadar Feldman Samet Joseph Sassoon Edwin Seroussi Alon Tam Alan Verskin Mark Wagner *The Literary Review* ,2003 *Jewish Quarterly* ,2001 *The Jewish Quarterly* ,2000 *Middle East* ,2006-04 The Jewish Year Book 2002 Stephen W.
