When the Saints Go Marching Out! Art Beals, 2001-01-01 Pastor consultant and award winning author Art Beals challenges churches to see each member as a potential missionary in so doing churches return full circle to the New Testament church model of ministry Founded in trinitarian theology Beal s practical advice explores congregation based mission explains how to creatively mobilize resources for mission and discusses how to train and care for volunteers Beal s model for outreach emphasizes principles for partnership that provide mutual empowerment and long term commitment

Factions, Friends and Feasts Jeremy Boissevain, 2013-03-01 Drawing on field research in Malta Sicily and among Italian emigrants in Canada this book explores the social influence of the Mediterranean climate and the legacy of ethnic and religious conflict from the past five decades Case studies illustrate the complexity of daily life not only in the region but also in more remote academe by analysing the effects of fierce family loyalty emigration and the social consequences of factionalism patronage and the friends of friends networks that are widespread in the region Several chapters discuss the social and environmental impact of mass tourism how locals cope and the paradoxical increase in religious pageantry and public celebrations The discussions echo changes in the region and the related development of the author s own interests and engagement with prevailing issues through his career

Reversible Destiny Peter T. Schneider, Jane Schneider, 2003-03-13 Reversible Destiny traces the history of the Sicilian mafia to its nineteenth century roots and examines its late twentieth century involvement in urban real estate and construction as well as drugs Based on research in the regional capital of Palermo this book suggests lessons regarding secretive organized crime its capacity to reproduce a subculture of violence through time its acquisition of a dense connective web of political and financial protectors during the Cold War era and the sad reality that repressing it easily risks harming vulnerable people and communities Charting the efforts of both the judiciary and a citizen s social movement to reverse the mafia s economic political and cultural power the authors establish a framework for understanding both the difficulties and the accomplishments of Sicily s multifaceted antimafia efforts

Spirit in the Writings of John Tricia Gates Brown,2004-05-01 Tricia Gates Brown employs the methodology of socio scientific biblical criticism to investigate the pneumatology of John and 1 John She argues that the meaning of spirit in John and 1 John is best understood using the anthropological model of brokerage The model of patronage and its relevance to the socio cultural world of John s gospel is also discussed Spirit in the Writings of John examines the development in pneumatology between John and 1 John and analyzes what this suggests about the socio cultural context of the Johannine community There is a discussion of the meaning of the term paracletos in literature antedating John and the dominant view that the word was a formal forensic term is challenged

Other Histories Kirsten Hastrup,2013-01-11 The historization of anthropology has entailed a radically new view upon history and the nature of history This collection of papers from the first conference of the newly formed European Association of Social Anthropologists demonstrate how ways of thinking about history are important features of any production of history and how cultural concepts enter as forces of historical causation

Paul and Patronage Joshua Rice,2013-07-22 The question of how leadership and authority functioned in the Pauline church remains one of the most polarizing issues in New Testament scholarship today On the one side are egalitarian and counterimperial readings that stake their interpretation of the liberating gospel upon a depiction of the Pauline church as radically countercultural with regard to leadership and authority On the other side are authoritarian readings that just as easily conceive of Paul as fully embedded within the cultural conceptions and structures of leadership and authority in vogue across the Greco Roman world This study employs social science criticism to construct a model of ancient patronage conventions and power exchange dynamics in the Greco Roman world and this model is then applied to 1 Corinthians This study finds that when Paul addresses his own apostolic relationship to the Corinthians he tends toward reinscribing traditional hierarchies but that when Paul addresses relationships between participants of the Corinthian assembly he tends toward overturning them

Clientelism and Patronage in the Middle East and North Africa Laura Ruiz de Elvira,Christoph Schwarz,Irene Weipert-Fenner,2018-07-17 One common demand in the 2011 uprisings in the MENA region was the call for freedom dignity and social justice Citizens rallied against corruption and clientelism which for many

protesters were deeply linked to political tyranny This book takes the phenomenon of the 2011 uprisings as a point of departure for reassessing clientelism and patronage across the entire MENA region Using case studies covering Morocco Tunisia Egypt Jordan Lebanon Turkey and the Gulf monarchies it looks at how the relationships within and between clientelist and patronage networks changed before 2011 The book assesses how these changes contributed to the destabilization of the established political and social order and how they affected less visible political processes It then turns to look at how the political transformations since 2011 have in turn reconfigured these networks in terms of strategies and dynamics and concomitantly what implications this has had for the inclusion or exclusion of new actors Are specific networks expanding or shrinking in the post 2011 contexts Do these networks reproduce established forms of patron client relations or do they translate into new modes and mechanisms As the first book to systematically discuss clientelism patronage and corruption against the background of the 2011 uprisings it will be a valuable resource for students and scholars of Middle Eastern Studies The book also addresses major debates in comparative politics and political sociology by offering networks of dependency as an interdisciplinary conceptual approach that can travel across place and time Sourcebook for Sundays, Seasons, and Weekdays 2012 Liturgy Training Publications,2011-03-28
