When Ye Pray Anatomy Testament:

The Anatomy of Prayer Michael Boldea, Jr.,2015-12-09 This is the second volume of an ongoing study of prayer The Anatomy of Prayer book two begins to dissect and analyze the prayers of the Old Testament not only discovering the importance of these prayers but why they were so effective in the sight of God Why were these prayers included within the pages of scripture while countless others were not Why should we model our prayers after those who came before us and what can they teach us about our prayer lives These and many more are the questions book two on the anatomy of prayer grapples with and invariably answers

When Ye Pray Michael Boldea,2013-02-16 Every true man of God whether in the Old Testament the New Testament or in our modern age share one commonality Although separated by time geography level of education and social standing what unites every true man of God is prayer In his first of three volumes on the topic of prayer Boldea outlines what prayer is the different kinds of prayer why prayer is so important and how changing our attitude toward prayer will transform our spiritual walk for the better In a simple straightforward and unassuming manner Boldea outlines the multidimensionality of prayer and uncovers its true power in the life of the believer Whether you are a babe in Christ or a mature believer this book will be an eye opening journey into the topic of prayer and how essential prayer is for all who desire to grow in God
