## **Where Is The Mango Princess A Journey Back From Brain Injury:**

**Where Is the Mango Princess?** Cathy Crimmins, 2001-10-09 Humorist Cathy Crimmins has written a deeply personal wrenching and often hilarious account of the effects of traumatic brain injury not only on the victim in this case her husband but on the family When her husband Alan is injured in a speedboat accident Cathy Crimmins reluctantly assumes the role of caregiver and learns to cope with the person he has become No longer the man who loved obscure Japanese cinema and wry humor Crimmins husband has emerged from the accident a childlike and unpredictable replica of his former self with a short attention span and a penchant for inane cartoons Where Is the Mango Princess is a breathtaking account that explores the very nature of personality and the complexities of the heart Outstanding Book Award Winner from the American Society of Journalists and Authors

**Psychotherapy for Families after Brain Injury** Pamela S. Klonoff, 2014-04-18 Whether caused by illness accident or incident brain injury requires multi tiered resources for the patient and considerable external care and support When recovery is sidelined by depression anger grief or turmoil family members and the support network have critical roles to play and need their own guidance and compassionate therapeutic interventions Psychotherapy for Families after Brain Injury offers theoretical frameworks and eclectic techniques for working effectively with adult patients and their families at the initial active and post treatment phases of rehabilitation This practical reference clarifies roles and relationships of the support network in interfacing with the loved one and addresses the understandably devastating and sometimes derailing emotions and psychosocial adversities The content promotes psychoeducation and guided exercises delineates helpful hints and coping tools and proffers multimedia resources to overcome hurdles Constructs of awareness acceptance and realism for all parties are woven throughout along with ideas to enhance the support network s commitment adjustment positivity hope and longevity Case excerpts instructive quotes from caregivers and nuggets of clinical advice assist in analyzing these and other topics in salient detail The impact of brain injury on different family members Treatment themes in early family sessions Family therapy for moderate to severe brain injury concussion and postconcussion syndrome Family therapy after organic brain injury stroke anoxia tumor seizure disorders Family group treatment during active rehabilitation End of life and existential considerations and positive aspects of care giving Aftercare group therapy for long term needs The hands on approach demonstrated in Psychotherapy for Families after Brain Injury will enhance the demanding work of a range of professionals including neuropsychologists clinical psychologists rehabilitation psychologists family therapists marriage and family counselors psychiatrists behavioral mental health counselors clinical social workers rehabilitation specialists such as speech language pathologists physical and occupational therapists and graduate students in the helping professions

**The Fight of Our Life** Catherine Hawley, 2014-11-10 It was a virtual death sentence The resident at the hospital had just said We are recommending Bill be sent to a nursing home He has some cognitive issues and is unlikely to benefit from rehabilitation Complications had set in ten days after successful brain surgery Fewer than four weeks

later still unable to clearly define the cause the medical team had reached its decision They were giving up on him My husband was fifty six years old It was my unshakeable belief that their decision was both wrong and premature We had everything at stake Suddenly I was fighting for his life Our life How the hell did we get to this The Fight of Our Life is Catherine Hawley's dramatic no holds barred account of her battles with the health care system to attain rehabilitation and a higher quality of life for her husband at home allowing them more years of their special life together It is a soaring love story and a sobering patient beware story a dramatic engaging read with clear warnings of how readers should prepare for medical struggles ahead

*Atypical Plays for Atypical Actors* Kaite O'Reilly, 2016-03-14 *Atypical Plays For Atypical Actors* is the first of its kind a collection of dramas which redefines the notion of normalcy and extends the range of what it is to be human From monologues to performance texts to realist plays these involving and subversive pieces explore disability as a portal to new experience Includes the plays peeling The Almond and the Seahorse In Water I'm Weightless the 9 Fridas and Cosy Although disabled characters appear often in plays within the Western theatrical tradition seldom have the writers been disabled or Deaf themselves or written from those atypical embodied experiences This is what contributes to making Kaite O'Reilly's Selected Plays essential reading critically acclaimed plays and performance texts written in a range of styles over twelve years but all informed by a political and cultural disability perspective They answer back to the moral and medical models of disability and attempt to subvert or critique assumptions and negative representations of disabled people The selected plays and performance texts exhibit a broad approach to issues around disability Some like In Water I'm Weightless The d Monologues part of the Cultural Olympiad and official festival celebrating the 2012 London Olympics and Paralympics are embedded in disability politics aesthetics and crip humour A montage of monologues that can be performed solo or as a chorus they challenge the normative gaze and celebrate all the possibilities of human variety The Almond and the Seahorse is different a mainstream character led realist drama about survivors of Traumatic Brain Injury with subversive politics in its belly A response to tragic but brave depictions of head injury and memory loss and informed by personal experience the play interrogates the reality of living with TBI questioning who the victims are peeling a landmark play written for one Deaf and two disabled female actors was originally produced by Graeae Theatre Company in 2002 2003 and for BBC Radio 3 A feminist masterpiece quietly ground breaking Joyce McMillan The Scotsman it has become a set text for Theatre and Drama and Disability Studies university degree courses in the UK and US Frequently remounted its lively meta theatrical form supports its central themes of war eugenics and a woman's control over her fertility which are as relevant today as ever peeling was written exclusively for performers identifying as Deaf disabled or neuro divergent The performance text the 9 Fridas is a complex mosaic offering multiple representations of arguably the world's most famous female artist Frida Kahlo reclaiming her as a disability icon Performed in Mandarin translation it was the closing production of the 2014 Taipei Art Festival and will transfer to Hong Kong in October 2016 It is currently being translated into German Hindi and Spanish Cosy

is a darkly comedic look at the joys and humiliations of getting older and how we shuffle off this mortal coil Three generations of a dysfunctional family explore their choices in a world obsessed with eternal youth and asks whose life or death is it anyway An Unlimited Commission Cosy premiered in 2016 appearing at the Unlimited Festivals at Southbank Centre and Tramway The 9 Fridas Cosy and The Almond and The Seahorse These performance texts and plays were written for an inclusive diverse cast of disabled non disabled hearing and Deaf identifying performers *Psychotherapy after Brain Injury* Pamela S. Klonoff, 2010-06-09 This book presents hands on tools for addressing the multiple ways that brain injury can affect psychological functioning and well being The author is a leader in the field who translates her extensive clinical experience into clear cut yet flexible guidelines that therapists can adapt for different challenges and settings With a focus on facilitating awareness coping competence adjustment and community reintegration the book features helpful case examples and reproducible handouts and forms It shows how to weave together individual psychotherapy cognitive retraining group and family work psychoeducation and life skills training and how to build and maintain a collaborative therapeutic relationship **Expressive Writing** Kate Thompson, Kathleen Adams, 2015-08-20 Expressive writing is life based writing that focuses on authentic expression of lived experience with resultant insight growth and skill building Therapists coaches healthcare professionals and educators have known for decades that expressive writing is a powerful tool for better living learning and healing But until now few have had access to practical applications that have proven successful In this groundbreaking collection you ll discover how expressive writing can call us into healing community exciting new discoveries about how writing can support neuroplasticity and actually help change our brains and thus our thinking and behavior new research on the role of expressive writing for prevention of compassion fatigue in RNs show transformative writing can create art from the ashes of trauma the role of journal writing for emotional balance sensible ideas about the synergy of expressive writing and play therapy for children teens and adults interventions and strategies for the use of expressive writing in acute psychiatric care how interactive expressive writing helps deaf teens communicate inarticulate feelings and thoughts how cancer survivors can use expressive writing to reclaim identity and strength post treatment the role of expressive writing in developing the roots of resilience for practitioners **Insight into Acquired Brain Injury** Christine Durham, Paul Ramcharan, 2017-07-26 This book offers an empowering approach to working with people with an acquired brain injury ABI based upon the views and perspectives of people with ABI themselves Drawing upon Christine Durham s own ABI experience and Paul Ramcharan s engagement in disability research over a quarter of a century this volume gives voice to 36 participants with ABI as well as carers and other professionals from both urban and rural areas This unique perspective provides a long needed empathic alternative to the deficit based model of ABI that dominates medical literature and existing rehabilitation models In *Insight into Acquired Brain Injury* the authors use educational and learning principles together with Durham s extensive archive of experiential data to offer a reframing of the nature and experience of ABI and relevant a set of

practical real world tools for practitioners These ready to adopt and adapt scripts guided interviews research checklists thinking tools and other innovative techniques are designed to engage with people and colleagues about brain injury as a means of supporting them to feel and fare better With compassion and first hand awareness Insight into Acquired Brain Injury provides a much needed perspective that deepens current understanding and translates the complicated life worlds of people living with ABI in order to motivate empower and increase their participation Health is Your Wealth Magazine
