Where Justice And Mercy Meet Catholic Opposition To The Death Penalty:

Where Justice and Mercy Meet Vicki Schieber,Trudy D. Conway,David Matzko McCarthy,2013-02-01 Where Justice and Mercy Meet Catholic Opposition to the Death Penalty comprehensively explores the Catholic stance against capital punishment in new and important ways The broad perspective of this book has been shaped in conversation with the Catholic Mobilizing Network to End the Use of the Death Penalty as well as through the witness of family members of murder victims and the spiritual advisors of condemned inmates The book offers the reader new insight into the debates about capital punishment provides revealing and sometimes surprising information about methods of execution and explores national and international trends and movements related to the death penalty It also addresses how the death penalty has been intertwined with racism the high percentage of the mentally disabled on death row and how the death penalty disproportionately affects the poor The foundation for the church s position on the death penalty is illuminated by discussion of the life and death of Jesus Scripture the Mass the Catechism of the Catholic Church and the teachings of Pope John Paul II Written for concerned Catholics and other interested readers the book contains contemporary stories and examples as well as discussion questions to engage groups in exploring complex issues [Routledge Handbook on Capital Punishment](#) Robert M. Bohm,Gavin Lee,2017-12-15 Capital punishment is one of the more controversial subjects in the social sciences especially in criminal justice and criminology Over the last decade or so the United States has experienced a significant decline in the number of death sentences and executions Since 2007 eight states have abolished capital punishment bringing the total number of states without the death penalty to 19 plus the District of Columbia and more are likely to follow suit in the near future Nebraska reinstated its death penalty in 2016 Worldwide 70 percent of countries have abolished capital punishment in law or in practice The current trend suggests the eventual demise of capital punishment in all but a few recalcitrant states and countries Within this context a fresh look at capital punishment in the United States and worldwide is warranted The Routledge Handbook on Capital Punishment comprehensively examines the topic of capital punishment from a wide variety of perspectives A thoughtful introductory chapter from experts Bohm and Lee presents a contextual framework for the subject matter and chapters present state of the art analyses of a range of aspects of capital punishment grouped into five sections 1 Capital Punishment History Opinion and Culture 2 Capital Punishment Rationales and Religious Views 3 Capital Punishment and Constitutional Issues 4 The Death Penalty s Administration and 5 The Death Penalty s Consequences This is a key collection for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in prison service or in related agencies **Death Penalty in Decline?** Austin Sarat,2024-05-31 This volume presents essays evaluating the similarities and differences between the legal political ethical and practical landscapes confronted by the death penalty abolition movement at the time of the Furman v Georgia decision and subsequent reversal and those confronted by the same movement today *Death Penalty and*

Discipleship David Matzko McCarthy, 2016 David Matzko McCarthy's *Death Penalty and Discipleship* is a faith formation resource to help communities and individuals reflect more deeply on capital punishment. It incorporates Scripture, Catholic social teaching and contemporary issues that focus on the meaning of God's self-giving in Jesus Christ and the implications of God's redemptive work in our lives. McCarthy shows how the church's stance against the death penalty fits with Scripture even passages such as an eye for an eye (Lev 24:19-20). He attends to the teachings of Jesus and draws out themes of restorative justice and he concludes by locating work to end the death penalty within St John Paul II's call for a new evangelization. God loves the world and gives himself to the world and we are called to share God's justice and mercy with others. In this insightful and challenging resource McCarthy encourages us to follow the call of Pope Francis to live out the love and mercy of God for all the world.

The Routledge Companion to Christian Ethics D. Stephen Long, Rebekah L. Miles, 2023-01-01 The *Routledge Companion to Christian Ethics* brings together two different but related disciplines: the first is contemplative or theoretical, asking what are the beliefs or doctrines that characterize Christianity; whilst the second is practical, asking what are the ethical practices that attend its teachings. The movement between the theoretical and practical aspects is not, however, one-way, as doctrine and life are mutually informing. In this comprehensive volume leading scholars address key topics, problems and debates in this hotly debated topic within a truly global context. Comprising over 35 chapters by a team of international contributors, the handbook is divided into three parts based on the three persons of the Trinity: God the Father, God the Son, and God the Holy Spirit. Within these sections cutting-edge issues are examined, including God and genetics, War, peace and violence, White supremacy, Creation and sexuality, Digital ethics, Transgender studies, Climate change, Immigration and refugees. Adopting a practical approach that must consider new concerns that have arisen with recent social, political and cultural shifts, *The Routledge Companion to Christian Ethics* is essential reading for students and researchers in Christian ethics, religious ethics and Christianity studies. The handbook will also be very useful for those in related fields such as ethics and philosophy.

The Death Penalty Roger Hood, Carolyn Hoyle, 2015-01-08 The fifth edition of this highly praised study charts and explains the progress that continues to be made towards the goal of worldwide abolition of the death penalty. The majority of nations have now abolished the death penalty and the number of executions has dropped in almost all countries where abolition has not yet taken place. Emphasising the impact of international human rights principles and evidence of abuse, the authors examine how this has fuelled challenges to the death penalty and they analyse and appraise the likely obstacles, political and cultural, to further abolition. They discuss the cruel realities of the death penalty and the failure of international standards always to ensure fair trials and to avoid arbitrariness, discrimination and conviction of the innocent, all violations of the right to life. They provide further evidence of the lack of a general deterrent effect, shed new light on the influence and limits of public opinion and argue that substituting for the death penalty life imprisonment without parole raises many similar human rights concerns. This edition provides a strong intellectual and evidential basis for

regarding capital punishment as undeniably cruel inhuman and degrading Widely relied upon and fully updated to reflect the current state of affairs worldwide this is an invaluable resource for all those who study the death penalty and work towards its removal as an international goal A Culture of Engagement Cathleen Kaveny,2016-03-01 Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny s articles from Commonweal magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational A Culture of Engagement is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life **Committee Meeting of Senate Judiciary Committee** New Jersey. Legislature. Senate. Judiciary Committee,2007 **Redemption and Restoration** David Matzko McCarthy,Vicki Schieber,Trudy D. Conway,2017-11-15 The Catholic Church teaches that punishment must have a constructive and redemptive purpose and that it be coupled with treatment and when possible restitution Rehabilitation and restoration must include the spiritual dimension of healing and hope Since the publication of the United States Conference of Catholic Bishop s 2000 pastoral statement on restorative justice the conversation surrounding the need for criminal justice reform and restorative justice has moved forward Redemption and Restoration responds from a Catholic perspective to help form an educational campaign to equip Catholics and their leaders to participate in the national conversation on this issue create the programs needed to assist in healing the harm caused by crime and restore our communities The book develops the traditional Catholic understanding of justice offers a theological understanding of restorative justice explains how it can be implemented and reflects on the practical arguments for restorative justice Grounded in the stories of real people Redemption and Restoration helps readers gain a deeper understanding of how this affects us all as a country and a church It includes discussion questions to engage groups in exploring issues related to restorative justice The Catholic Periodical and Literature Index ,1999 *Can Society Escape*
