

A digital tablet with a black bezel is positioned vertically in the center of the frame. The screen is light gray and features the word "eBook" in a bold, dark gray, sans-serif font. The background of the screen is decorated with faint, thin black lines forming abstract geometric shapes, including triangles and polygons. The tablet is placed on a stack of several physical books. The pages of the books are visible, showing printed text in a small font. The books are stacked at an angle, creating a sense of depth. The overall lighting is soft, and the colors are muted, with a focus on the contrast between the digital screen and the physical books.

Thompson, 2021-04-14 These are turbulent times in the world of book publishing For nearly five centuries the methods and practices of book publishing remained largely unchanged but at the dawn of the twenty first century the industry finds itself faced with perhaps the greatest challenges since Gutenberg A combination of economic pressures and

technological change is forcing publishers to alter their practices and think hard about the future of the books in the digital age In this book the first major study of trade publishing for more than 30 years Thompson situates the current challenges facing the industry in an historical context analysing the transformation of trade publishing in the United States and Britain since the 1960s He gives a detailed account of how the world of trade publishing really works dissecting the roles of publishers agents and booksellers and showing how their practices are shaped by a field that has a distinctive structure and dynamic This new paperback edition has been thoroughly revised and updated to take account of the most recent developments including the dramatic increase in ebook sales and its implications for the publishing industry and its future
