Elisheva Irma Diaz,2019-08-05 The extraordinary twists and turns of the spiritual journey of Elisheva Irma Diaz reflect and illumine the tumultuous era in which we live The universally recognized border separating Judaism and Christianity is now a blur Elisheva s story shows that the insecurity that has ensued may also open us up to unimagined blessing Rabbi Mark S Kinzer PhD author of *Jerusalem Crucified* Jerusalem Risen 2018 and *Searching Her Own Mystery* 2015 As powerfully quoted by Joseph Shulam in the foreword of this book There are medical books written by doctors who have researched studied issues and gained knowledge in their professional capacity However very few of these medical books were written by doctors who themselves have experienced the illness in their own bodies This author s journey to reclaim her Sephardic Jewish heritage led her on an adventure that began in the early nineties with a full time Christian ministry that eventually propelled her into a powerful ten year insightful journey She went from an ordained Pastor of Pastors with a successful ministry into Judaism and soon after her transition enrolled herself in formal rabbinic studies and was ordained a Rabbi in 2012 Through this spiritual journey filled with intense study and spiritual experiences she writes what some may think but would most likely never say She has further concluded without a shadow of a doubt that both Judaism and Christianity are broken but God has chosen to dwell in them both She is quick to confess Christianity and Judaism broke my heart yet both Christianity and Judaism brought me closer to the knowledge of God Blessed be He

The In-Between Place Kat Armstrong,2021-01-05 If you re curious about how Jesus can change your individual story the story of Jesus and the woman at the well offers insights to make peace with the past find hope in the present and step into the future God wants us to move toward the goodness He has planned for us But what do we do when challenges stop our forward momentum On his way from Judea to Galilee Jesus traveled through Samaria a broken place everyone knew to avoid In Samaria he stopped in a place where evil reigned Yet the place once condemned as somewhere no one wanted to visit let alone stay in for a while was the location of one Samaritan woman s most hope filled encounter with the Savior This encouraging book Offers a fresh perspective on difficult times and challenging life circumstances where we feel stuck Provides practical help to step through hardship and into the redemption God has for us Is based on the story of the woman at the well found in John 4 Is ideal for women s Bible studies and book clubs The In Between Place offers deeply important insights to anyone who feels stuck and can t see a way forward It s for the person who feels lost and is not sure she is worth the effort to be found for the person who feels overlooked and unfulfilled Because sometimes Jesus saves our greatest spiritual breakthroughs for our in between places

Heidegger and Homecoming Robert Mugerauer,2008-10-21 Martin Heidegger s philosophical works devoted themselves to challenging previously held ontological notions of what constitutes being and much of his work focused on how beings interact within particular spatial locations Frequently Heidegger used the motifs of homelessness and homecoming in order to express such spatial interactions and despite early and continued recognition of the importance of homelessness and homecoming this is the first sustained study of these motifs in his later works Utilizing both literary and philosophical analysis Heidegger and

Homecoming reveals the deep figural unity of the German philosopher's writings by exploring not only these homecoming and homelessness motifs but also the six distinctive voices that structure the apparent disorder of his works. In this illuminating and comprehensive study Robert Mugerauer argues that these motifs and Heidegger's many voices are required to overcome and replace conventional and linear methods of logic and representation. Making use of material that has been both neglected and yet to be translated into English, Heidegger and Homecoming explains the elaborate means with which Heidegger proposed that humans are able to open themselves to others while at the same time preserve their self-identity.
