Hancock,2005-12-19 Seeking Truth motivates a person to find truth Most of us exist within a psychological illusion of the truth This illusion of truth exists in a holographic sense We literally exist within our thoughts While covered within an analogous shell one filters any new ideas and thoughts through preconceived parameters In this sense you could hear see or experience bonafide truth but be unable to accept it as the truth for this reason the scientific method for establishing truth necessitates that an experiment must be performed time and time again with the same results In common law the truth shall be established by two or more witnesses May your shell illusion vaporize May you see hear understand and intuit truth [Truth of You](#) The Lord and His Servant Rev. Pat,2016-06-23 After many months weeks and days of prayer I asked the Lord to give me the best way to tell His children what He wanted them to know On the last day of 2009 the title Truth of You came through Each morning Our Father and I would dialogue and an affirmation would be presented On each Saturday a meditation was presented and was to be used on Saturday and Sunday This book contains 262 affirmations and 52 meditations If these affirmations are studied believed practiced and meditated upon the life of the individual using them will change You will enter into a communion with our Father to become one with Him You will come to love Him and He will come to know you You are where you are because of practice Read Truth of You and make this year the best year of your life **The Impossible Way: The Way, The Truth & The Life (The Complete Trilogy)** Marcus A. Allen,2020-03-23 The words of this book are based upon Christ s declaration I am the way the truth and the life St John 14 6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God s Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven t been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you shall learn the truth of your God and Creator and of his Son Jesus Christ You shall

learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what s your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16 16 18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don t miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way Awaken to the One Life and the Honest Quest for Truth Christopher Grondahl,2024-11-18 With love your friend Christopher Grondahl invites you to explore his only work Awaken to the One Life Chris was a world class Electrical Engineer who spent a lifetime contemplating existence He studied science religion and philosophy struggling to discover the meaning of life until he Awakened on an ordinary December morning in 2009 That morning Chris said he had a vision of a red flower and beheld The One Life Chris spent the rest of his days passionately writing and teaching about The One Life until he passed away from brain cancer on November 11th 2015 It was Chris ultimate dream to share The One Life with you The One Life Chris said invites you to step into Eternity beyond the human dimension and beyond the limitations of the divided mind On the way Chris said you may encounter the demon smile at him and confess that life is your friend *AAUP Bulletin* American Association of University Professors,1928 **The Truth Taught by All the Buddhas** Bhikkhu Revata,2016-12-16 The Buddha of this era and the Buddhas of past eras have all taught only two kinds of truths and nothing more than these I have taught the Dhamma that I myself have directly penetrated All the Dhamma I taught between the day I became enlightened and the day I took final Nibb na all the Dhamma I have taught are true There is nothing I have taught which is untrue I have not taught a Dhamma which you cannot practise Sa jaya Belatthiputta replied All the wise will go to the Buddha The fools will come to me Do not worry A person can poison others but the Dhamma will never poison anyone Depend on the Dhamma then and not on the person Mentality does not
