Here Is Where Andrew Carroll,2013-05-14 *Here Is Where* chronicles Andrew Carroll s eye opening and at times hilarious journey across America to find and explore unmarked historic sites where extraordinary moments occurred and remarkable individuals once lived Sparking the idea for this book was Carroll s visit to the spot where Abraham Lincoln s son was saved by the brother of Lincoln s assassin Carroll wondered How many other unmarked places are there where intriguing events have unfolded and that we walk past every day not realizing their significance To answer that question Carroll ultimately trekked to every region of the country by car train plane helicopter bus bike and kayak and on foot Among the things he learned Where in North America the oldest sample of human DNA was discovered Where America s deadliest maritime disaster took place a calamity worse than the fate of the Titanic Which virtually unknown American scientist saved hundreds of millions of lives Which famous Prohibition agent was the brother of a notorious gangster How a 14 year old farm boy s brainstorm led to the creation of television Featured prominently in *Here Is Where* are an abundance of firsts from the first use of modern anesthesia to the first cremation to the first murder conviction based on forensic evidence outrages from riots to massacres to forced sterilizations and breakthroughs from the invention inside a prison of a revolutionary weapon to the recovery deep in the Alaskan tundra of a super virus to the building of the rocket that made possible space travel *Here Is Where* is thoroughly entertaining but it s also a profound reminder that the places we pass by often harbor amazing secrets and that there are countless other astonishing stories still out there waiting to be found Look for Andrew s new book *My Fellow Soldiers* Where's Harry? Steve Stone,2001-01-01 When legendary Chicago Cubs broadcaster Harry Caray passed away in February of 1998 thousands of baseball fans mourned the loss In *Where s Harry* Steve Stone pays tribute to one of baseball s biggest legends never to take the field remembering the unique baseball commentator who was also the game s biggest fan *Where the River Ends* Charles Martin,2008-07-15 A powerfully emotional and beautifully written story of heartbreaking loss and undying love He was a fishing guide and struggling artist from a south George trailer park She was the beautiful only child of South Carolina s most powerful senator Yet once Doss Michaels and Abigail Grace Coleman met by accident they each felt they d found their true soul mate Ten years into their marriage when Abbie faces a life threatening illness Doss battles it with her every step of the way And when she makes a list of ten things she hopes to accomplish before she loses the fight for good Doss is there too supporting her and making everything possible Together they steal away in the middle of the night to embark upon a 130 mile trip down the St Mary s River a voyage Doss promised Abbie in the early days of their courtship *Where the River Ends* chronicles their love filled tragedy tinged journey and a bond that transcends all
