Area Handbook for Saudi Arabia Richard F. Nyrop,1977

Women's Albums and Photography in Victorian England Patrizia Di Bello,2017-07-05 This beautifully illustrated study recaptures the rich history of women photographers and image collectors in nineteenth century England Situating the practice of collecting exchanging and displaying photographs and other images in the context of feminine sociability Patrizia Di Bello shows that albums express Victorian women s experience of modernity The albums of individual women and the broader feminine culture of collecting and displaying images are examined uncovering the cross references and fertilizations between women s albums and illustrated periodicals and demonstrating the way albums and photography itself were represented in women s magazines fashion plates and popular novels Bringing a sophisticated eye to overlooked images such as the family photograph Di Bello not only illustrates their significance as historical documents but elucidates the visual rhetorics at play In doing so she identifies the connections between Victorian album making and the work of modern day amateurs and artists who use digital techniques to compile and decorate albums with Victorian style borders and patterns At a time when photographic album making is being re vitalised by digital technologies this book rewrites the history of photographic albums placing the female collector at its centre and offering an alternative history of photography focused on its uses rather than on its aesthetic or artistic considerations It is remarkable in elegantly connecting the history of photography with the fields of material culture and women s studies

Public Opinion ,1864

A holiday tour in Europe [letters repr. from the Public ledger]. Joel Cook,1889

The Fall of Public Man Richard Sennett,2017-04-11 A landmark study of urban society reissued for the 40th anniversary of the original publication with a new epilogue by the author A sweeping farsighted study of the changing nature of public culture and urban society The Fall of Public Man spans more than two centuries of Western sociopolitical evolution and investigates the causes of our declining involvement in political life Richard Sennett s insights into the danger of the cult of individualism remain thoroughly relevant to our world today In a new epilogue he extends his analysis to the new public realm of social media questioning how public culture has fared since the digital revolution
